[57] **CLAIM**

The ornamental design for a ladies' sports garment, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a ladies' sports garment embodying my design in a flattened state with side buckles fastened in an outermost position;

FIG. 2 is a front elevational view thereof, in a flattened state with the side buckles fastened in an intermediate position;

FIG. 3 is a front elevational view thereof, in a flattened state with the side buckles fastened in an innermost position;

FIG. 4 is a front elevational view thereof, in a flattened state with the side buckles unfastened;

FIG. 5 is a rear elevational view thereof, in a flattened state with the side buckles fastened;

FIG. 6 is a rear elevational view thereof, in a flattened state with the side buckles unfastened;

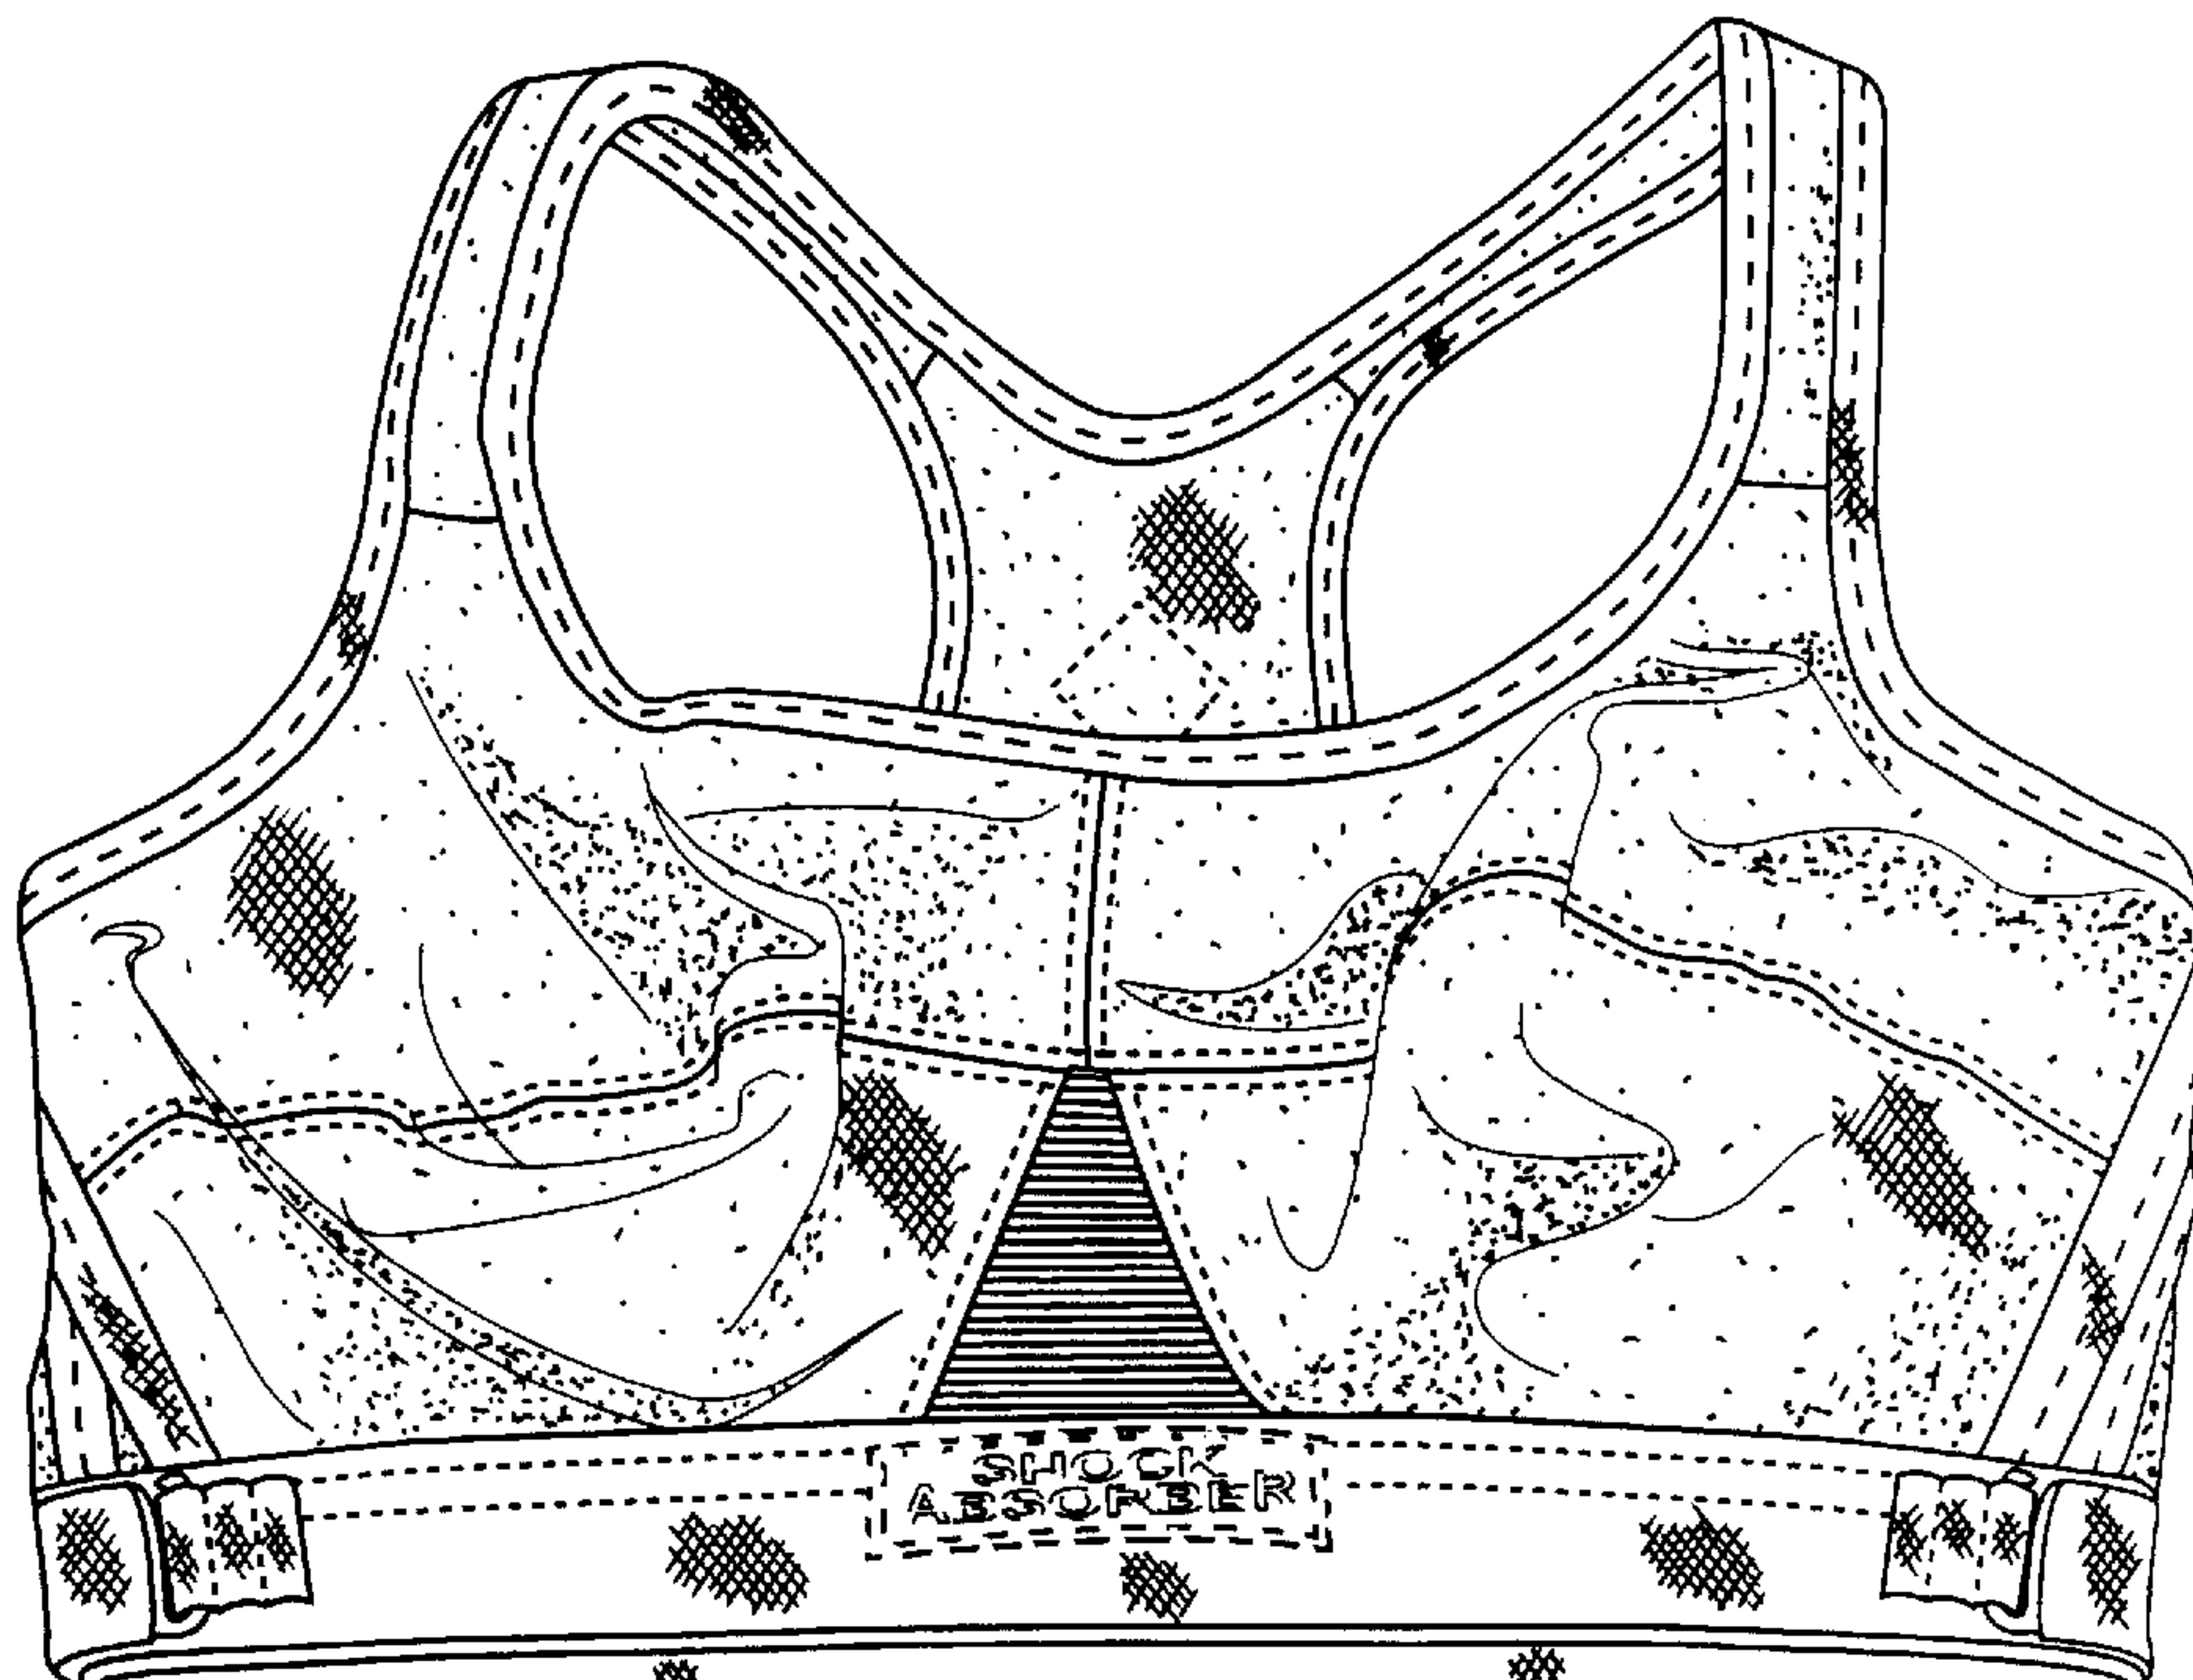

FIG. 7 is a front elevational view thereof, in an extended state with the side buckles unfastened; and,

