### [57] CLAIM

The ornamental design for a front exterior surface configuration of a vehicle wheel, as shown and described.

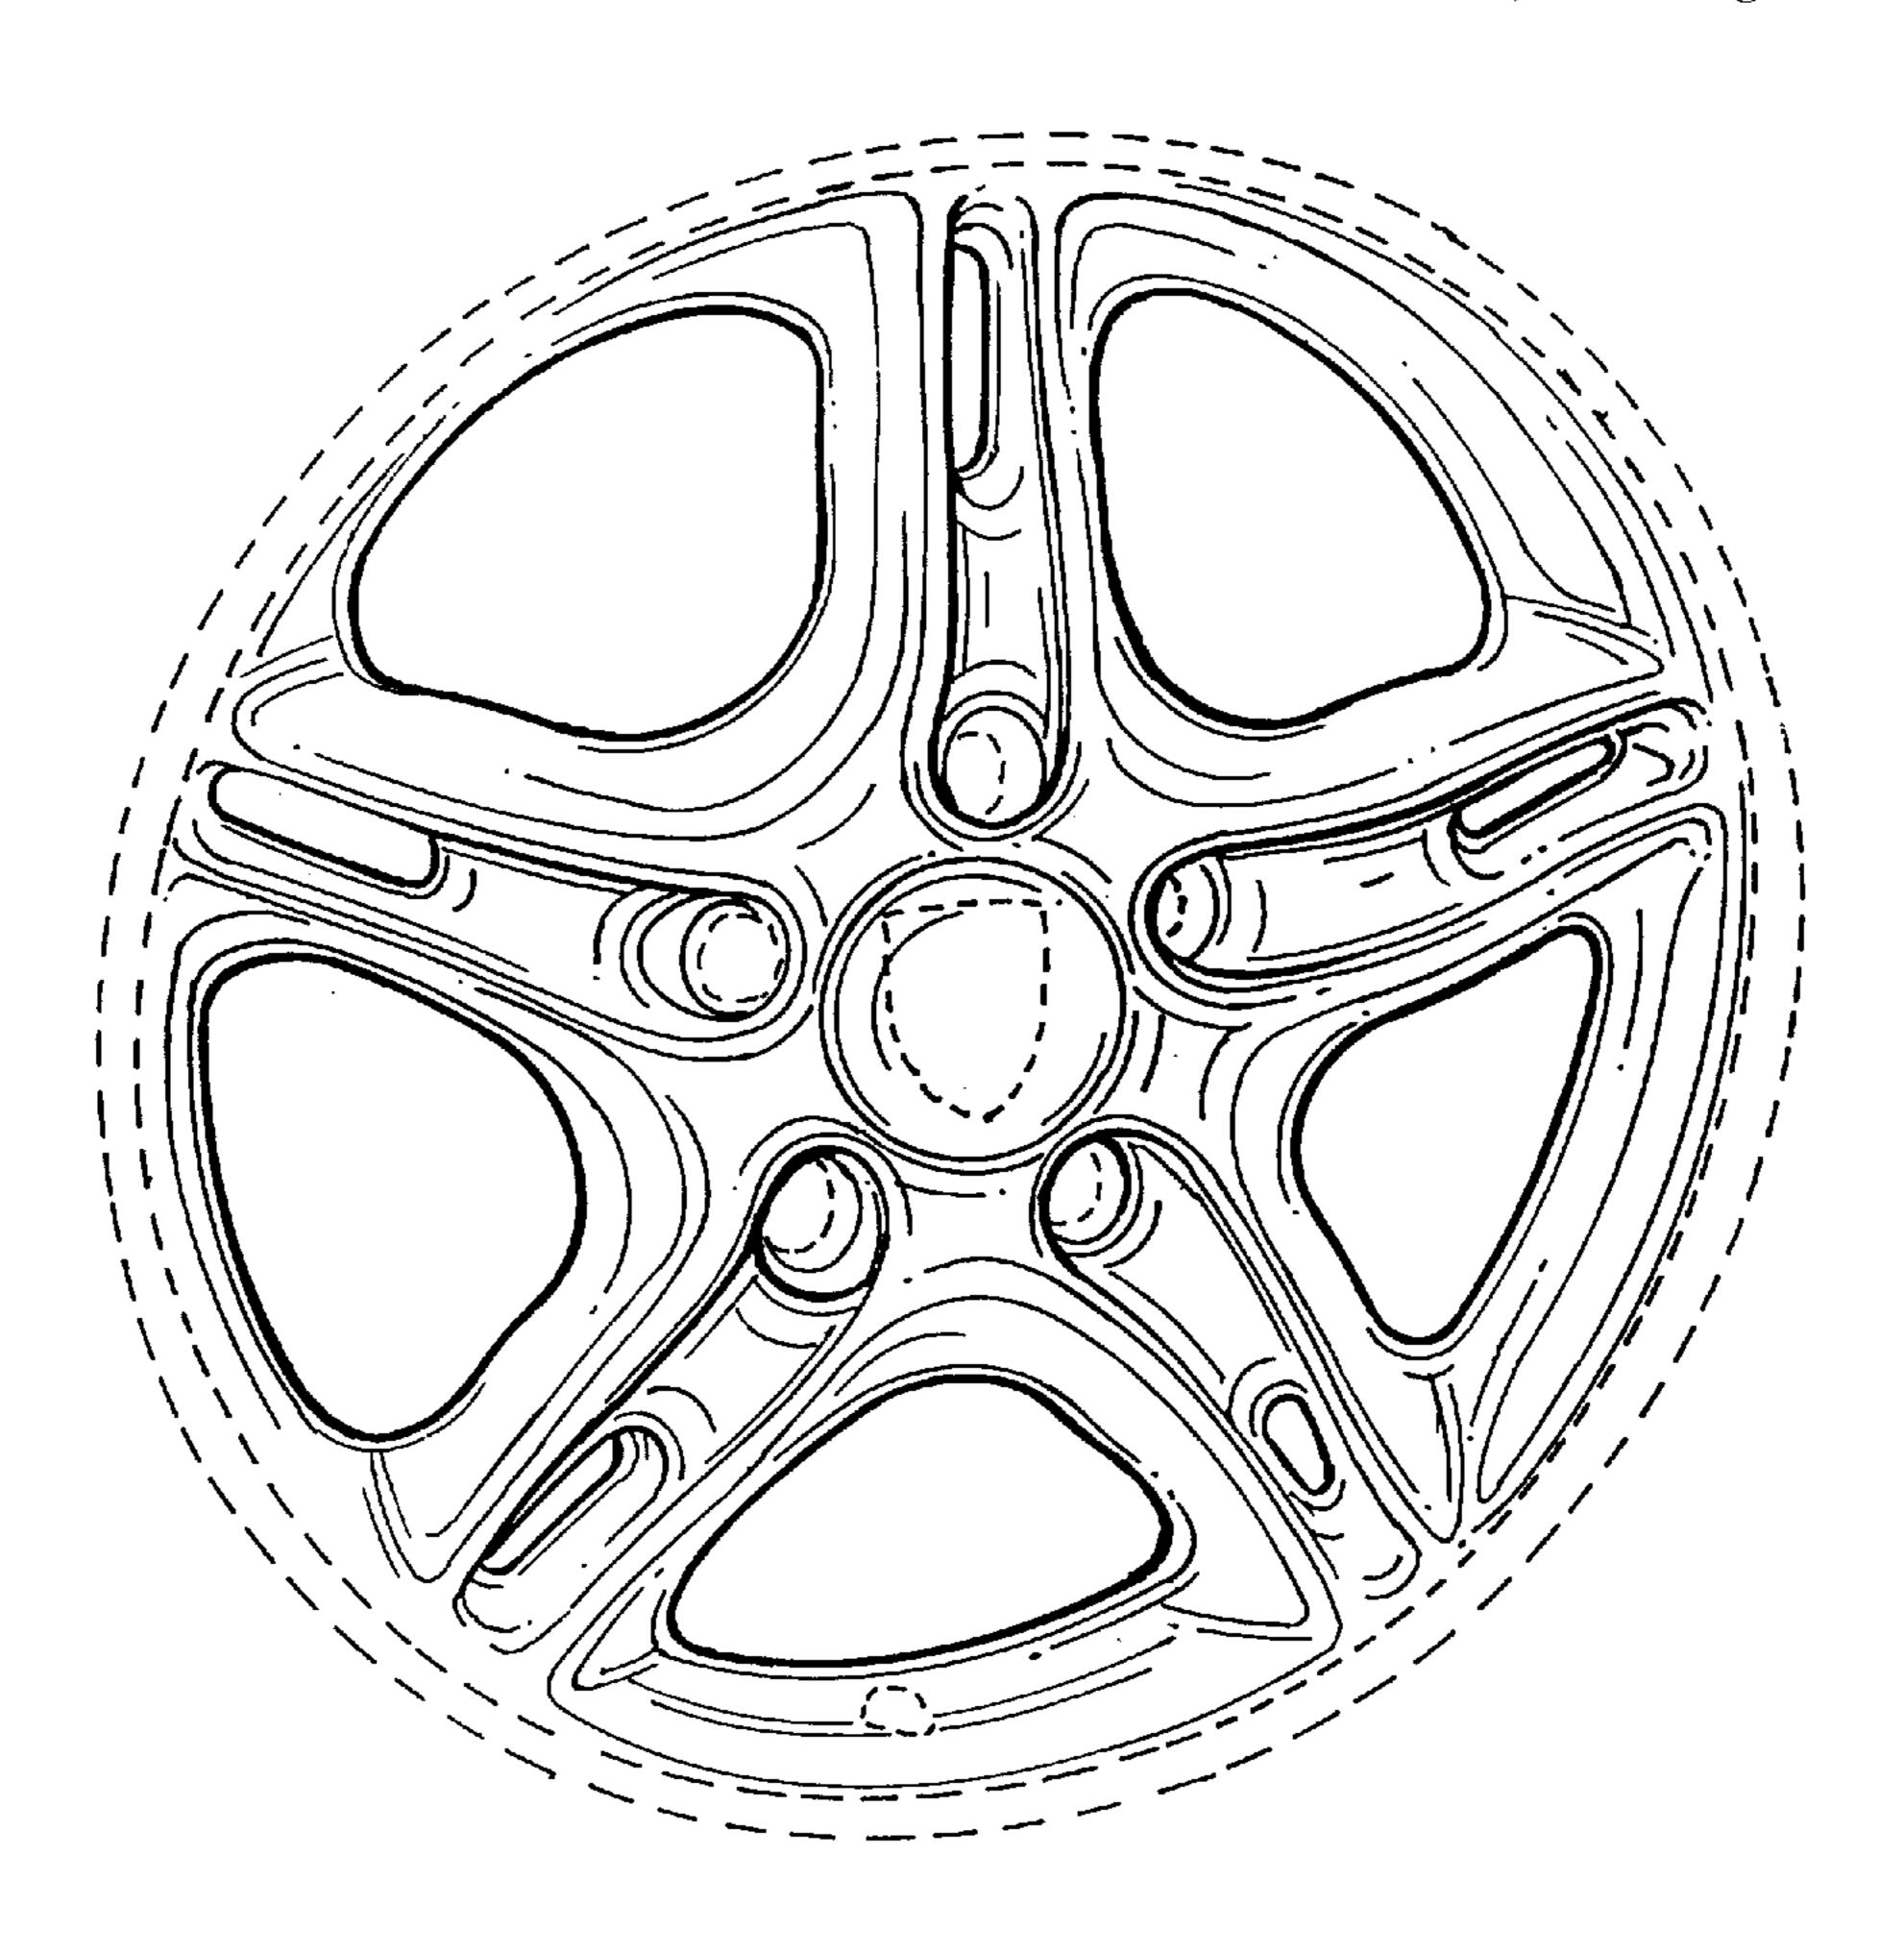

#### **DESCRIPTION**

FIG. 1 is a perspective view of a front exterior surface configuration of a vehicle wheel according to my novel design; and,

FIG. 2 is a front view of the front exterior surface configuration of a vehicle wheel according to my novel design.

The inner most circumferential broken line which defines the bounds of the claimed design forms no part thereof while the remaining broken lines depict environment for illustrative purposes only and forms no part of the claimed design.

