[57] **CLAIM**

The ornamental design for a sound reduction headset, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a sound reduction headset showing our new design;  
 FIG. 2 is a front elevational view, the rear elevational view being the mirror image thereof;  
 FIG. 3 is a left side elevational view, the right side elevational view being the mirror image thereof;  
 FIG. 4 is a top plan view thereof; and  
 FIG. 5 is a bottom plan view thereof.  
 The broken lines in FIG. 1 represent the shape and positioning of ear cups and form no part of the present invention.
