[57] **CLAIM**

The ornamental design for an upper and front wall structure for an instrument panel, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an upper and front wall structure for an instrument panel showing our new design. The broken line showing of environment is for illustrative purposes only and forms no part of the claimed design; FIG. 2 is a front view of the upper and front wall structure for an instrument panel; FIG. 3 is a top view of the upper and front wall structure for an instrument panel; FIG. 4 is a left side view of the upper and front wall structure for an instrument panel; and, FIG. 5 is a right side view of the upper and front wall structure for an instrument panel.
