[57] **CLAIM**

The ornamental design for a “swing training golf ball”, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of a swing training golf ball showing my new design, in accordance with a first embodiment of the present invention;

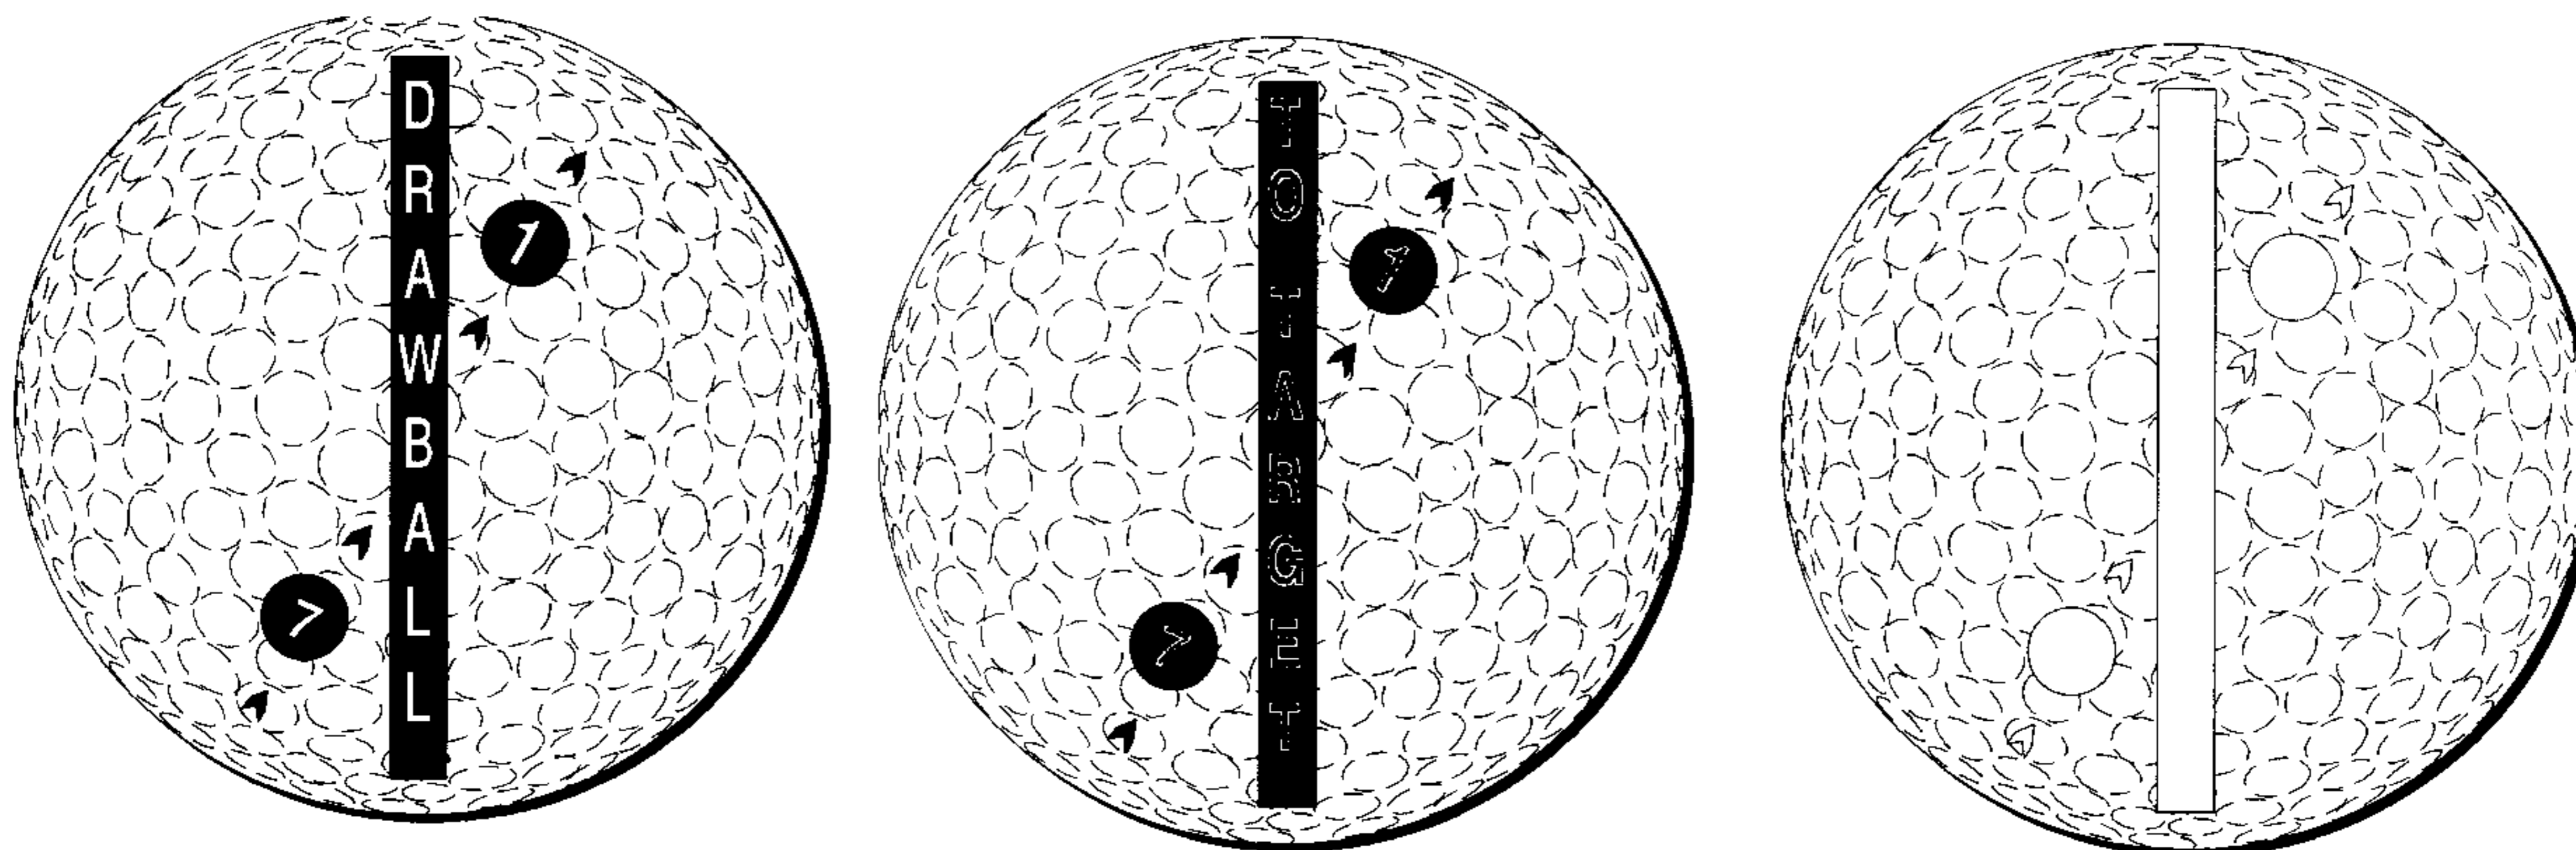

FIG. 2 is a front view of a swing training golf ball showing my new design, in