[57] **CLAIM**

The ornamental design for a frost protection device for water meter pits, as shown and described.

DESCRIPTION

FIG. 1 is a top view of the frost protection device for water meter pits;
FIG. 2 is a bottom view of the frost protection device for water meter pits;
FIG. 3 is a front view of the frost protection device for water meter pits;
FIG. 4 is a rear view of the frost protection device for water meter pits;
FIG. 5 is a side view of the frost protection device for water meter pits;
FIG. 6 is an opposite side view of the frost protection device for water meter pits;
FIG. 7 is a perspective view of the frost protection device for water meter pits; and,
FIG. 8 is a perspective view of the frost protection device for water meter pits positioned for installation in a water meter pit. The water meter pit, water meter with connected piping, water meter lid, antenna with wiring are shown for environmental purposes only and form no part of the invention.
