[57] **CLAIM**

The ornamental design for an automobile body, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view illustrating an automobile body constructed in accordance with the teachings of the present invention; FIG. 2 is a rear view thereof; and, FIG. 3 is a side view thereof, the opposite side being a mirror image of that shown; It will be understood that the broken lines representing tires throughout the drawings are for illustrative purposes only and are not intended to form part of the claimed invention.
