[57] CLAIM

The ornamental design for a set of sphere clusters for use in contemplation and meditation, as shown.

DESCRIPTION

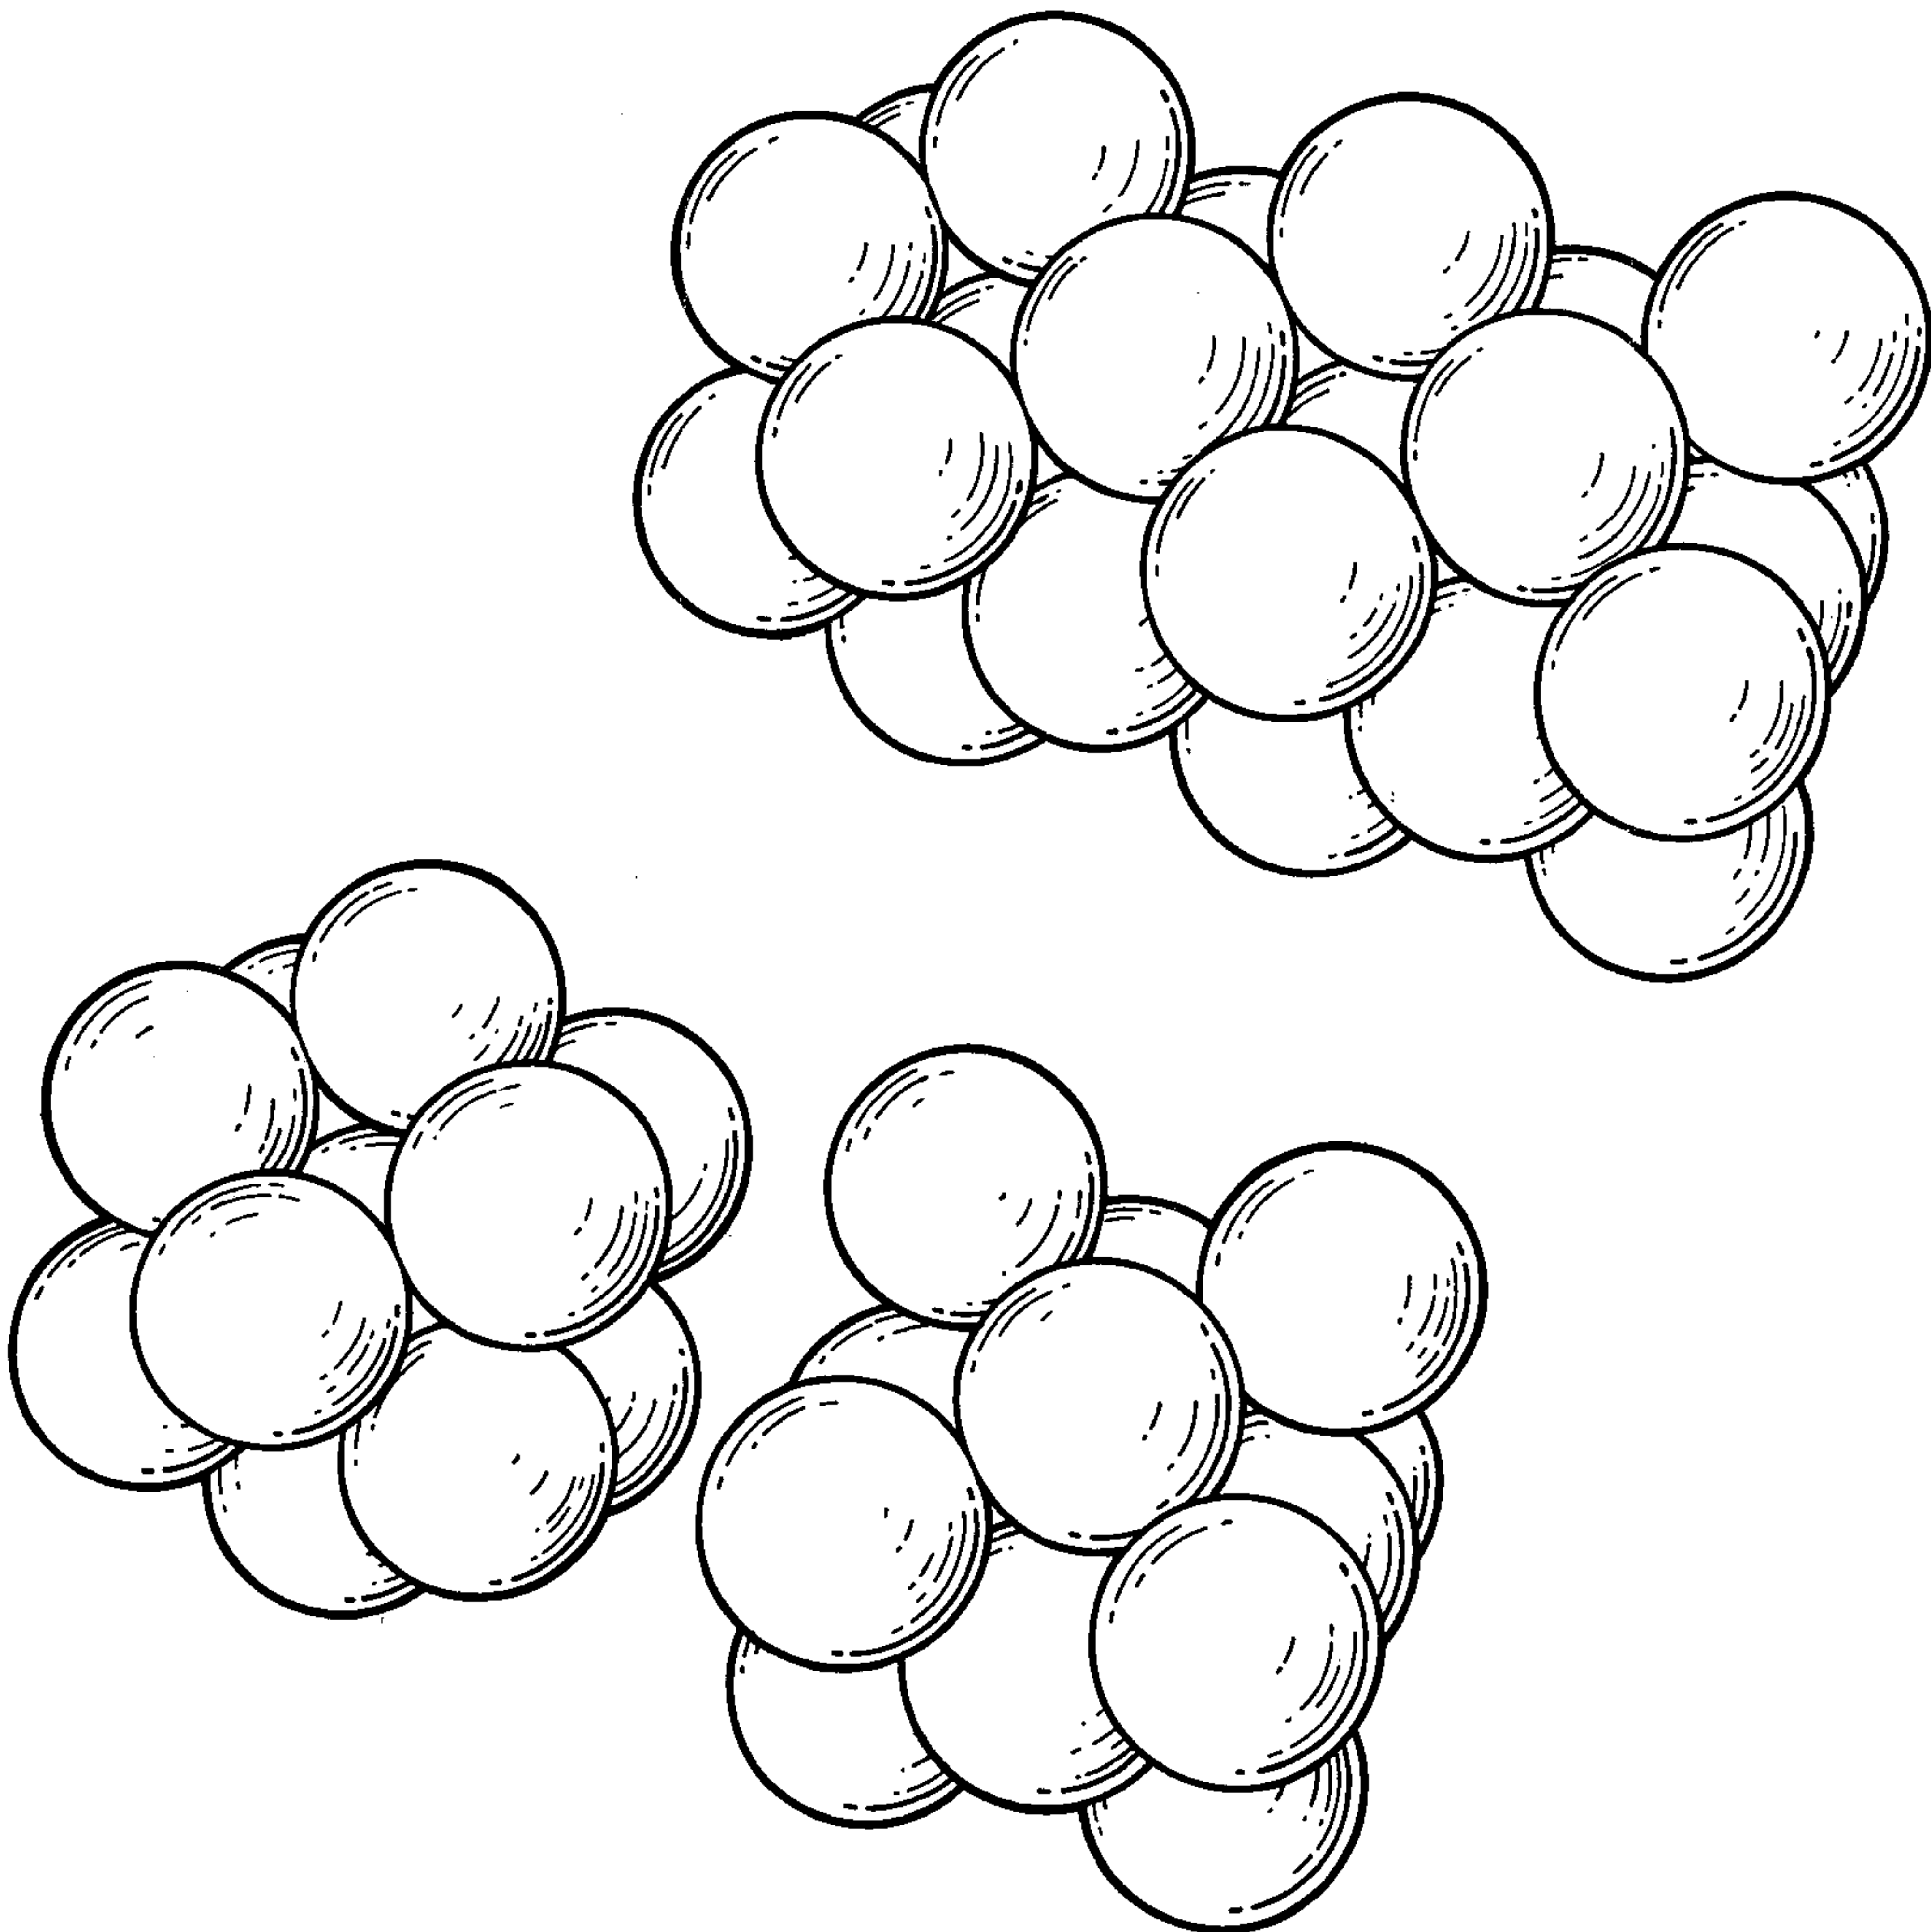

FIG. 1 is a top perspective view of the set of sphere clusters for use in contemplation and meditation when adjoined, showing my new design;

FIG. 2 is a top perspective view of the set of sphere clusters for use in contemplation and meditation when separated into its two component sphere clusters;

FIG. 3 is a top plan view of one of the component sphere clusters, all six faces being identical to the one shown; and,

FIG. 4 is a top plan view of the other component sphere cluster, all six faces being identical to the one shown .
