[57] **CLAIM**

The new and ornamental design for a combination flashlight and powered screwdriver, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a combination flashlight and powered screwdriver of the present invention;
FIG. 2 is a side elevational view of FIG. 1, with the opposite side being a mirror image;
FIG. 3 is a top plan view of FIG. 1;
FIG. 4 is a bottom plan view of FIG. 1;
FIG. 5 is a front end view of FIG. 1, with the broken line showing for illustrative purposes only and forming no part of the claimed design; and,
FIG. 6 is a rear end view of FIG. 1.
