## [57] CLAIM

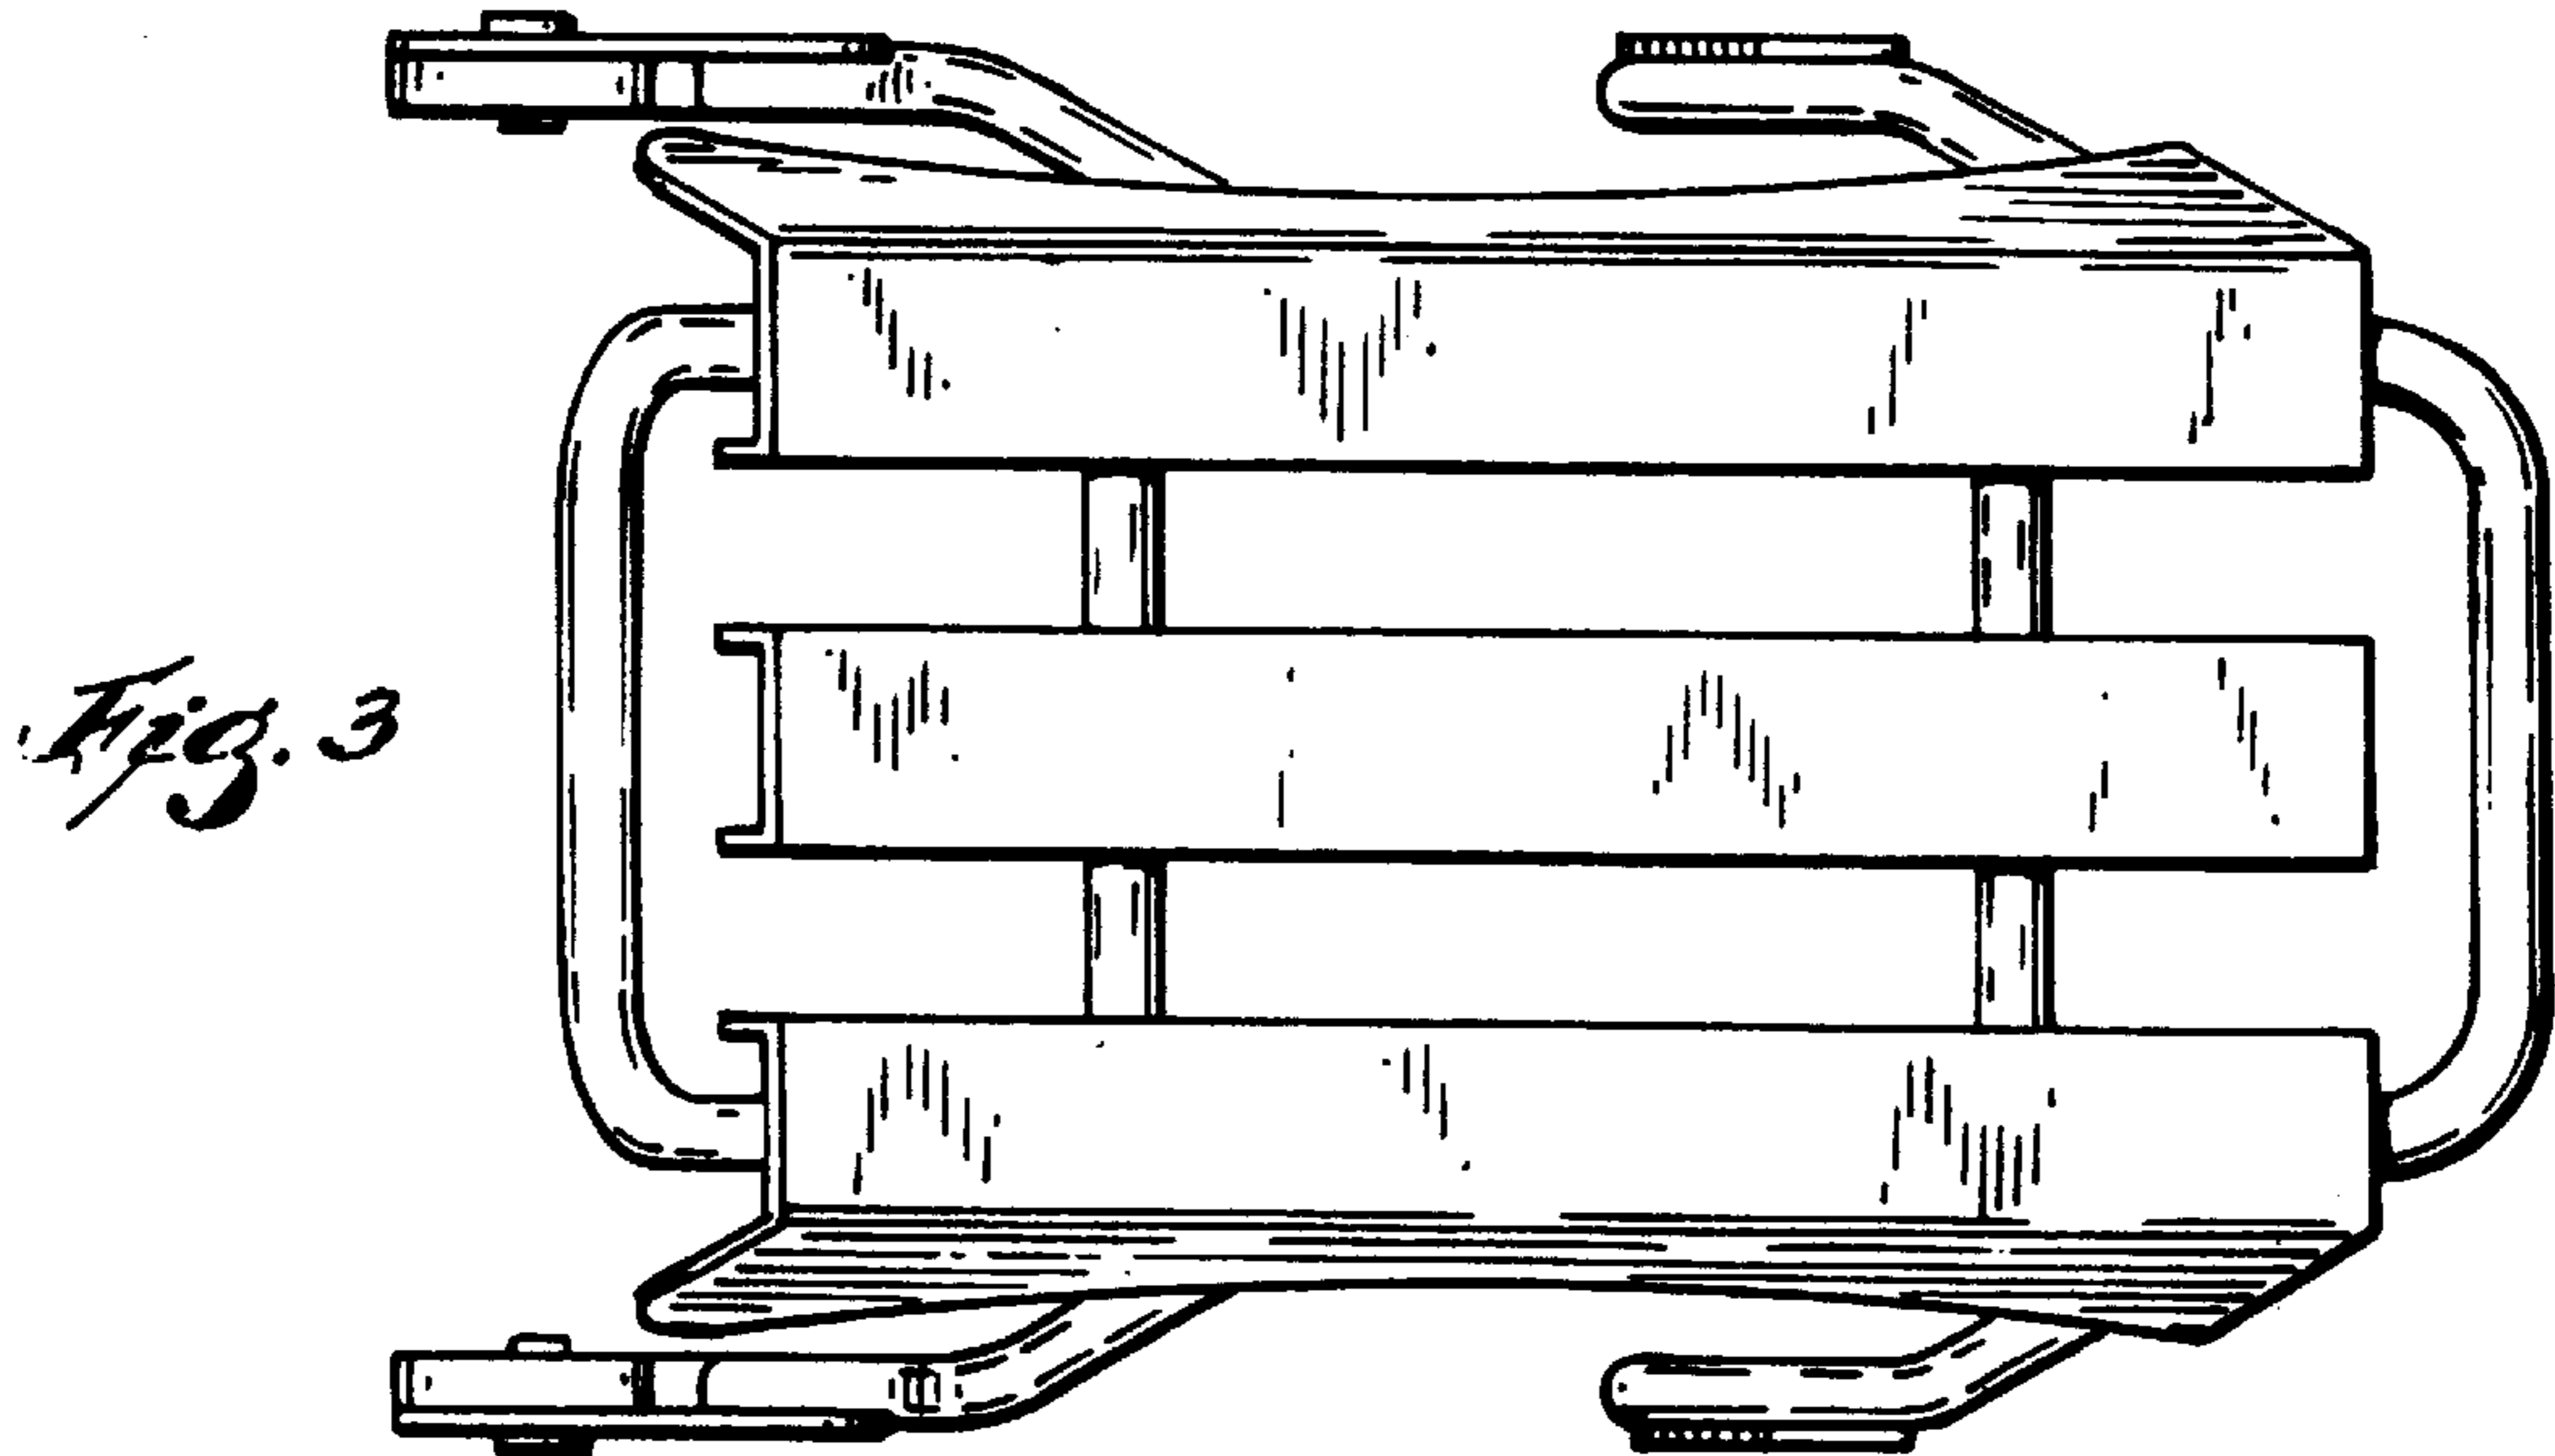

