[57] **CLAIM**

The ornamental design for an exercise rod, as shown and described.

DESCRIPTION

FIG. 1 is an overall elevation view of an exercise rod showing my new design;

FIG. 2 is a top plan view thereof, wherein the bottom view is identical;

FIG. 3 is a fragmentary side elevation view, drawn to an enlarged scale, showing an end portion thereof;

FIG. 4 is a fragmentary front elevation view drawn to an enlarged scale showing an end portion thereof;

FIG. 5 is a cross-sectional view thereof looking toward the end portion;

FIG. 6 is a cross-sectional view thereof looking toward the center portion;

FIG. 7 is a fragmentary side elevation view thereof, drawn to an enlarged scale, showing a first half of the center portion of the exercise rod, with the exercise rod shown disassembled; and,

FIG. 8 is a fragmentary side elevation view, drawn to an enlarged scale, showing the second half of the center portion of the exercise rod, with the exercise rod shown disassembled.