#### 1 Claim, 1 Drawing Sheet

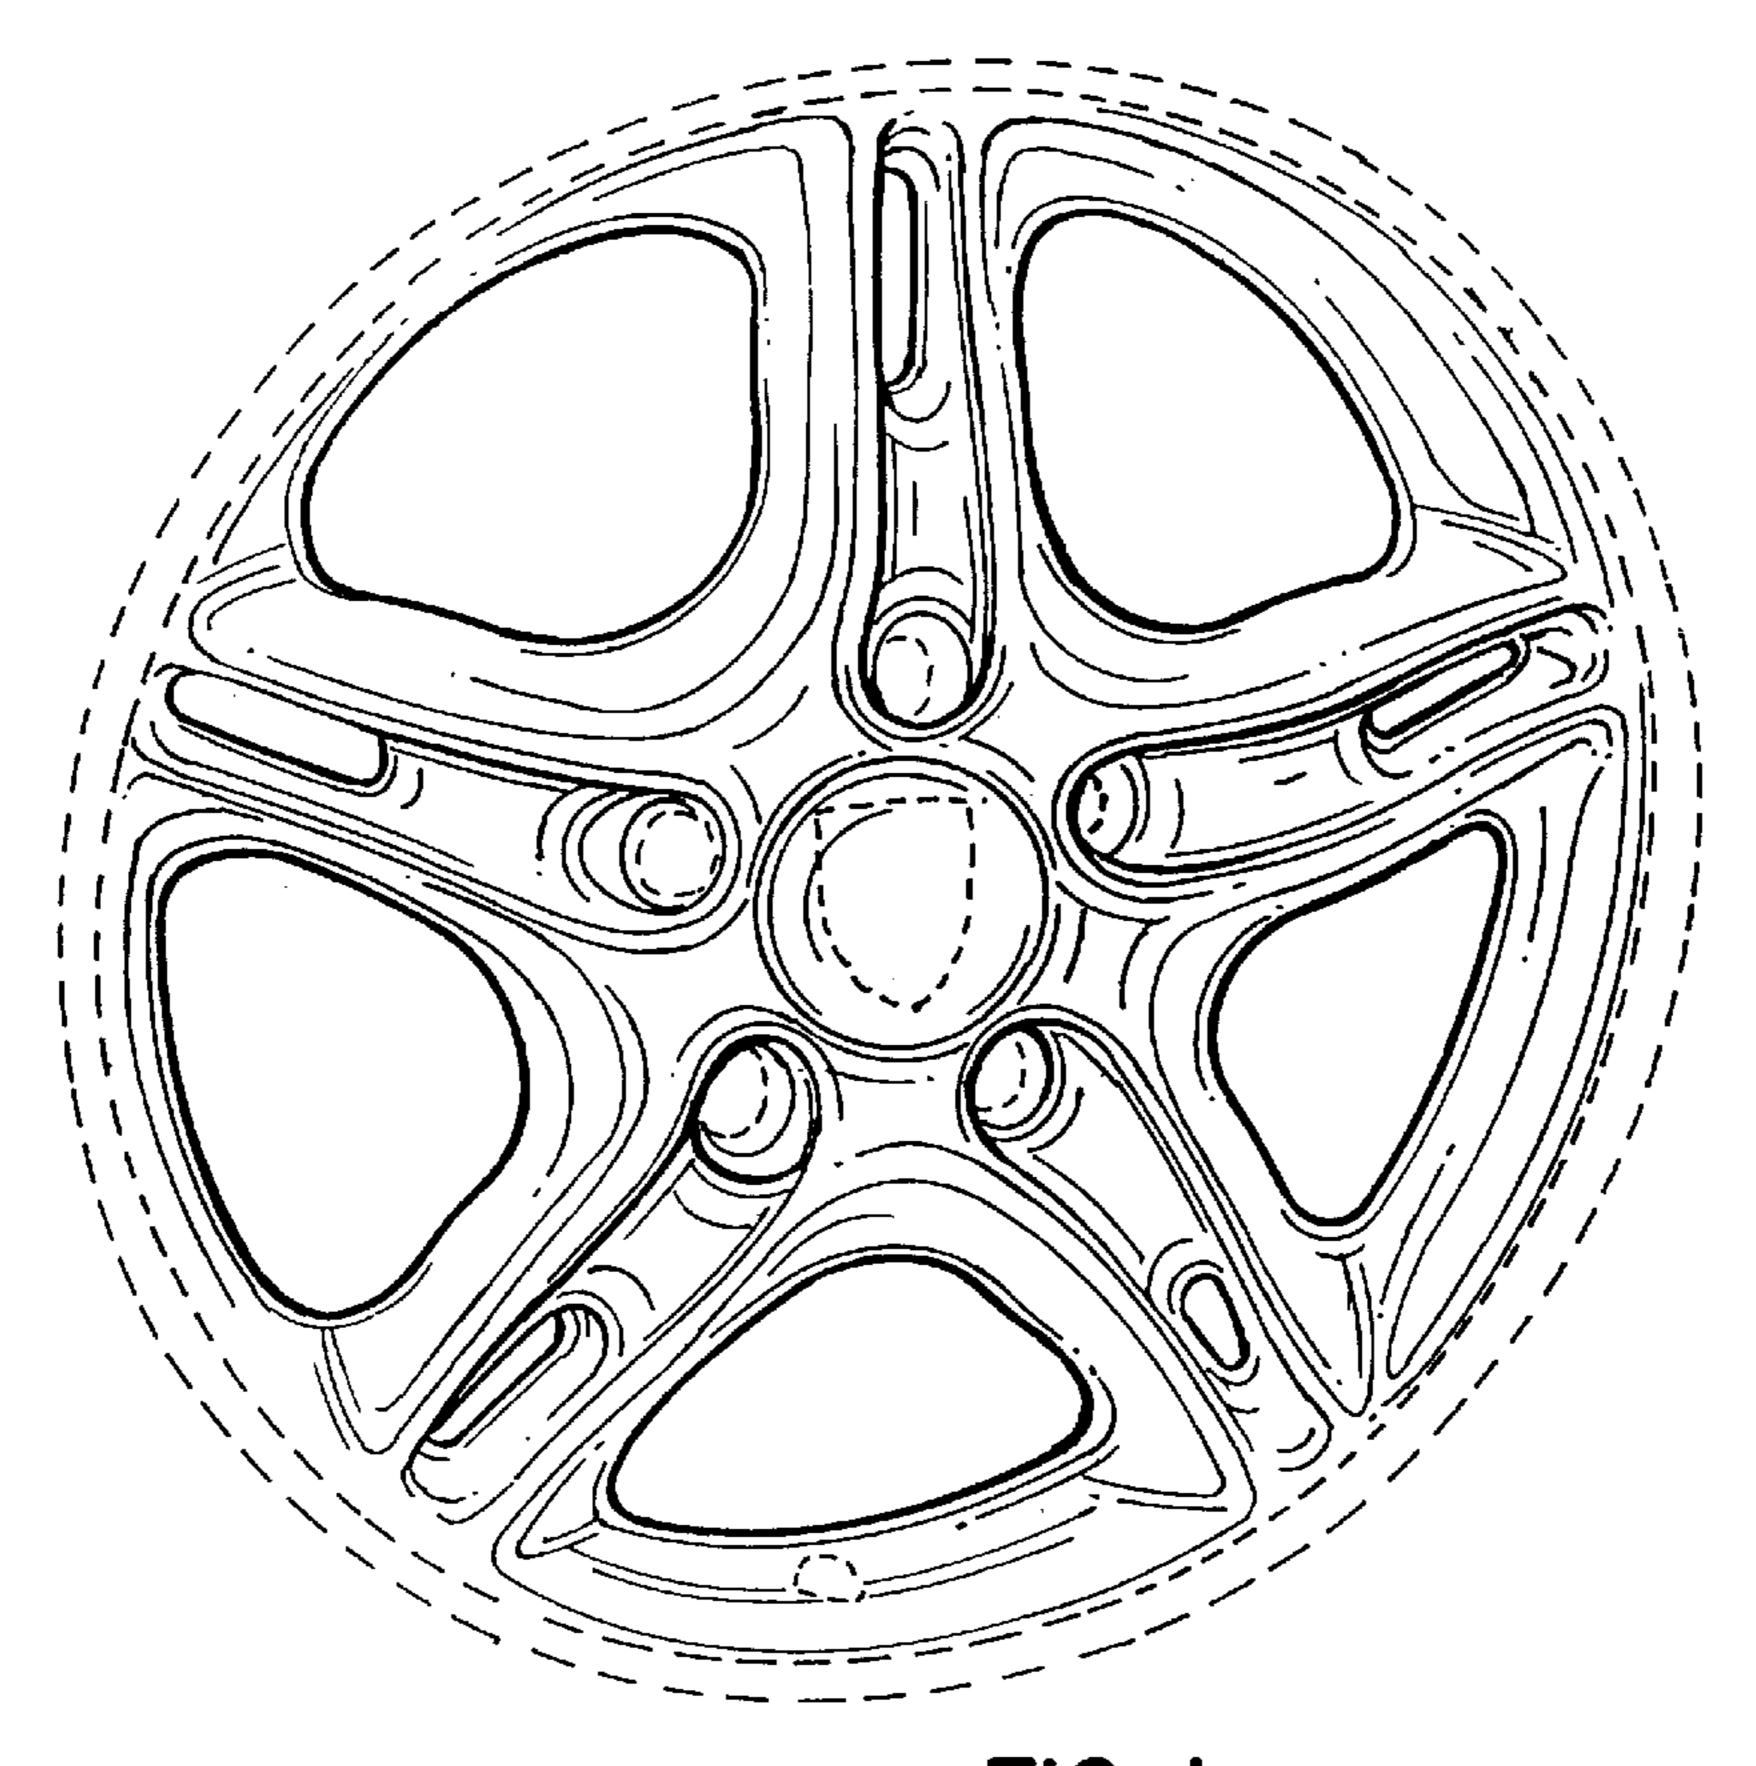

FIG. 1