accordance with a second embodiment of the present invention, shown with representative letters and numbers represented by broken lines to indicate that these numbers and letters are not a part of this embodiment of the invention; and,

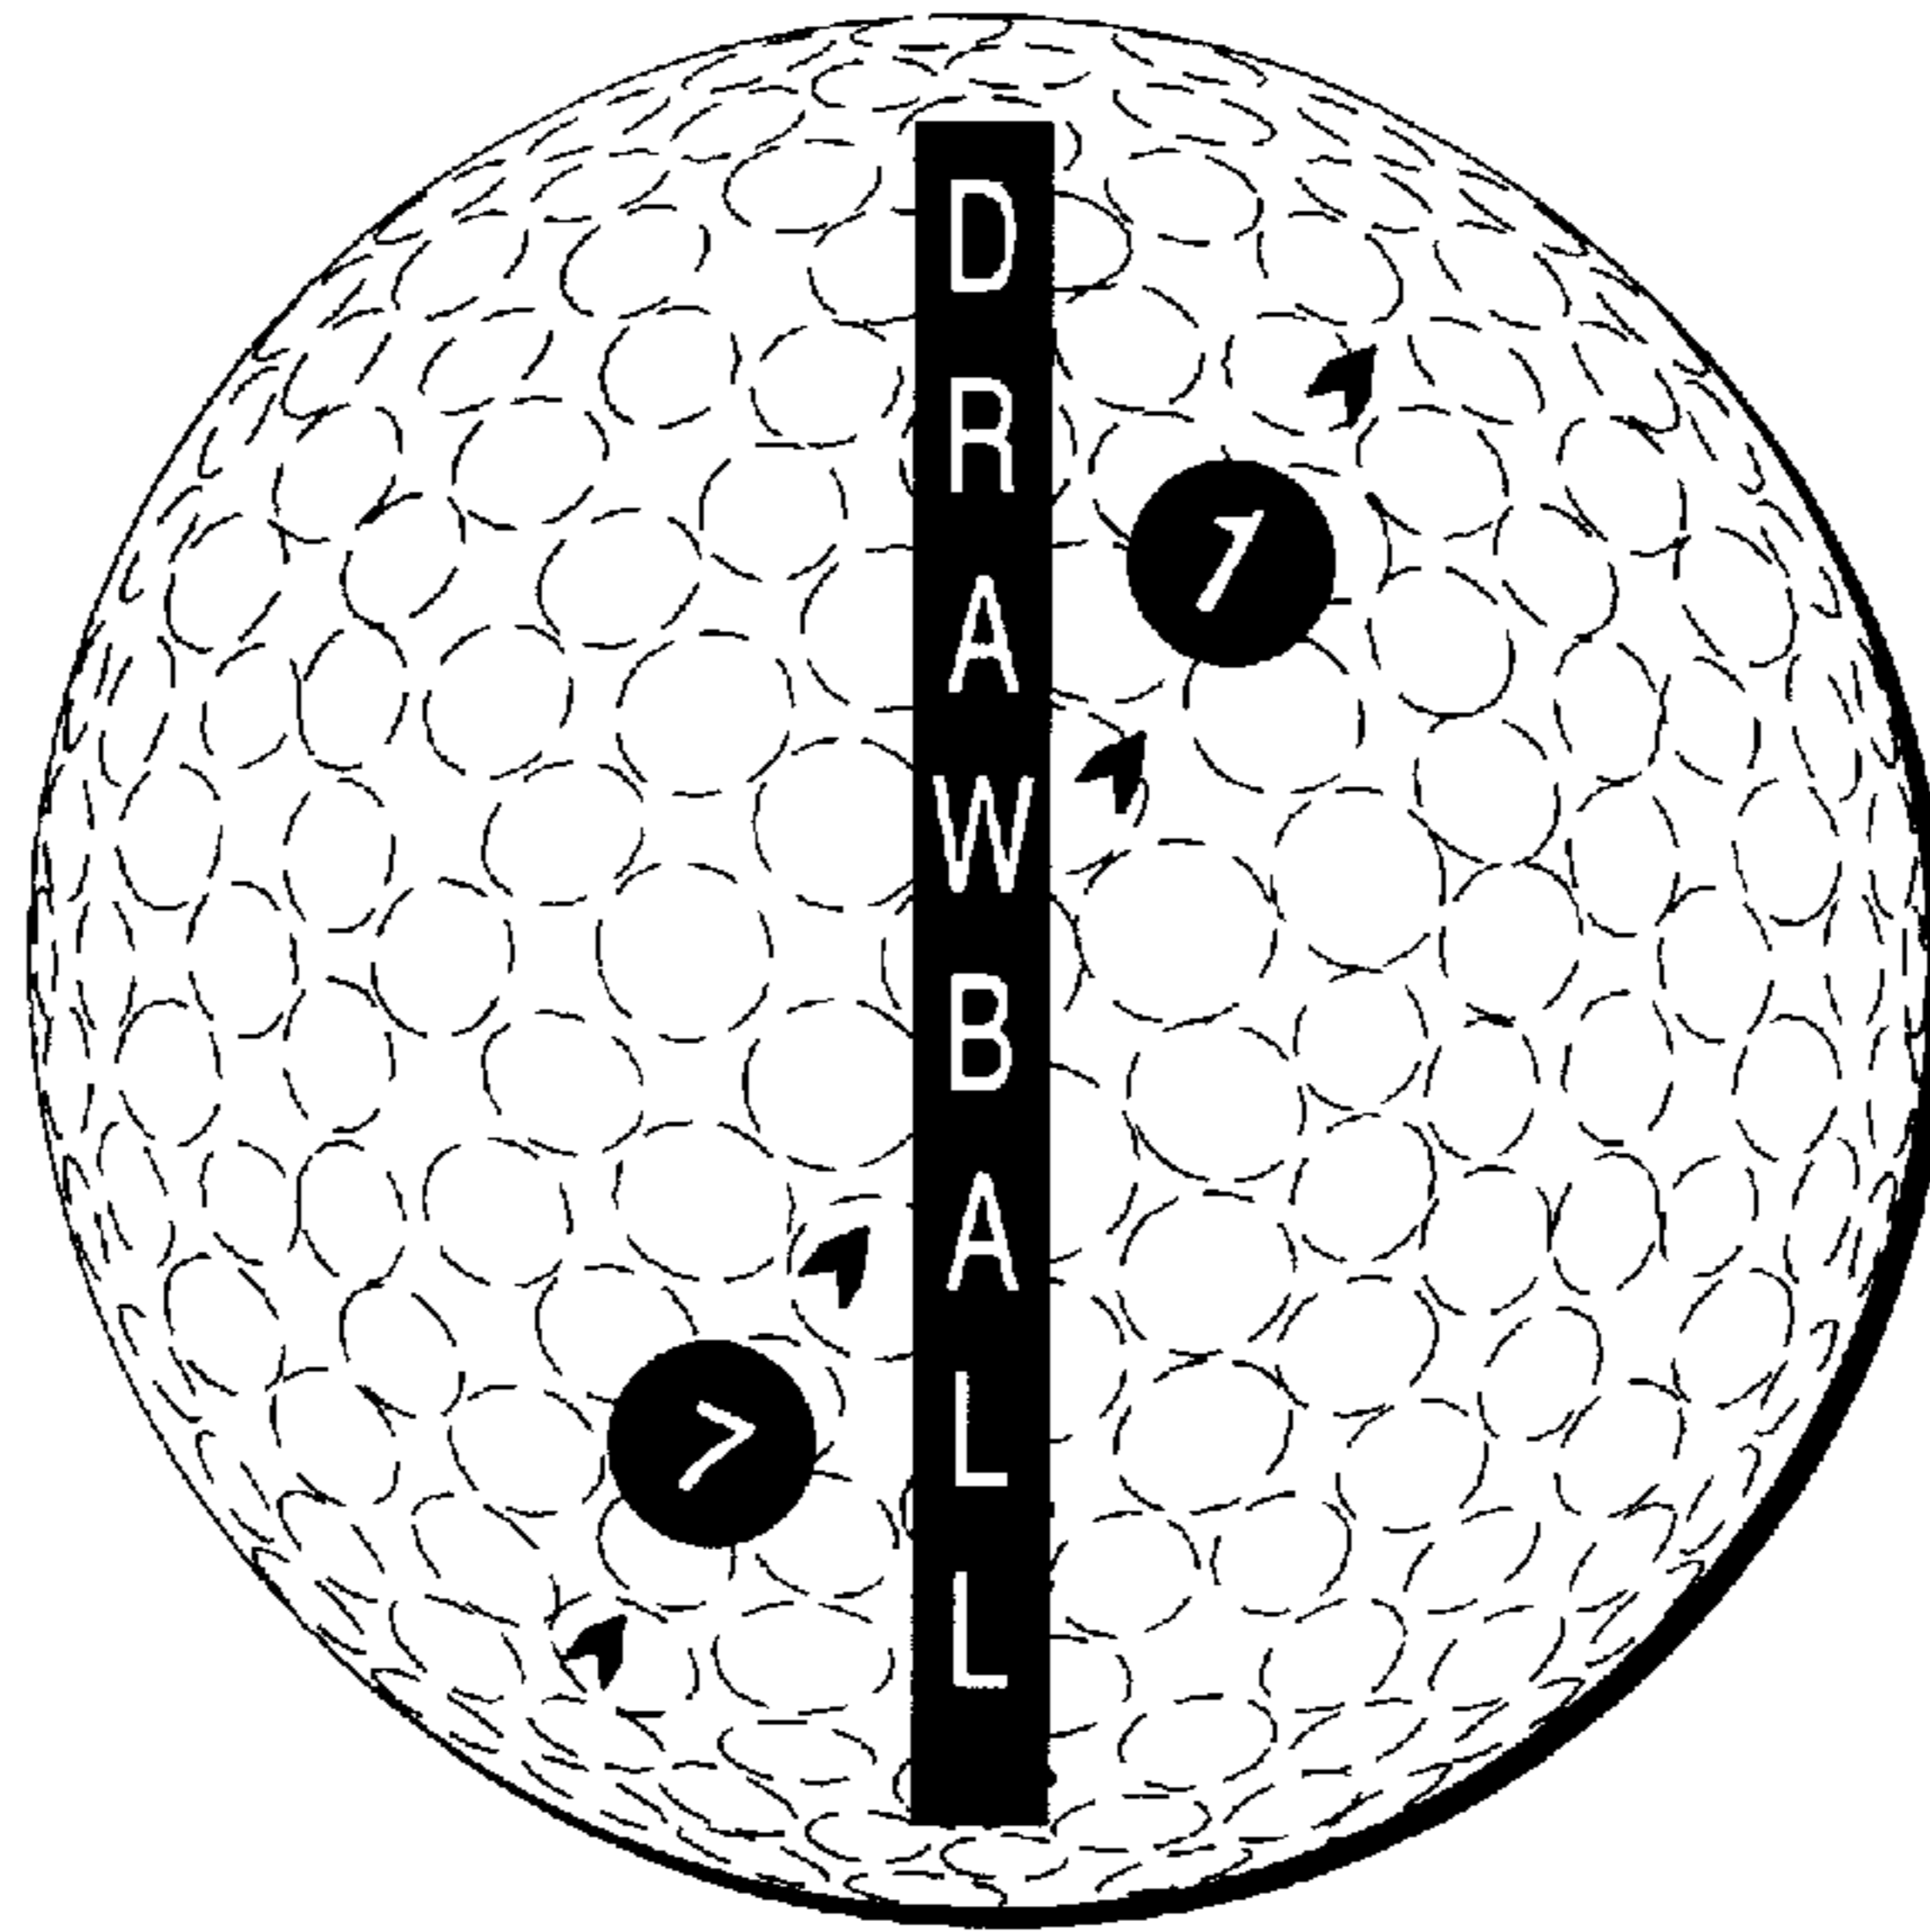

FIG. 3 is a front view of a swing training golf ball showing my new design, in accordance with a third embodiment of the present invention.

The broken line showing of golf ball dimples in FIGS. 1-3 is for illustrative purposes only and forms no part of the claimed design.

