[57] **CLAIM**

The ornamental design for a rising bubble display device, as shown and described.

DESCRIPTION

FIG. 1 is a front-right perspective view of a rising bubble display device that incorporates my new design;

FIG. 2 is a top view thereof;

FIG. 3 is a front view thereof; and,

FIG. 4 is a bottom view thereof.

A left side view, right side view, and rear view thereof are symmetrical to the front view shown in FIG. 3.

The small circles visible in the vertically extending column of the device are bubbles of gas rising in a liquid contained in the column.
