[57] CLAIM

The ornamental design for side view mirror, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a side view mirror showing my new design, the broken lines illustrating the environment in which the side view mirror may be used and forming no part of the claimed design, the environment being a generic side view mirror housing with which the side view mirror can be used;
FIG. 2 is a front view thereof, showing no environment; and,
FIG. 3 is a rear view thereof, showing no environment.
