[57] **CLAIM**

The ornamental design for a sheet of paper with a watermark, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of a sheet of paper with a watermark showing our new design, the bottom plan view being substantially identical thereto.

The side views of the sheet of paper with a watermark are plain and unornamented. The broken lines in FIG. 1 are shown to indicate the peripheral boundaries of the paper and form no part of the claimed design.

The characteristic feature of the watermark design for the sheet of paper resides on the top and bottom surfaces of the sheet of paper, as shown.
