[57] **CLAIM**

The ornamental design for a surgical saw blade hub, as shown and described.

DESCRIPTION

FIG. 1 is a top, front, and side perspective view of a surgical saw blade hub, showing our new design; and

FIG. 2 is a top plan view thereof, the bottom plan view being identical thereto;

FIG. 3 is a side elevational view thereof, the opposite side elevational view being identical thereto; and,

FIG. 4 is a front elevation view thereof.

The broken lines in each of the FIGS. 1–4 show the cutting portion of the surgical saw blade, and are for illustrative purposes only and form no part of the claimed design.
