[57] **CLAIM**

The ornamental design for a tool for precision haircutting, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a tool for precision haircutting, showing my new design;  
FIG. 2 is a front elevation view, the rear elevation view being a mirror image thereof;  
FIG. 3 is a top plan view;  
FIG. 4 is a left side elevation view; and,  
FIG. 5 is a right side elevation view.  
The undisclosed bottom edge of the spine forms no part of the claimed design.