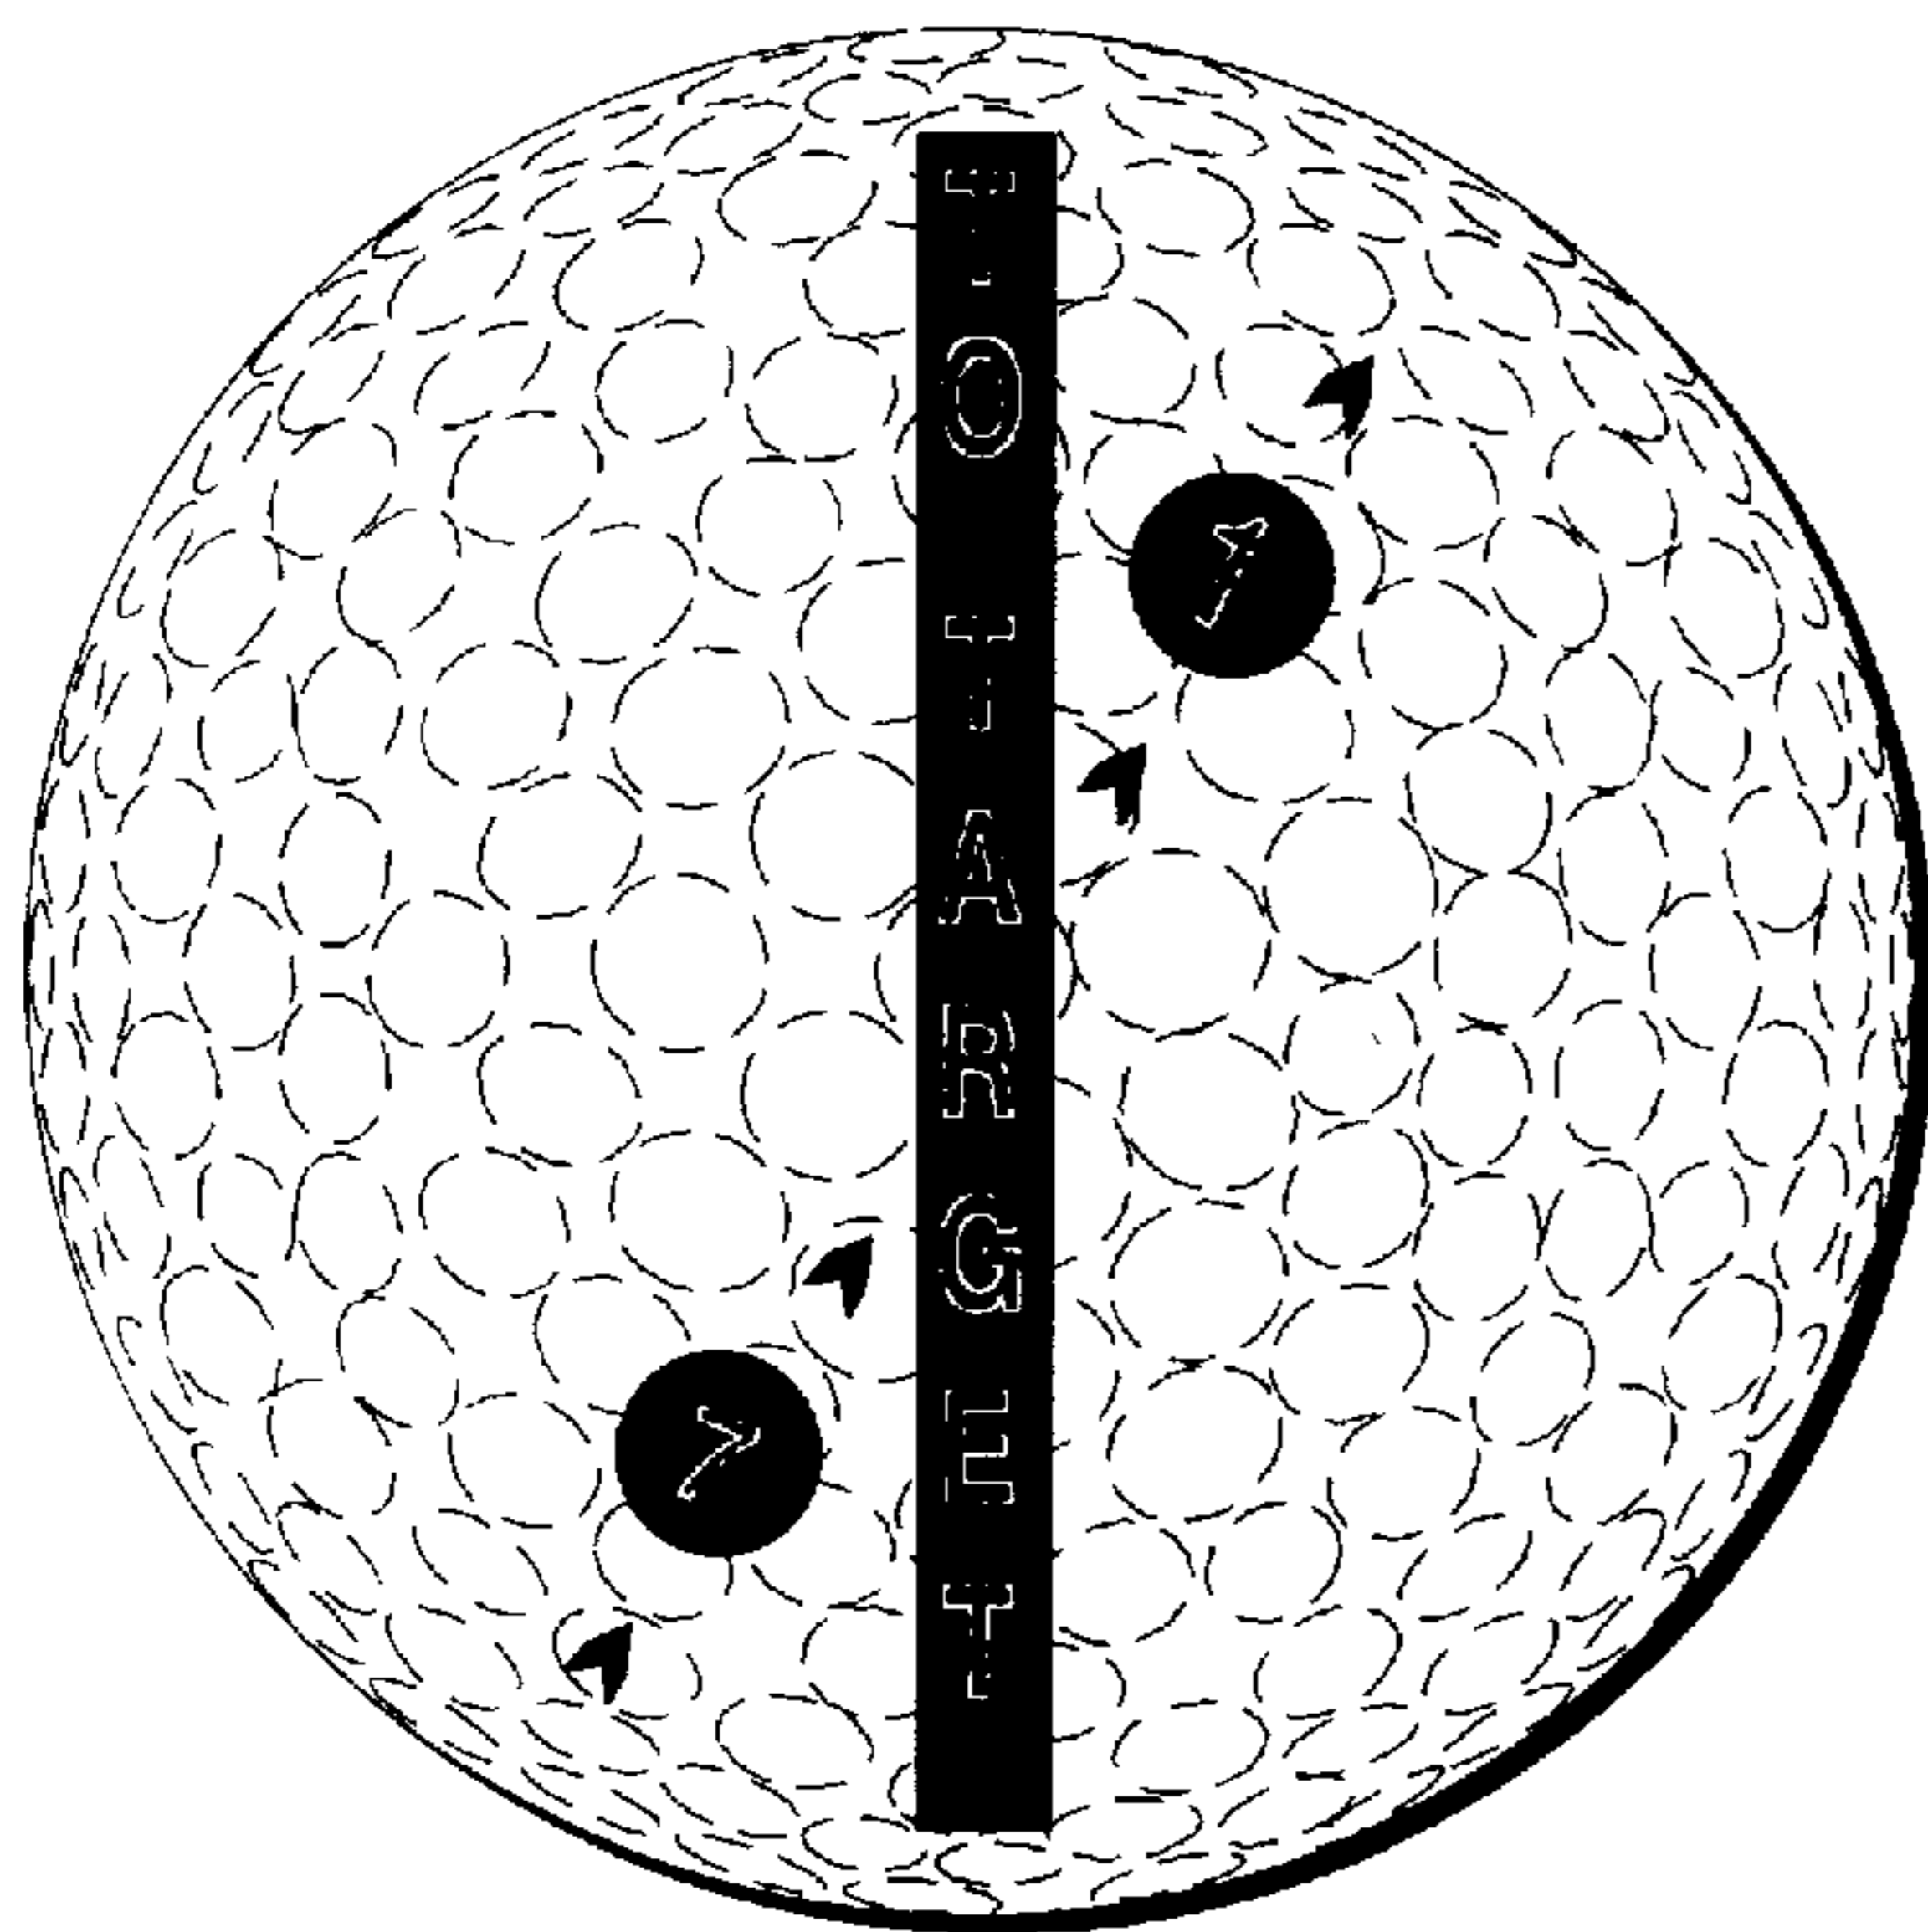

The opposite side of each of the embodiments is unornamented.
