[57] CLAIM

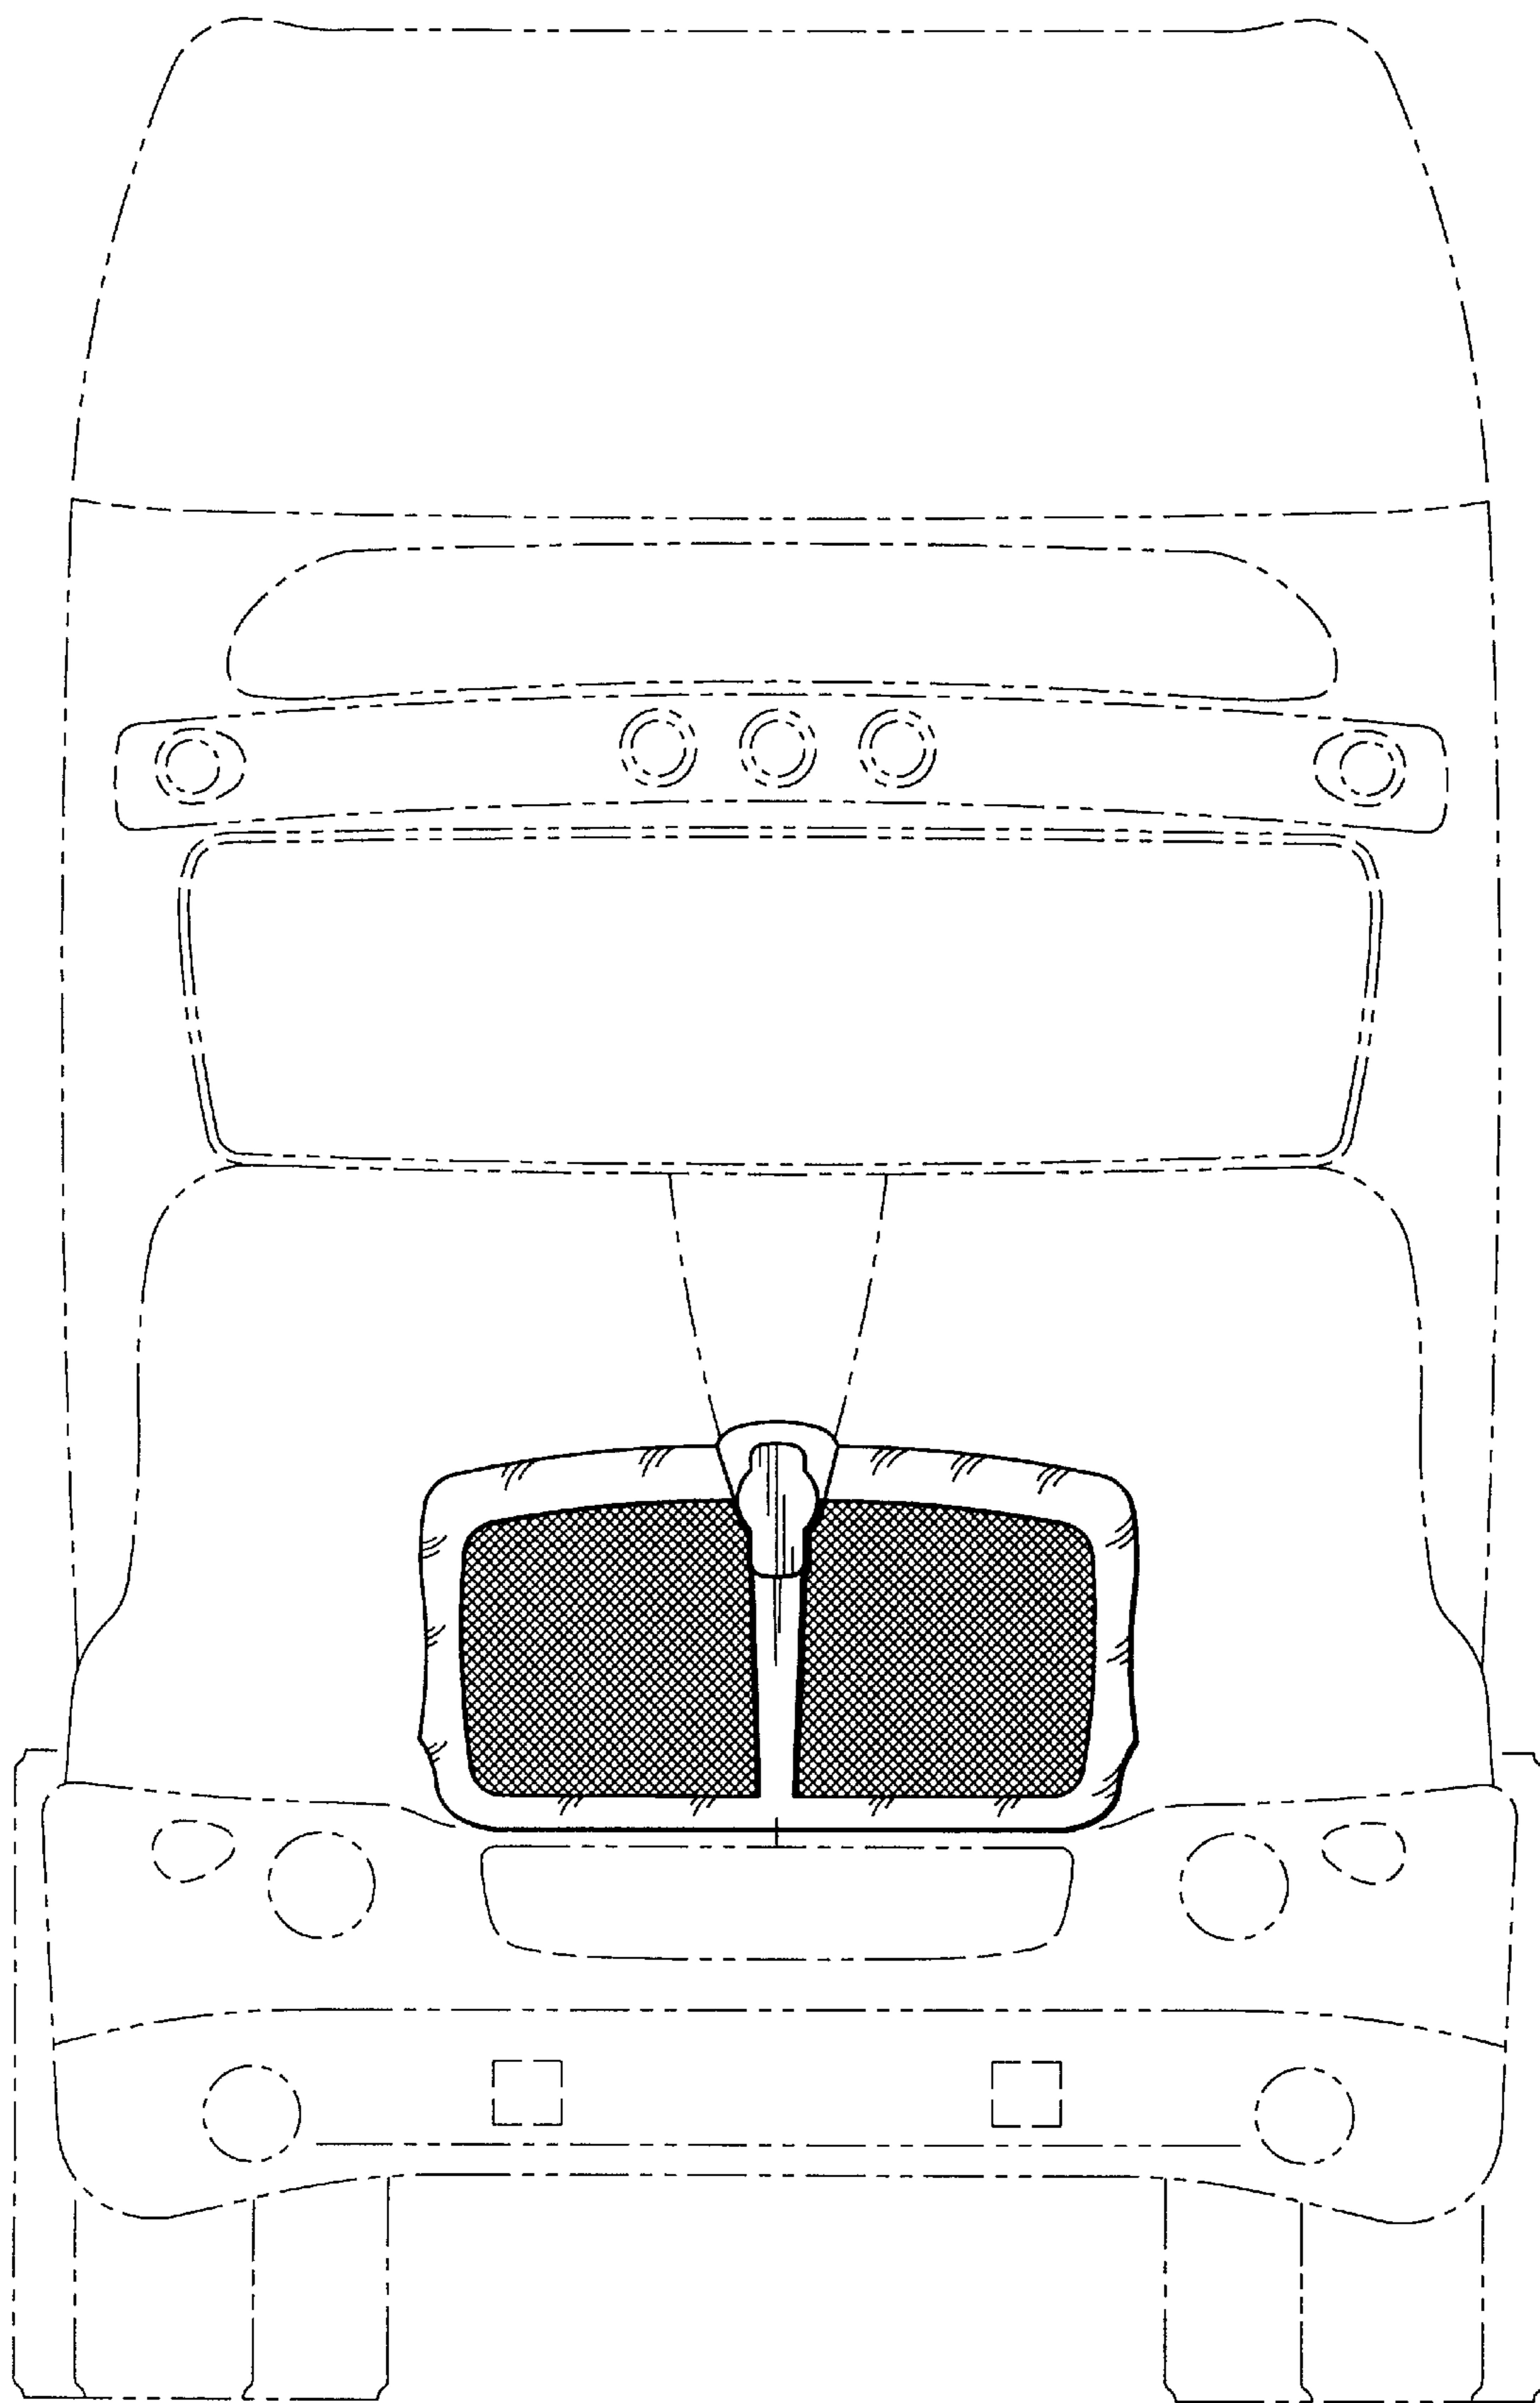

We claim the ornamental design for a truck front grille, as shown and described.

DESCRIPTION

FIG. 1 is an environmental front elevational view of a first embodiment of truck front grille according to the invention; FIG. 2 is a front elevational view of the truck front grille of FIG. 1 shown in larger scale and in isolation from the environment truck shown in phantom in FIG. 1; FIG. 3 top view of the truck front grille of FIG. 2; FIG. 4 is a side elevational view of the truck front grille of FIG. 2. The opposite side elevational view is a mirror image of the view shown in FIG. 4; FIG. 5 is a front elevational view of a second embodiment truck front grille according to the invention; FIG. 6 top view of the truck front grille of FIG. 5; and, FIG. 7 is a side elevational view of the truck front grille of FIG. 5. The opposite side elevational view is a mirror image of the view shown in FIG. 7.
The nature and environmental use of the claimed design is in connection with vehicles, such as trucks. Any portions of the figures which show in broken lines are to indicate the environment of the design and do not form a part of the design sought to be protected.