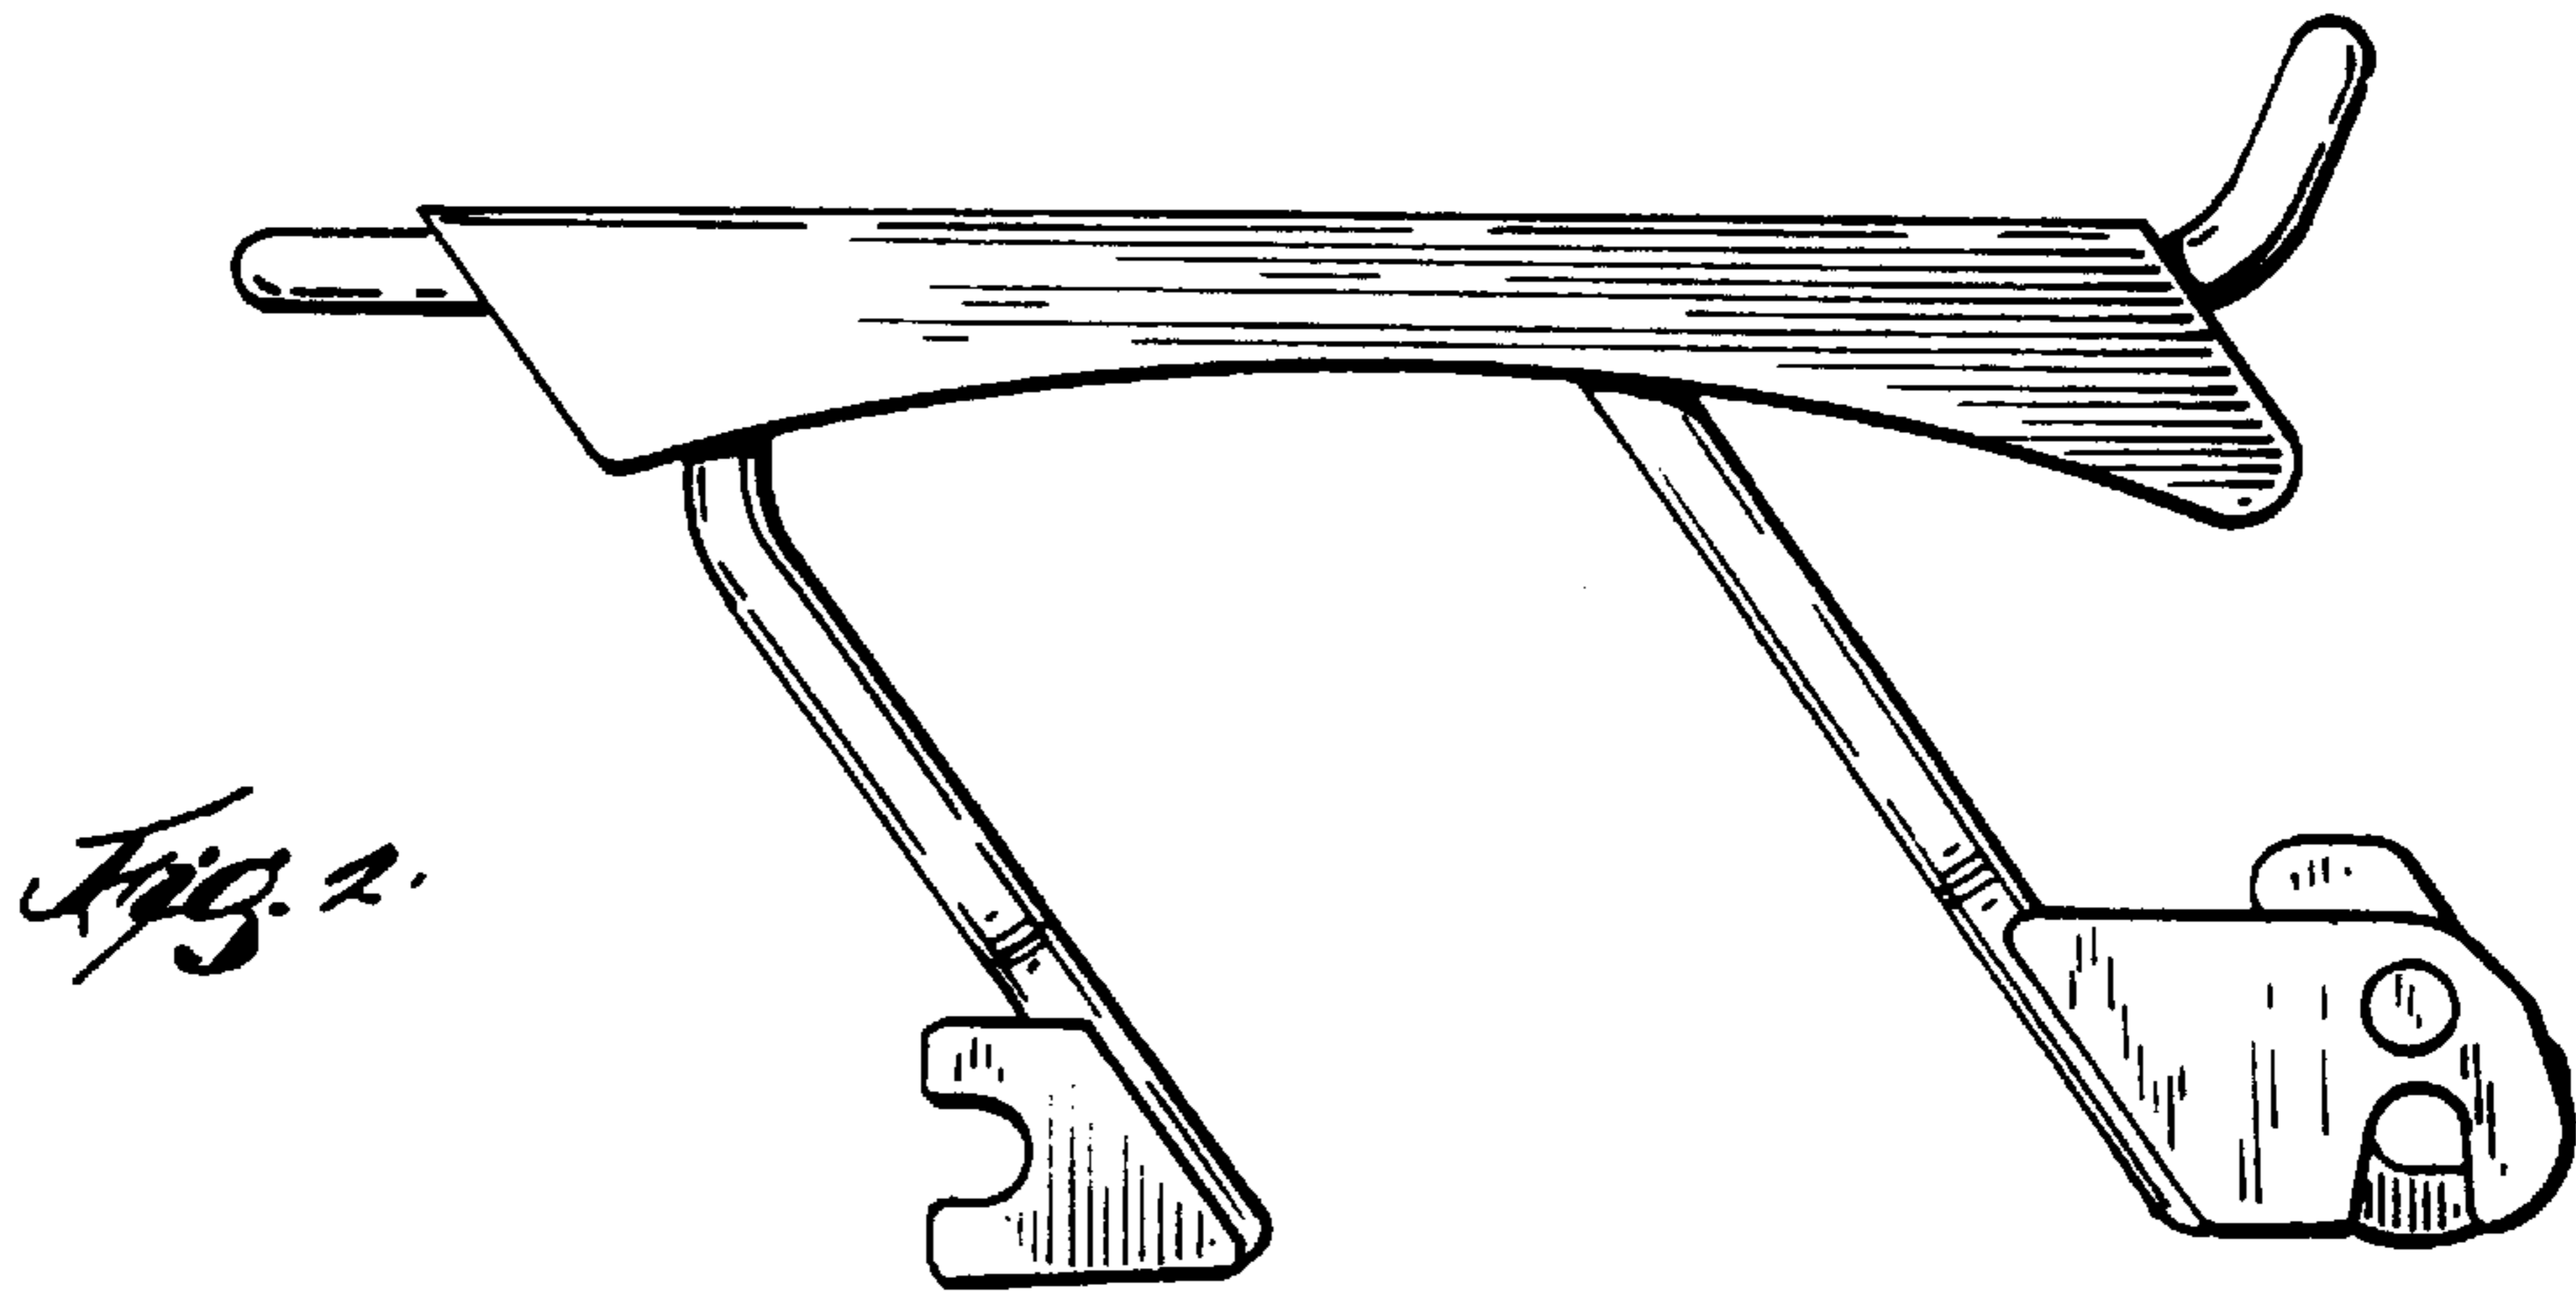

