[57] **CLAIM**

The ornamental design for a receptacle having a safety cover, as shown and described.

DESCRIPTION

FIG. 1 is a front, right side perspective view of a receptacle having a safety cover, showing our new design having its safety cover in the open position;

FIG. 2 is a front elevational view thereof;

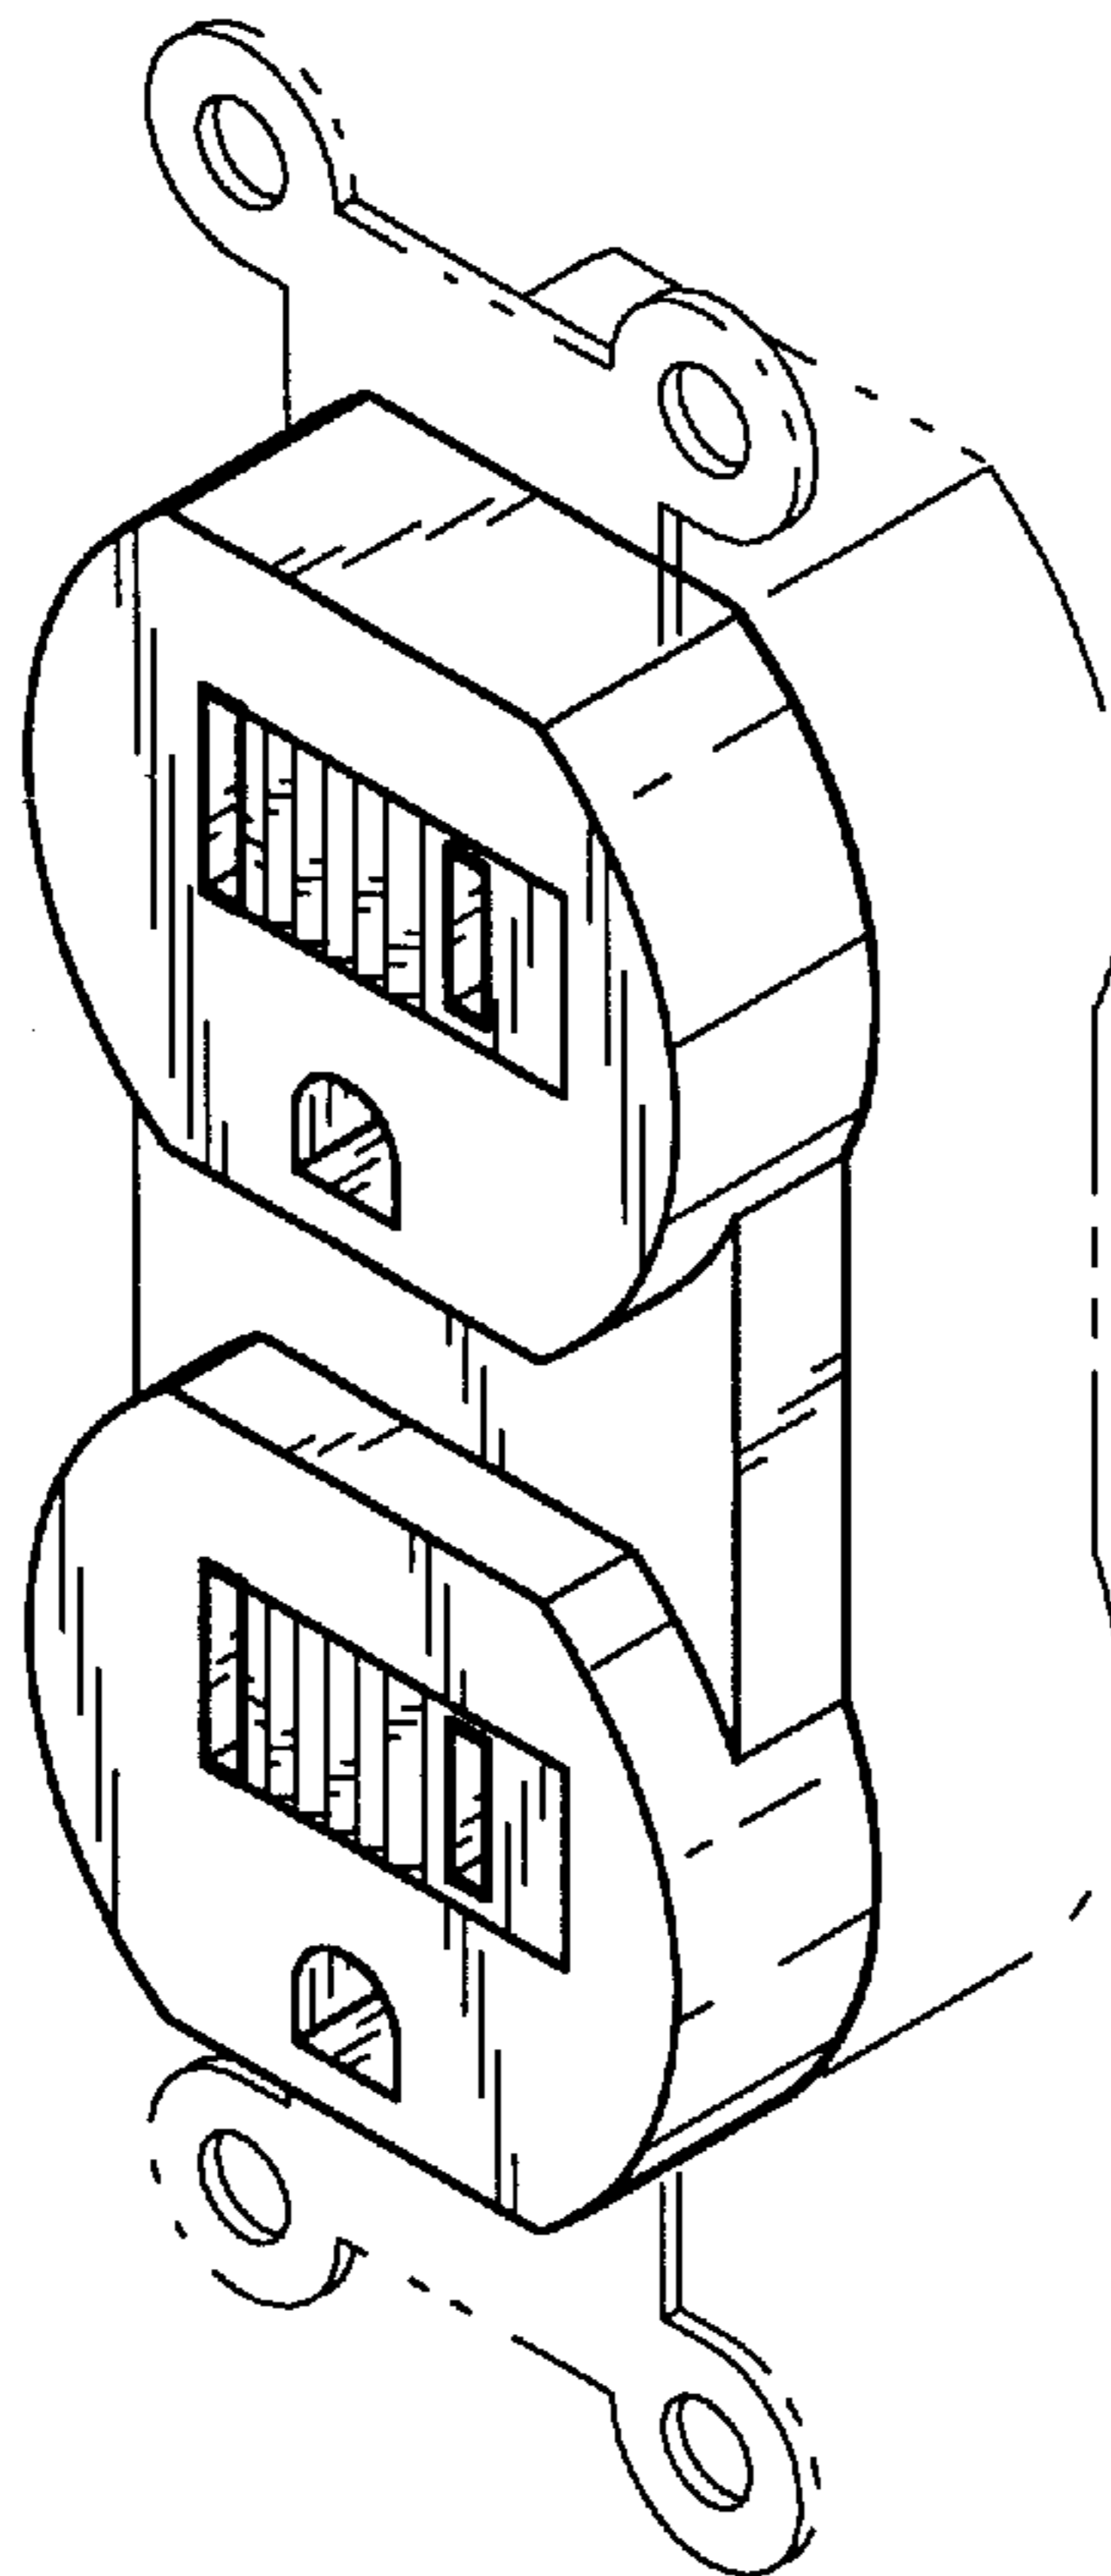

FIG. 3 is a right side elevational view thereof, the left side elevational view being a mirror image;

FIG. 4 is a bottom plan view thereof, the top plan view being a mirror image; and,

FIG. 5 a front elevational view thereof having its safety cover in its closed position.

The rear surface of the claimed design is flat and unornamented. The broken lines are shown for illustrative purposes only and form no part of the claimed design.
