[57] **CLAIM**

The ornamental design for the transparent mesh sign for windows, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the transparent mesh sign for windows showing my new design, where the sign is shown in position and secured to the window of an automobile. The broken line showing of the automobile is for illustrative purposes only and forms no part of the claimed design; FIG. 2 is an enlarged front elevational view of the transparent mesh sign for windows; FIG. 3 is a side elevational view of FIG. 2, the opposite being a mirror image; and, FIG. 4 is a rear elevational view of FIG. 2.