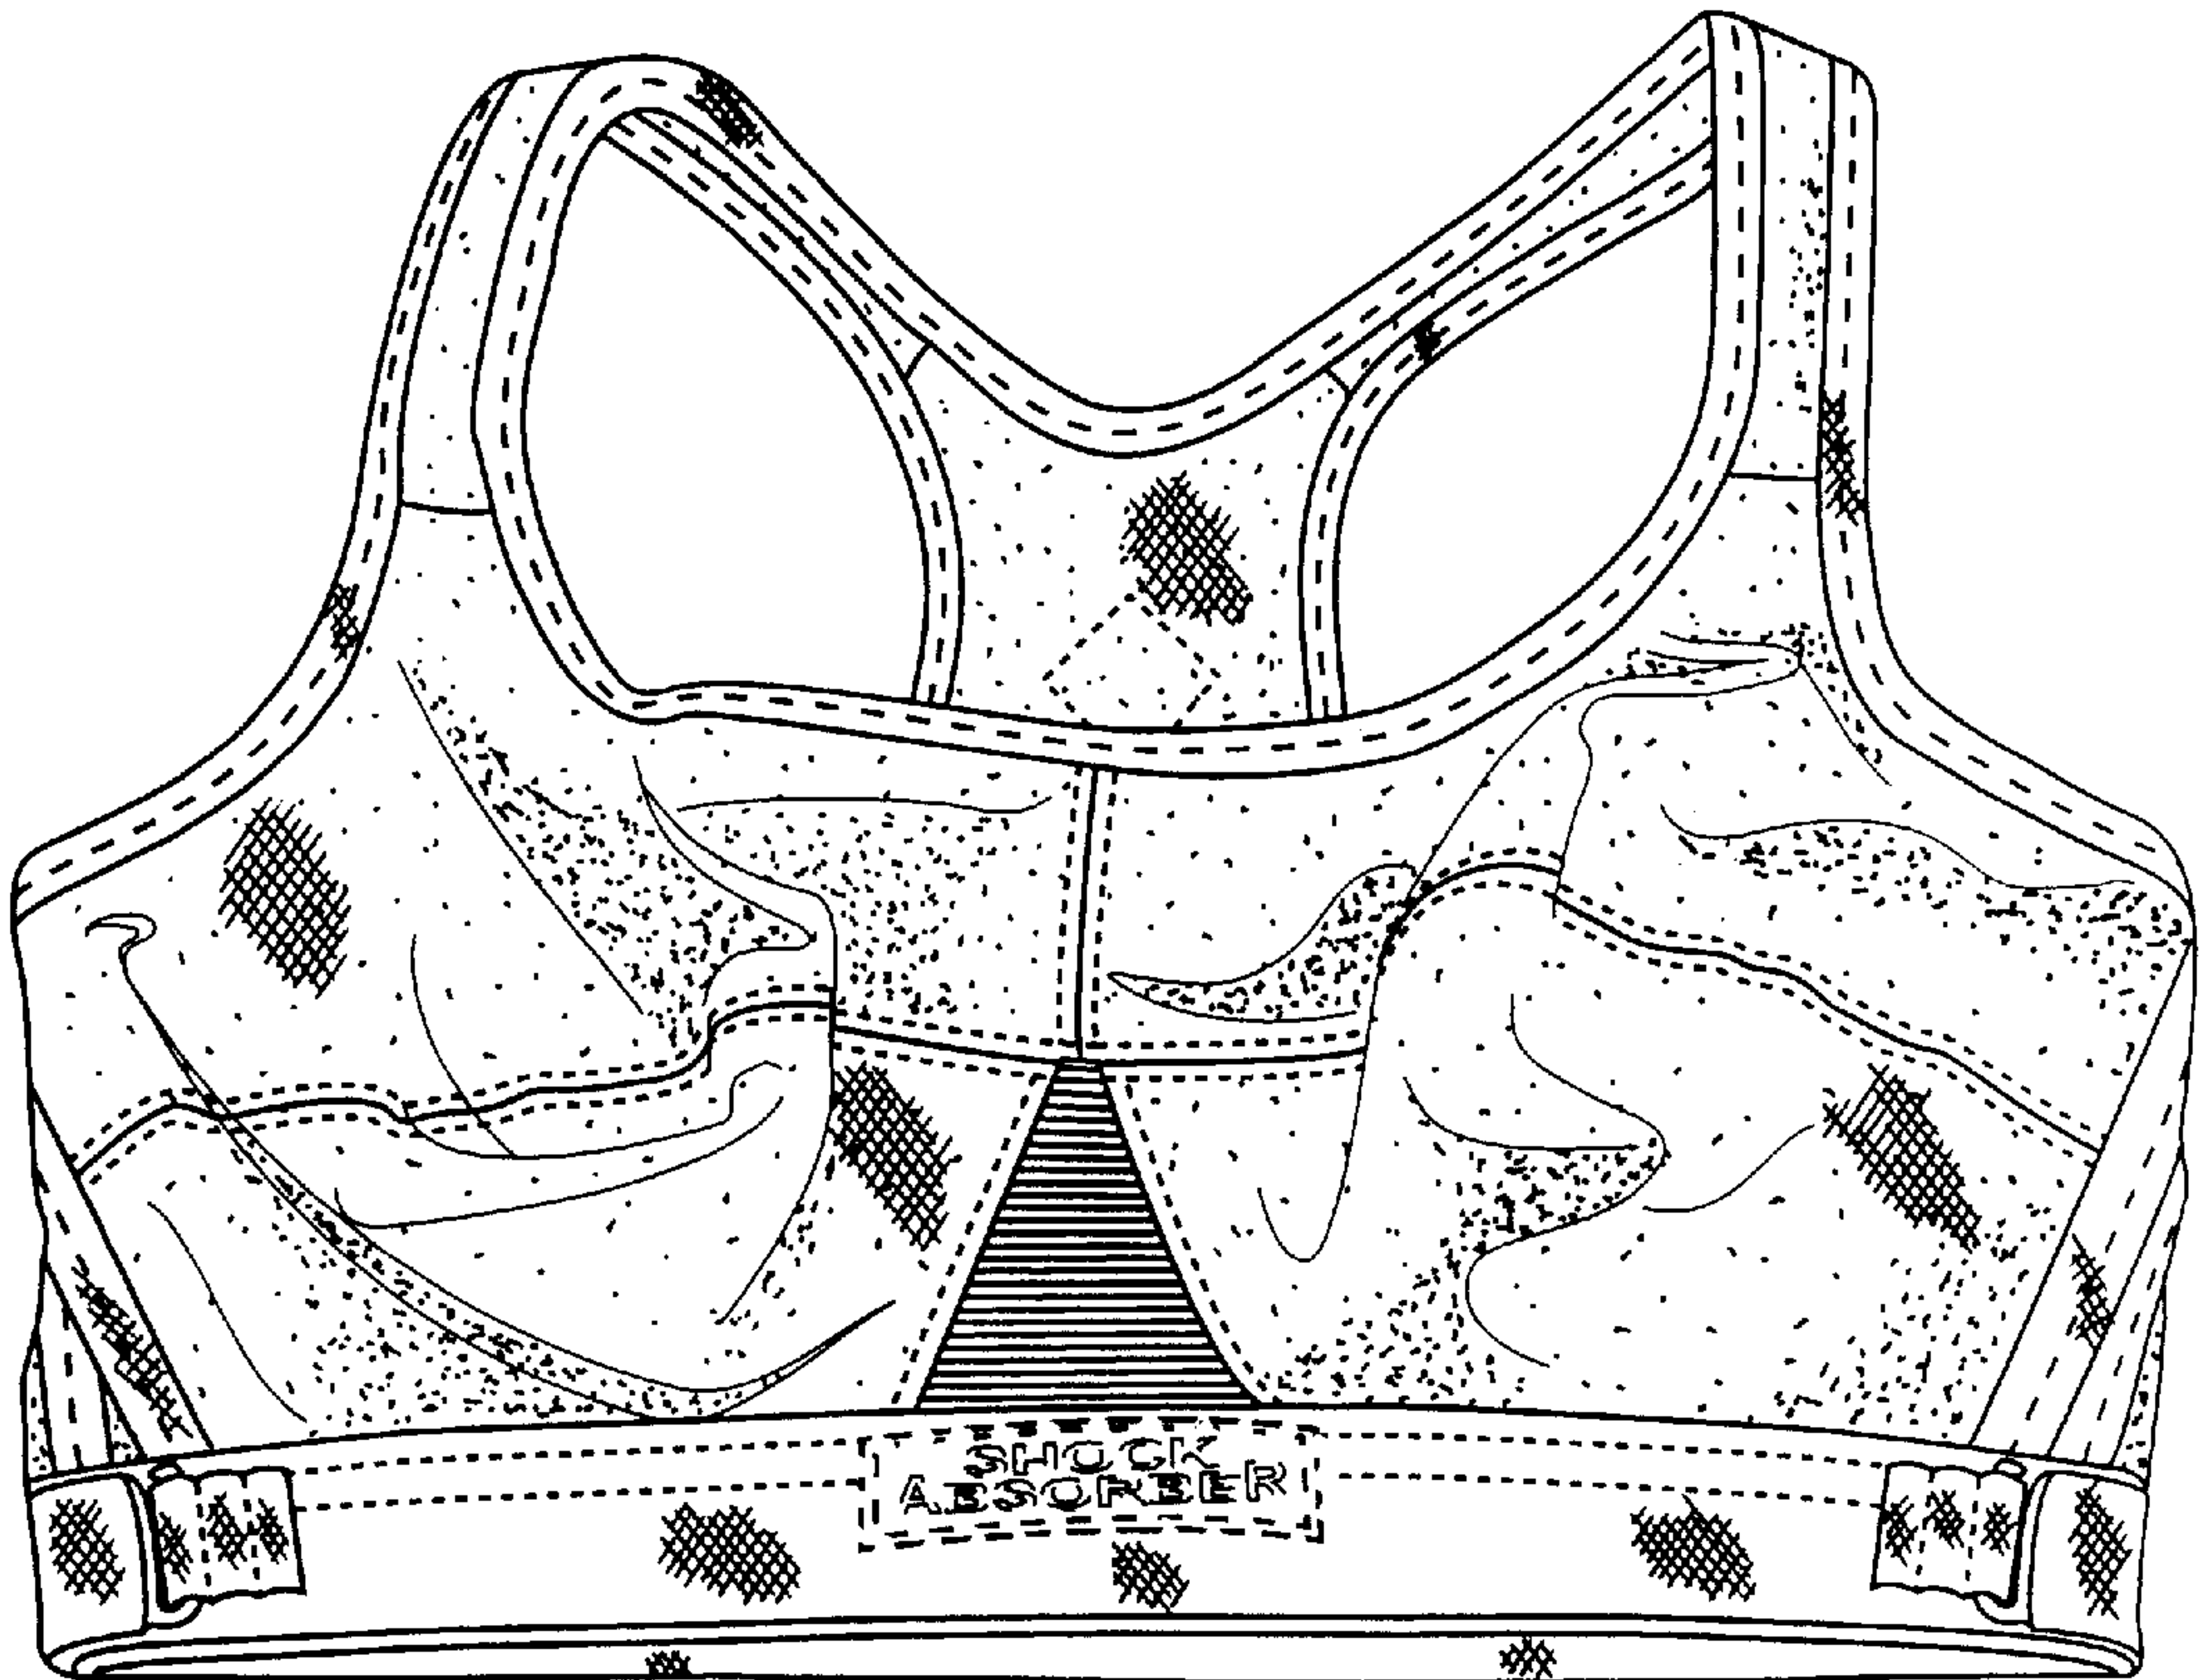

FIG. 8 is a rear elevational view thereof, in an extended state with the side buckles fastened.

The broken line showing throughout the views represents conventional stitching.

The designation of the product label and name, which is shown in dotted lines, forms no part of the claimed design.