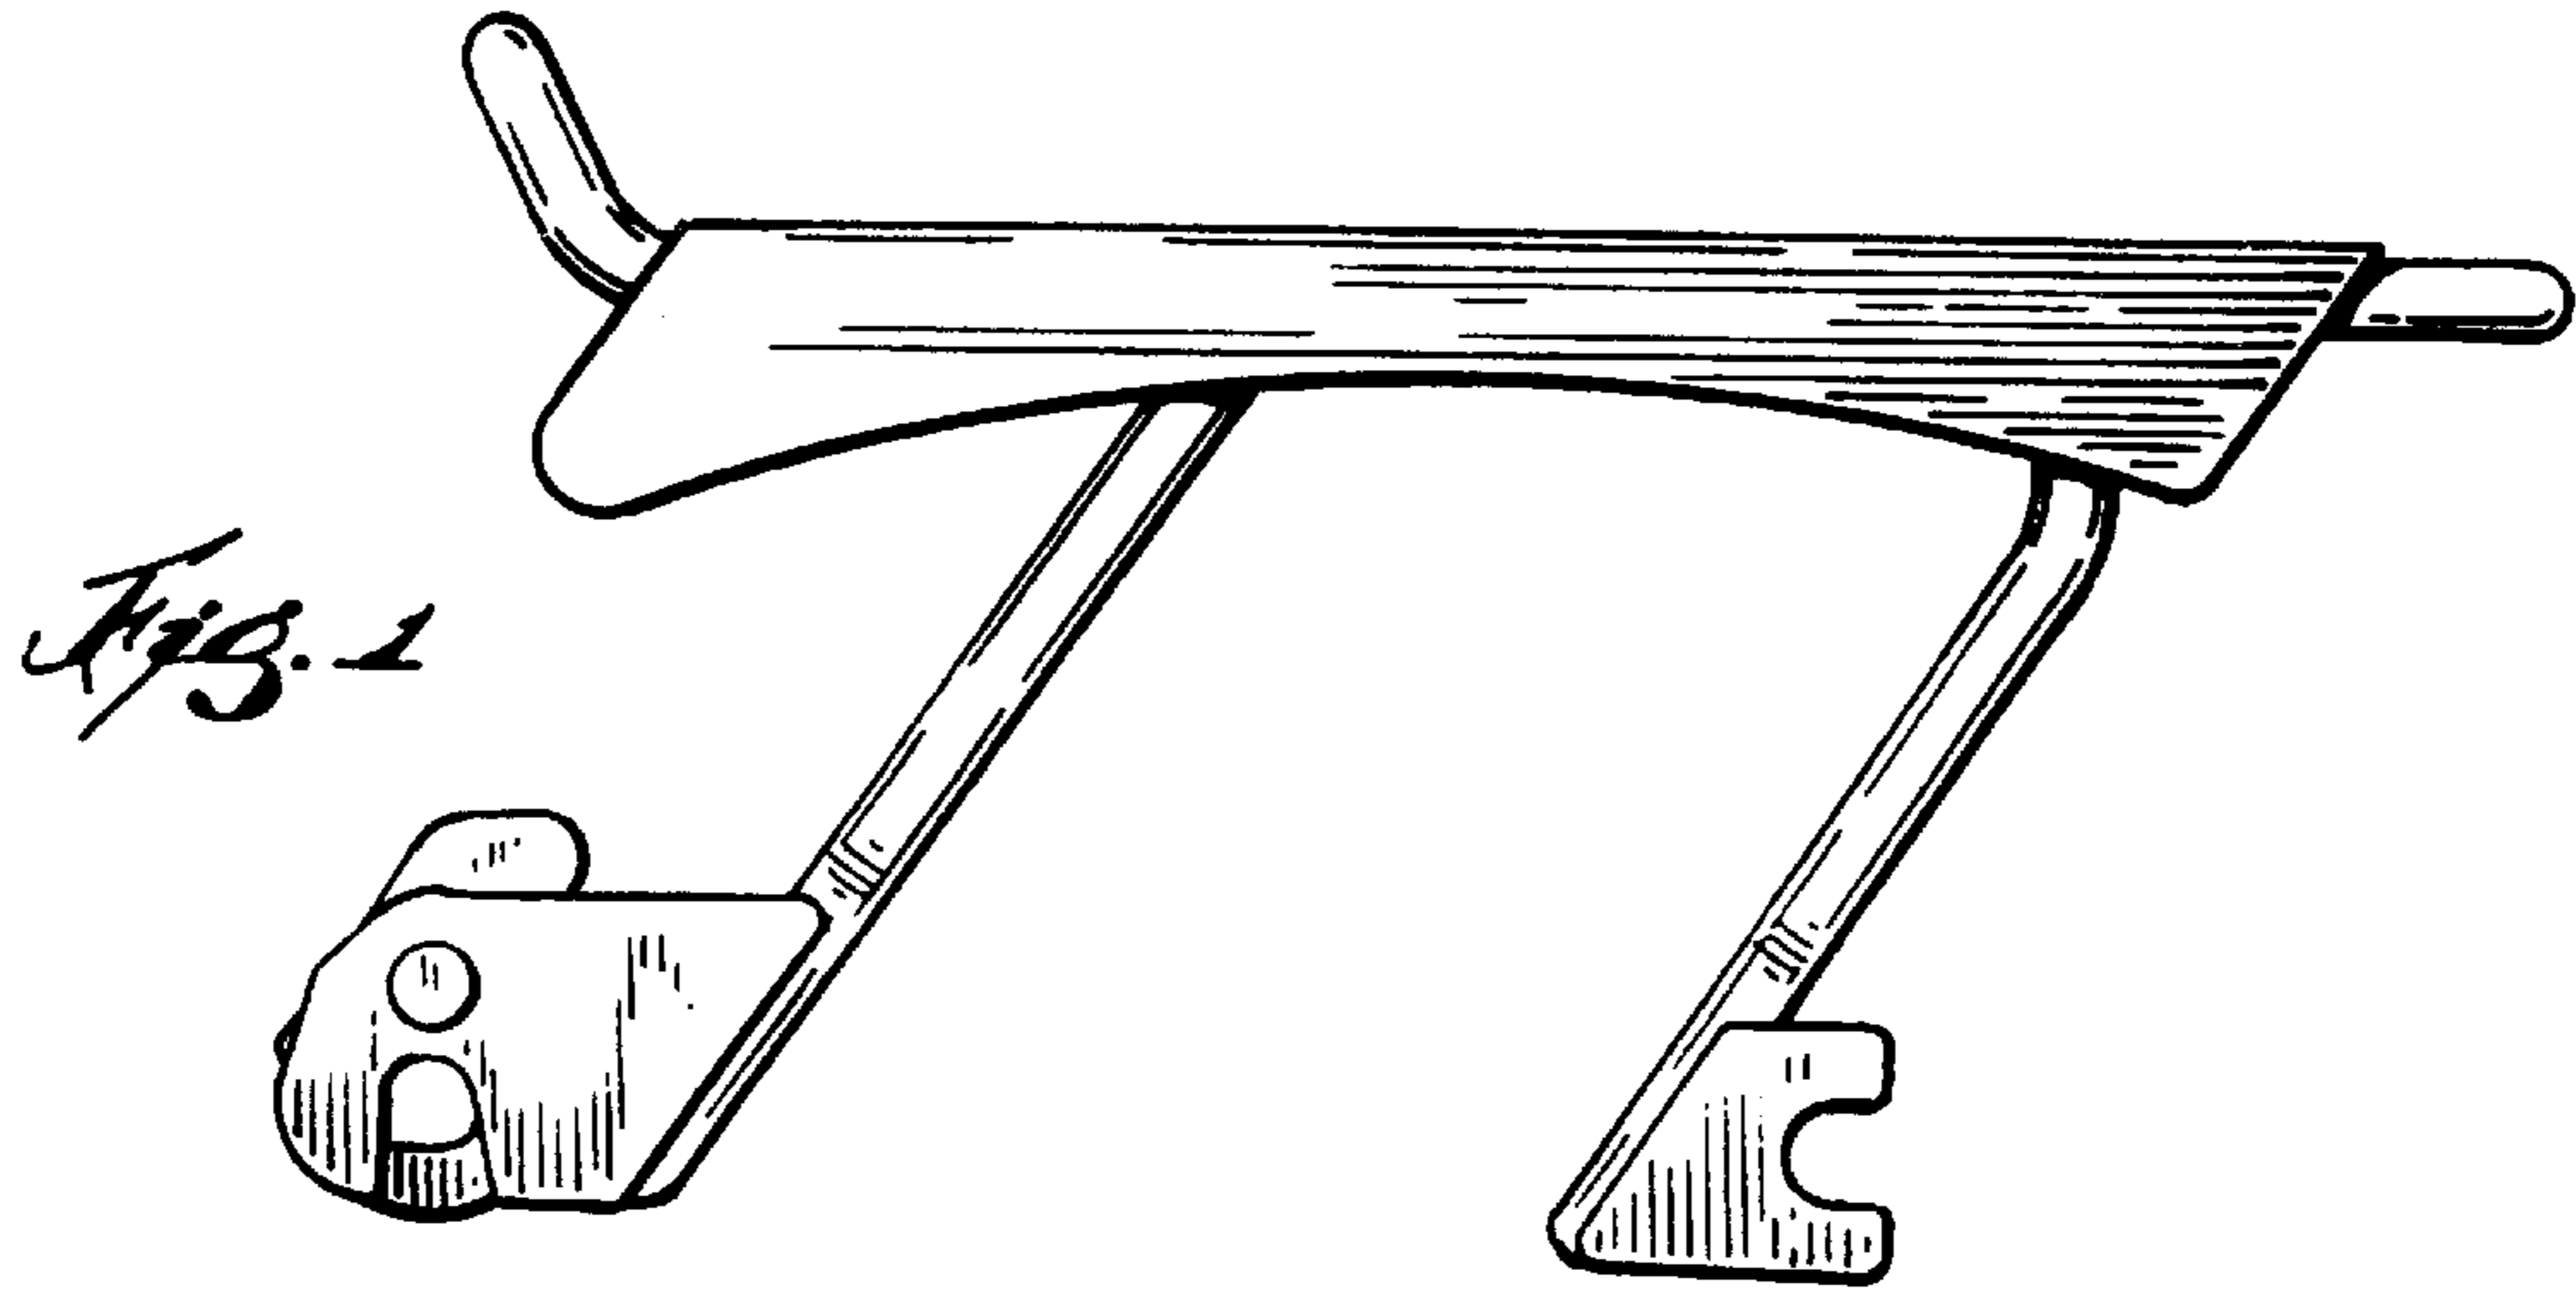

We claim the ornamental design for a motorcycle luggage carrier, as shown and described.

