[57] **CLAIM**

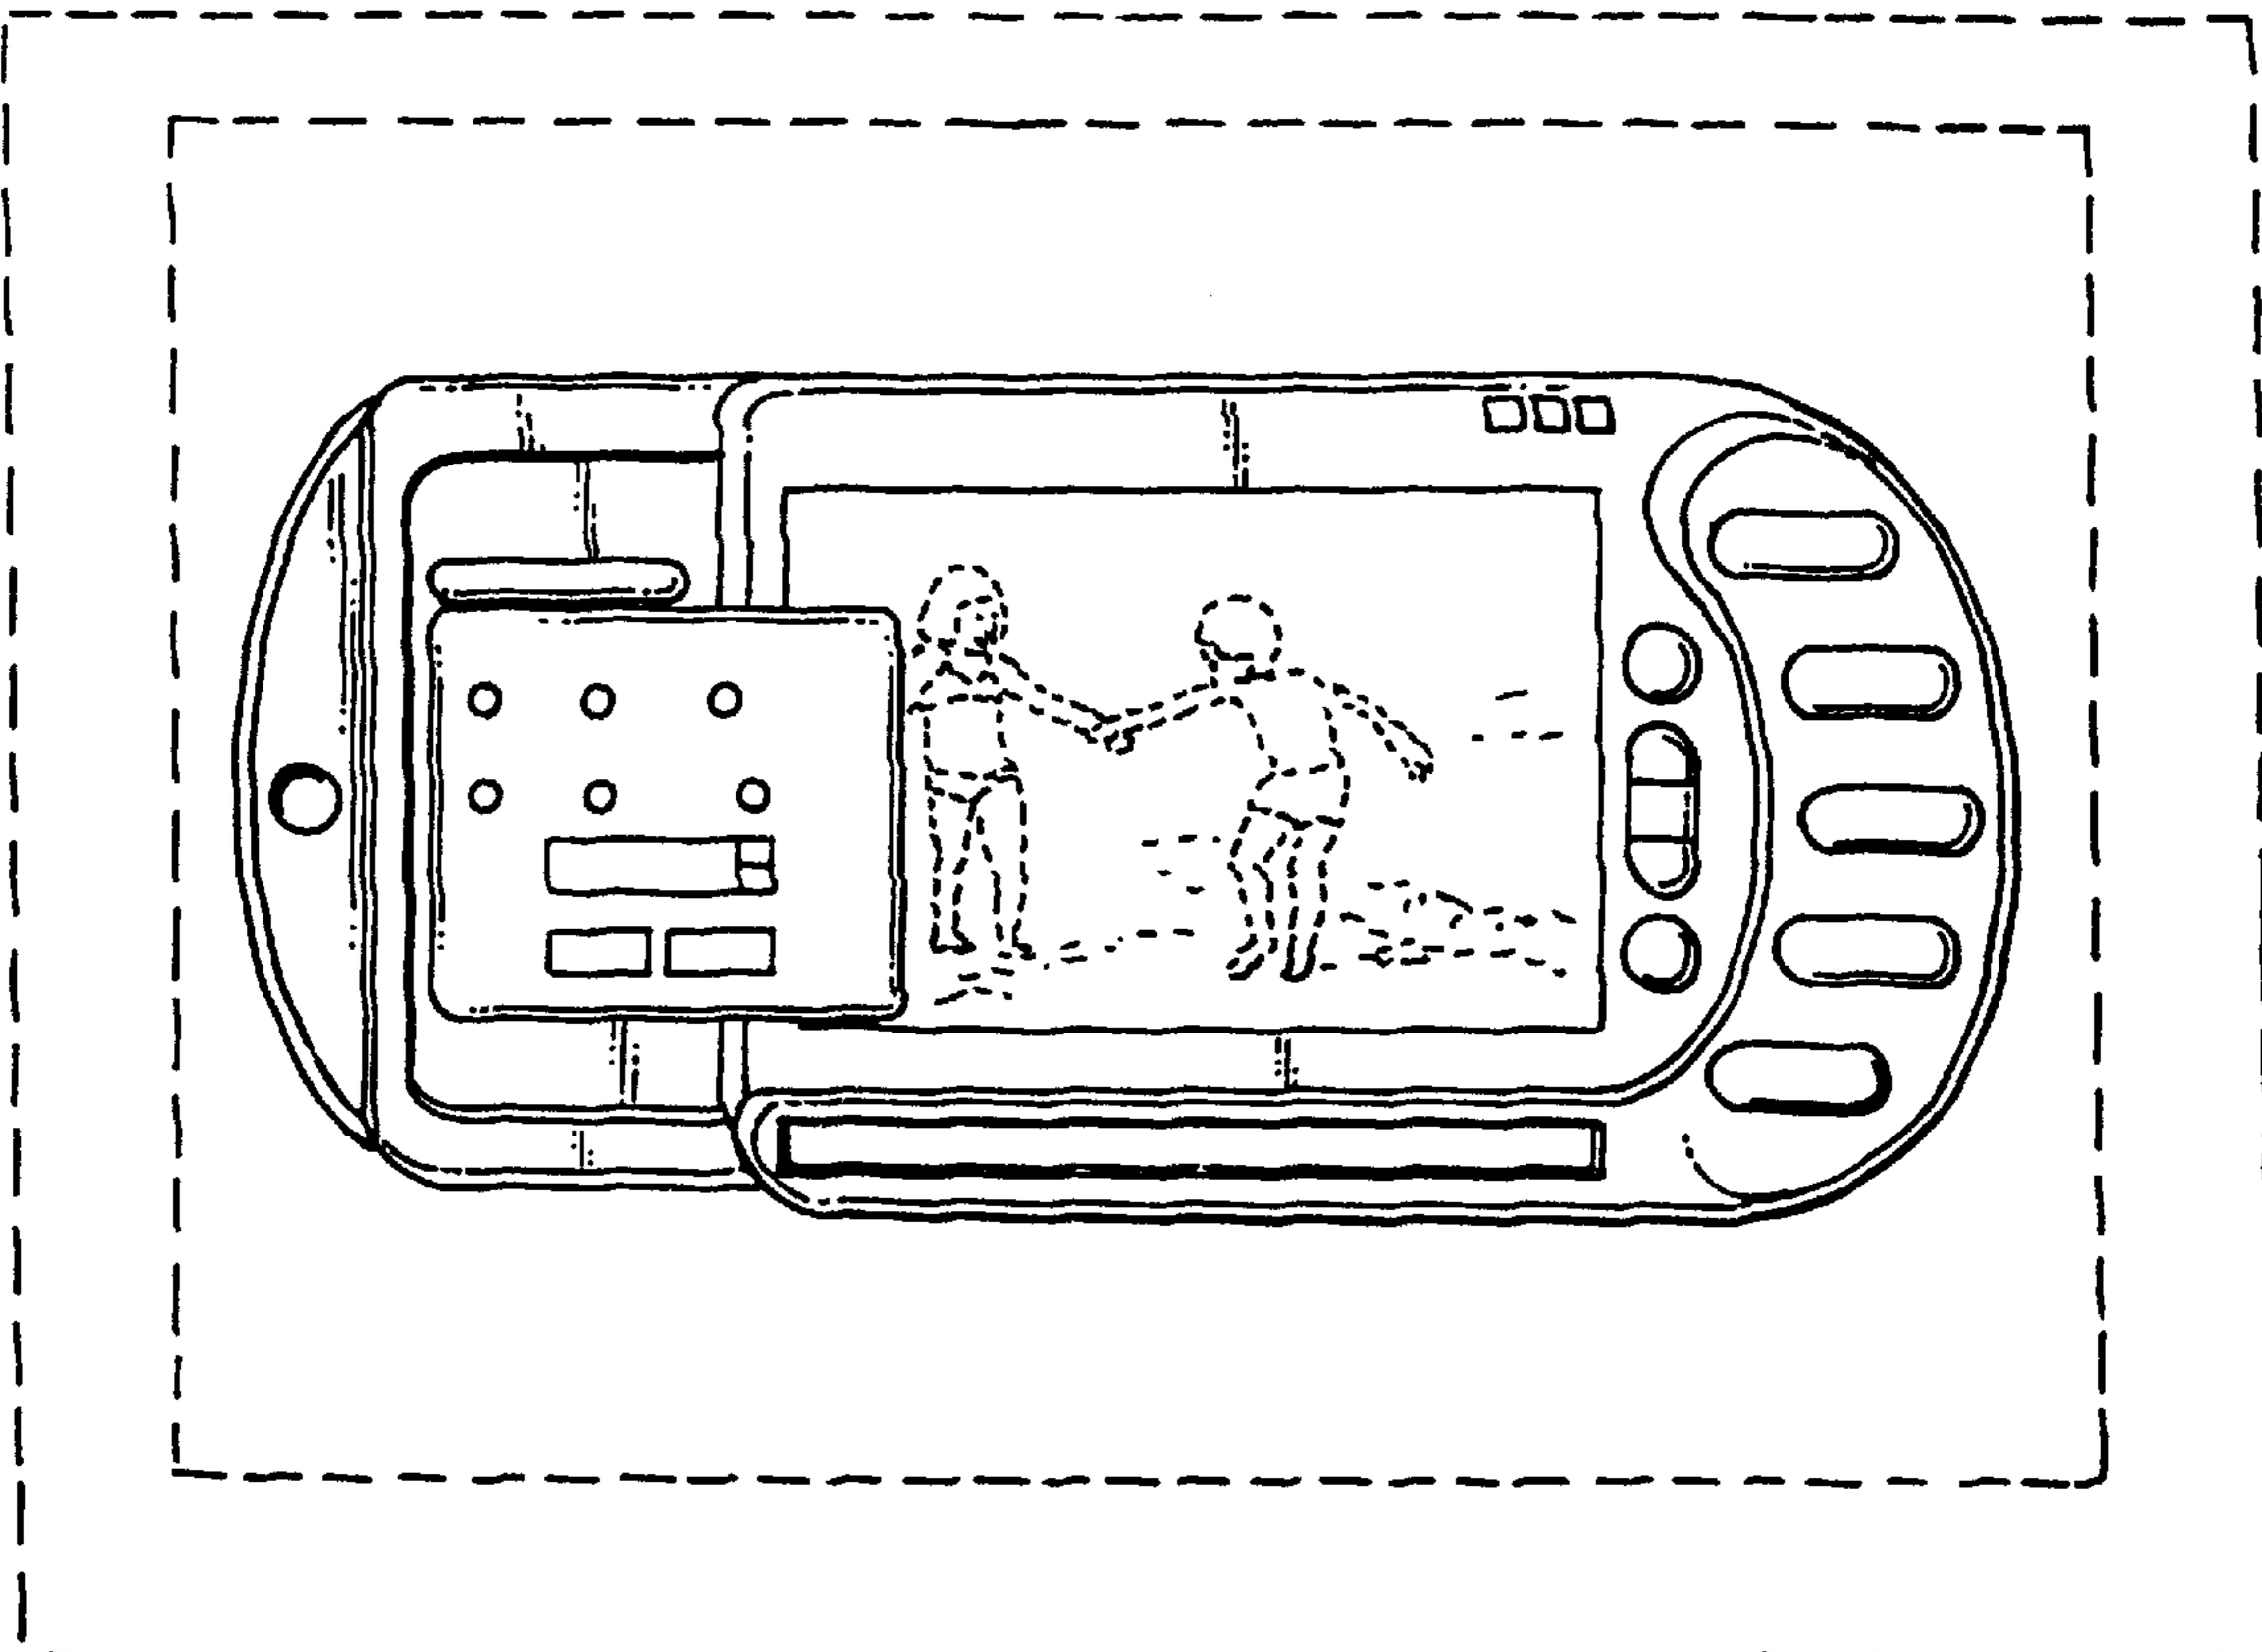

The ornamental design for a computer screen with an icon of an image display, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a computer screen with an icon of an image display; the broken line drawings of a computer screen and the image displayed on the icon of an image display are for illustrative purposes only and form no part of the claimed design; and,

FIG. 2 is a front view of a second embodiment thereof, on an enlarged scale; the icon of an image display is shown separately for clarity of illustration.
