*Primary Examiner*—Paula A. Mortimer

[57] **CLAIM**

The ornamental design for a foldable pet casket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a foldable pet casket

showing my new design in a folded and assembled position;

FIG. 2 is a side elevational view of the foldable pet casket of FIG. 1, an opposite side elevation view being identical therewith;

FIG. 3 is an end elevational view of the foldable pet casket of FIG. 1, an opposite end elevational view being identical therewith;

FIG. 4 is a top plan view of the foldable pet casket of FIG. 1;

FIG. 5 is a bottom plan view of the foldable pet casket of FIG. 1;

FIG. 6 is a top plan view of the top member in an unfolded position, the opposite side is a mirror image, the top is shown separately for ease of illustration;

FIG. 7 is a top plan view of the bottom member in an unfolded position, the opposite side is a mirror image, the bottom is shown separately for ease of illustration;

FIG. 8 is a top side elevational view with the tab in a vertical position, the top is shown separately for ease of illustration;

FIG. 9 is a top end elevational view thereof, the opposite end is a mirror image;

FIG. 10 is a side elevational view of the bottom member, the opposite side is a mirror image, the bottom is shown separately for ease of illustration;

FIG. 11 is an end elevational view thereof;

FIG. 12 is a bottom plan view of FIG. 10; and,

FIG. 13 is a top plan view of FIG. 10.