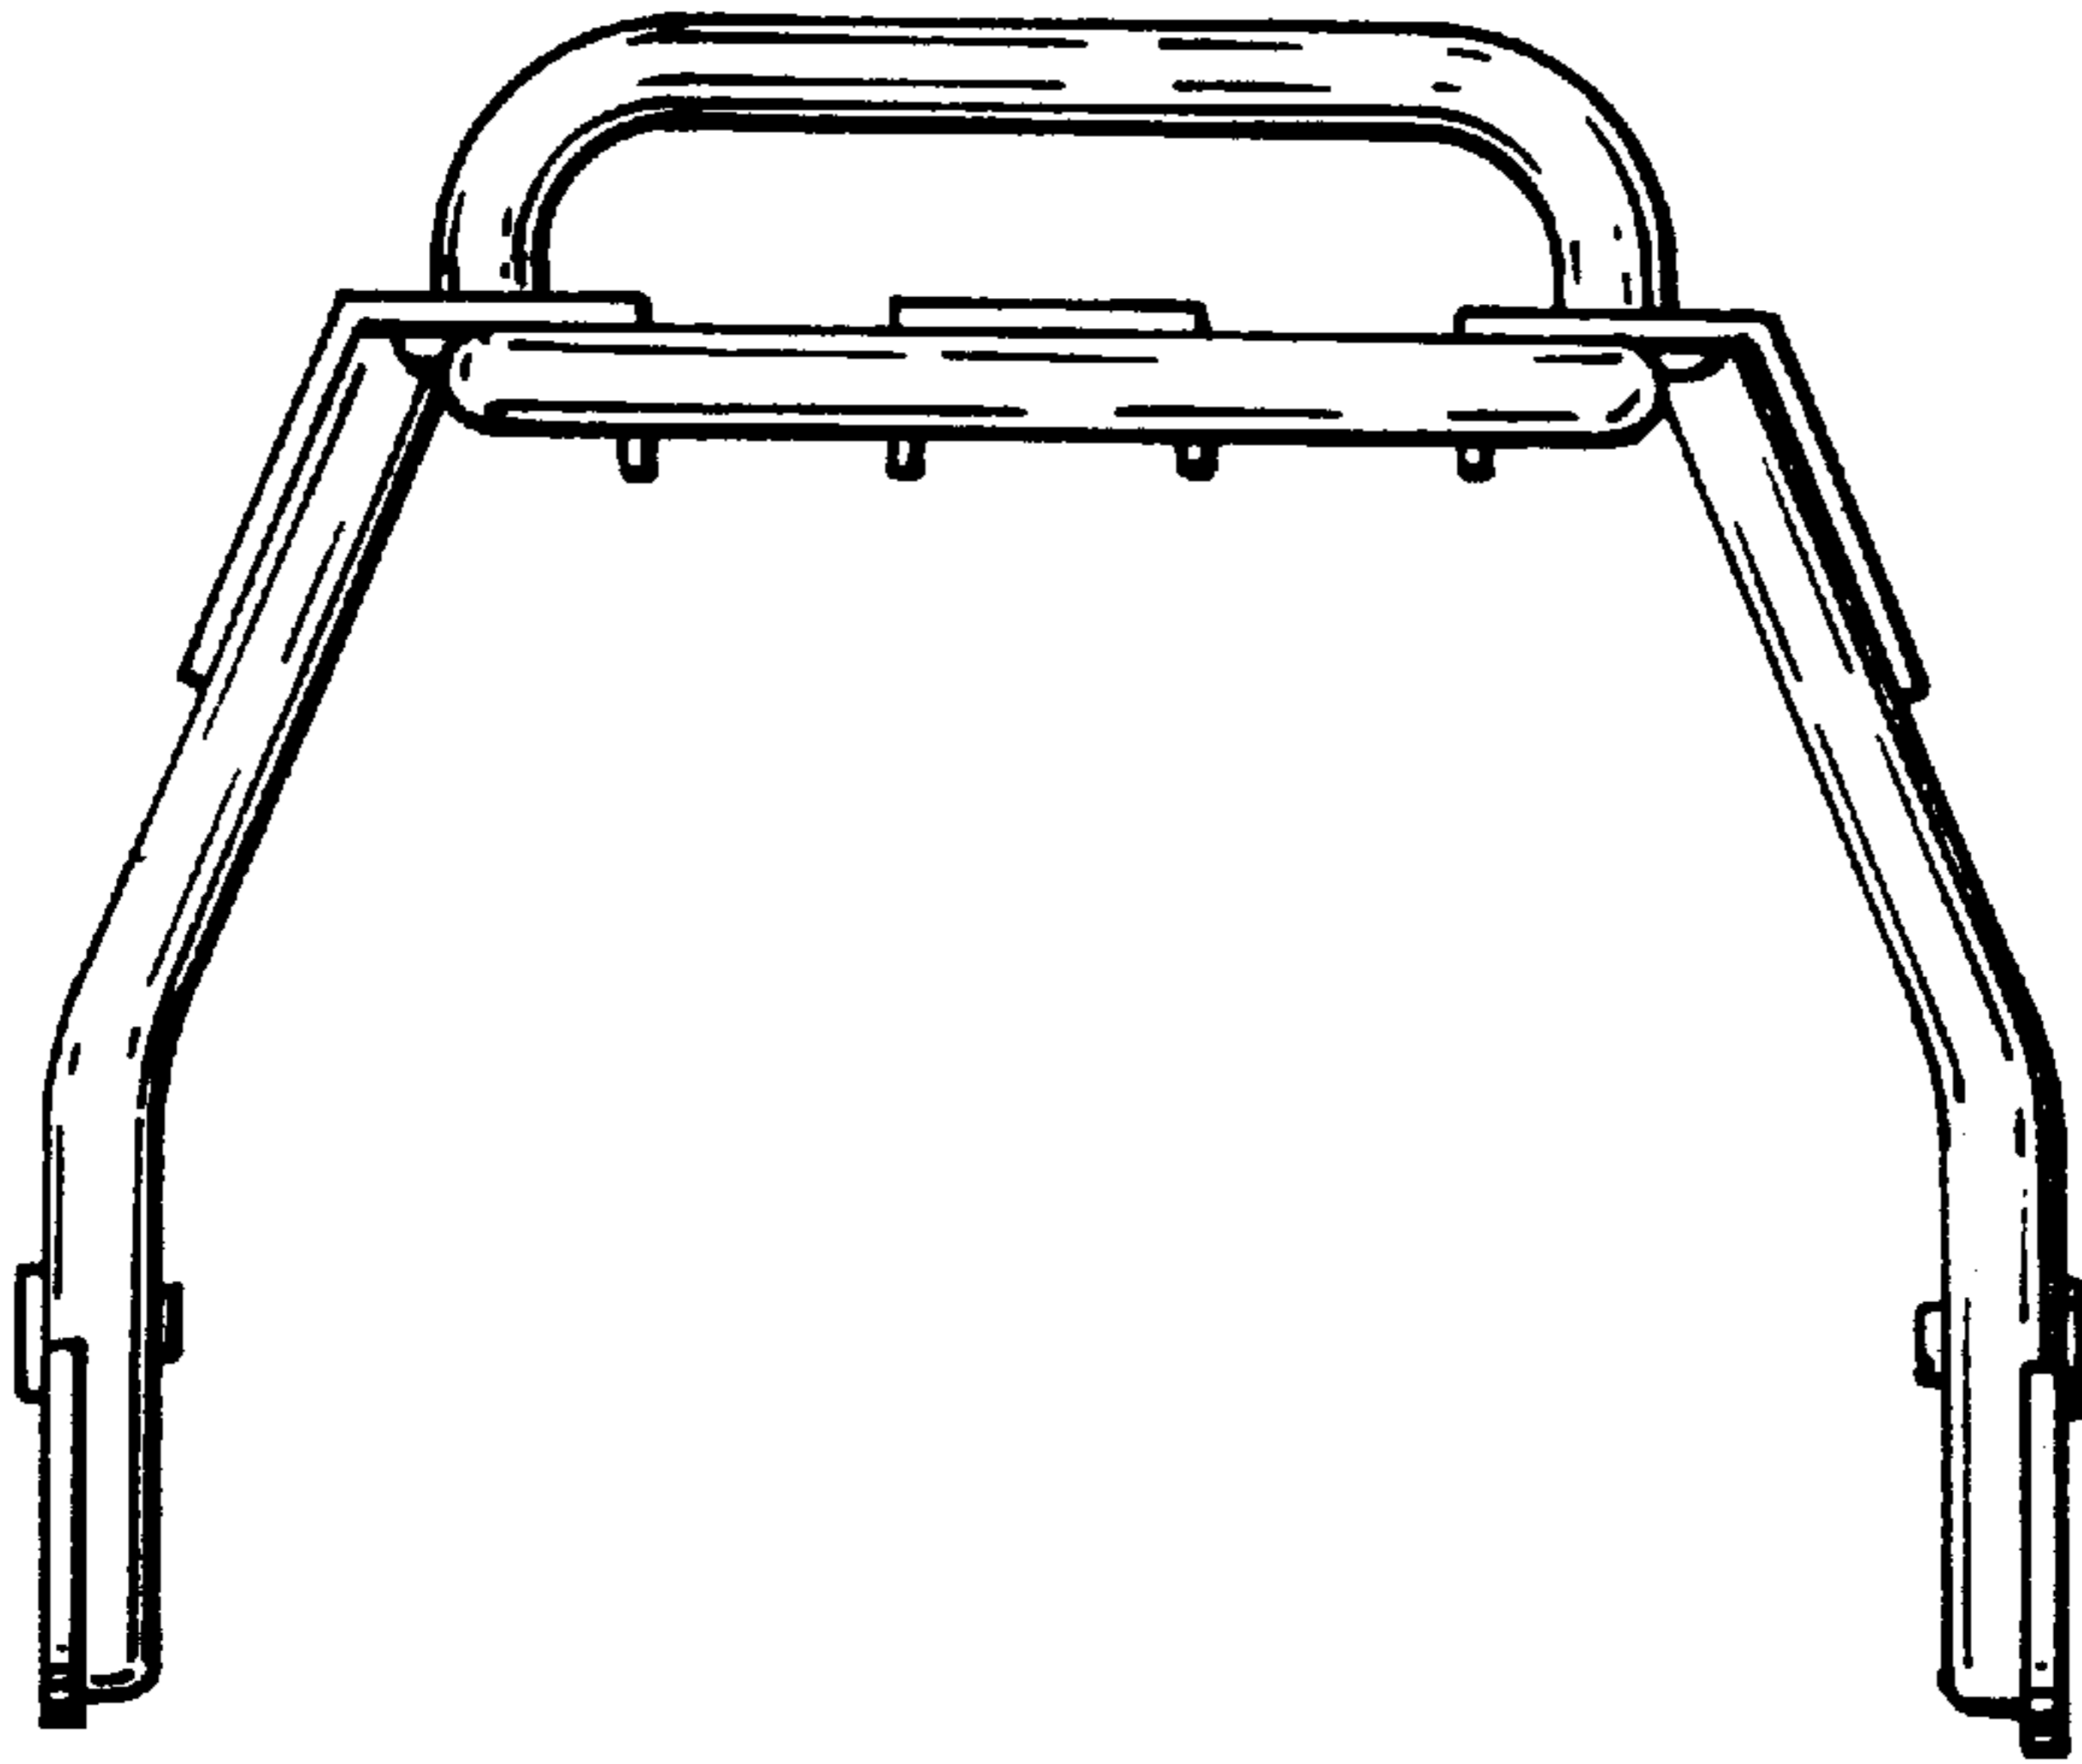

## DESCRIPTION

FIG. 1 is a right side view of a luggage rack embodying the present invention;  
FIG. 2 is a left side view of the luggage rack shown in FIG. 1;  
FIG. 3 is a top view of the luggage rack shown in FIG. 1;  
FIG. 4 is a front view of the luggage rack shown in FIG. 1; and,  
FIG. 5 is a rear view of the luggage rack shown in FIG. 1. The bottom view of the luggage rack is not visible in its normal or intended use because it is substantially obscured by the motorcycle. Therefore, the bottom view is not a matter of ornamental concern, and has been omitted from the drawings.
