[57] CLAIM

The ornamental design for a spring used in venetian blinds, as shown and described.

DESCRIPTION

FIG. 1 is a side elevational view of a spring used in venetian blinds showing my new design, the opposite side being a mirror image thereof;
FIG. 2 is a front elevational view of FIG. 1, the rear being a mirror image thereof; and,
FIG. 3 is a perspective view of FIG. 1.
The spring has no substantial thickness.
