[57] **CLAIM**

I claim the ornamental design for the support stake, as shown and described.

DESCRIPTION

FIG. 1 is a side perspective view of the support stake of the present invention.

FIG. 2 is a front elevational view of the support stake of the present invention.

FIG. 3 is a rear elevational view of the support stake of the present invention.

FIG. 4 is a right side elevational view of the support stake of the present invention, the left side elevational view being a mirror image thereof.

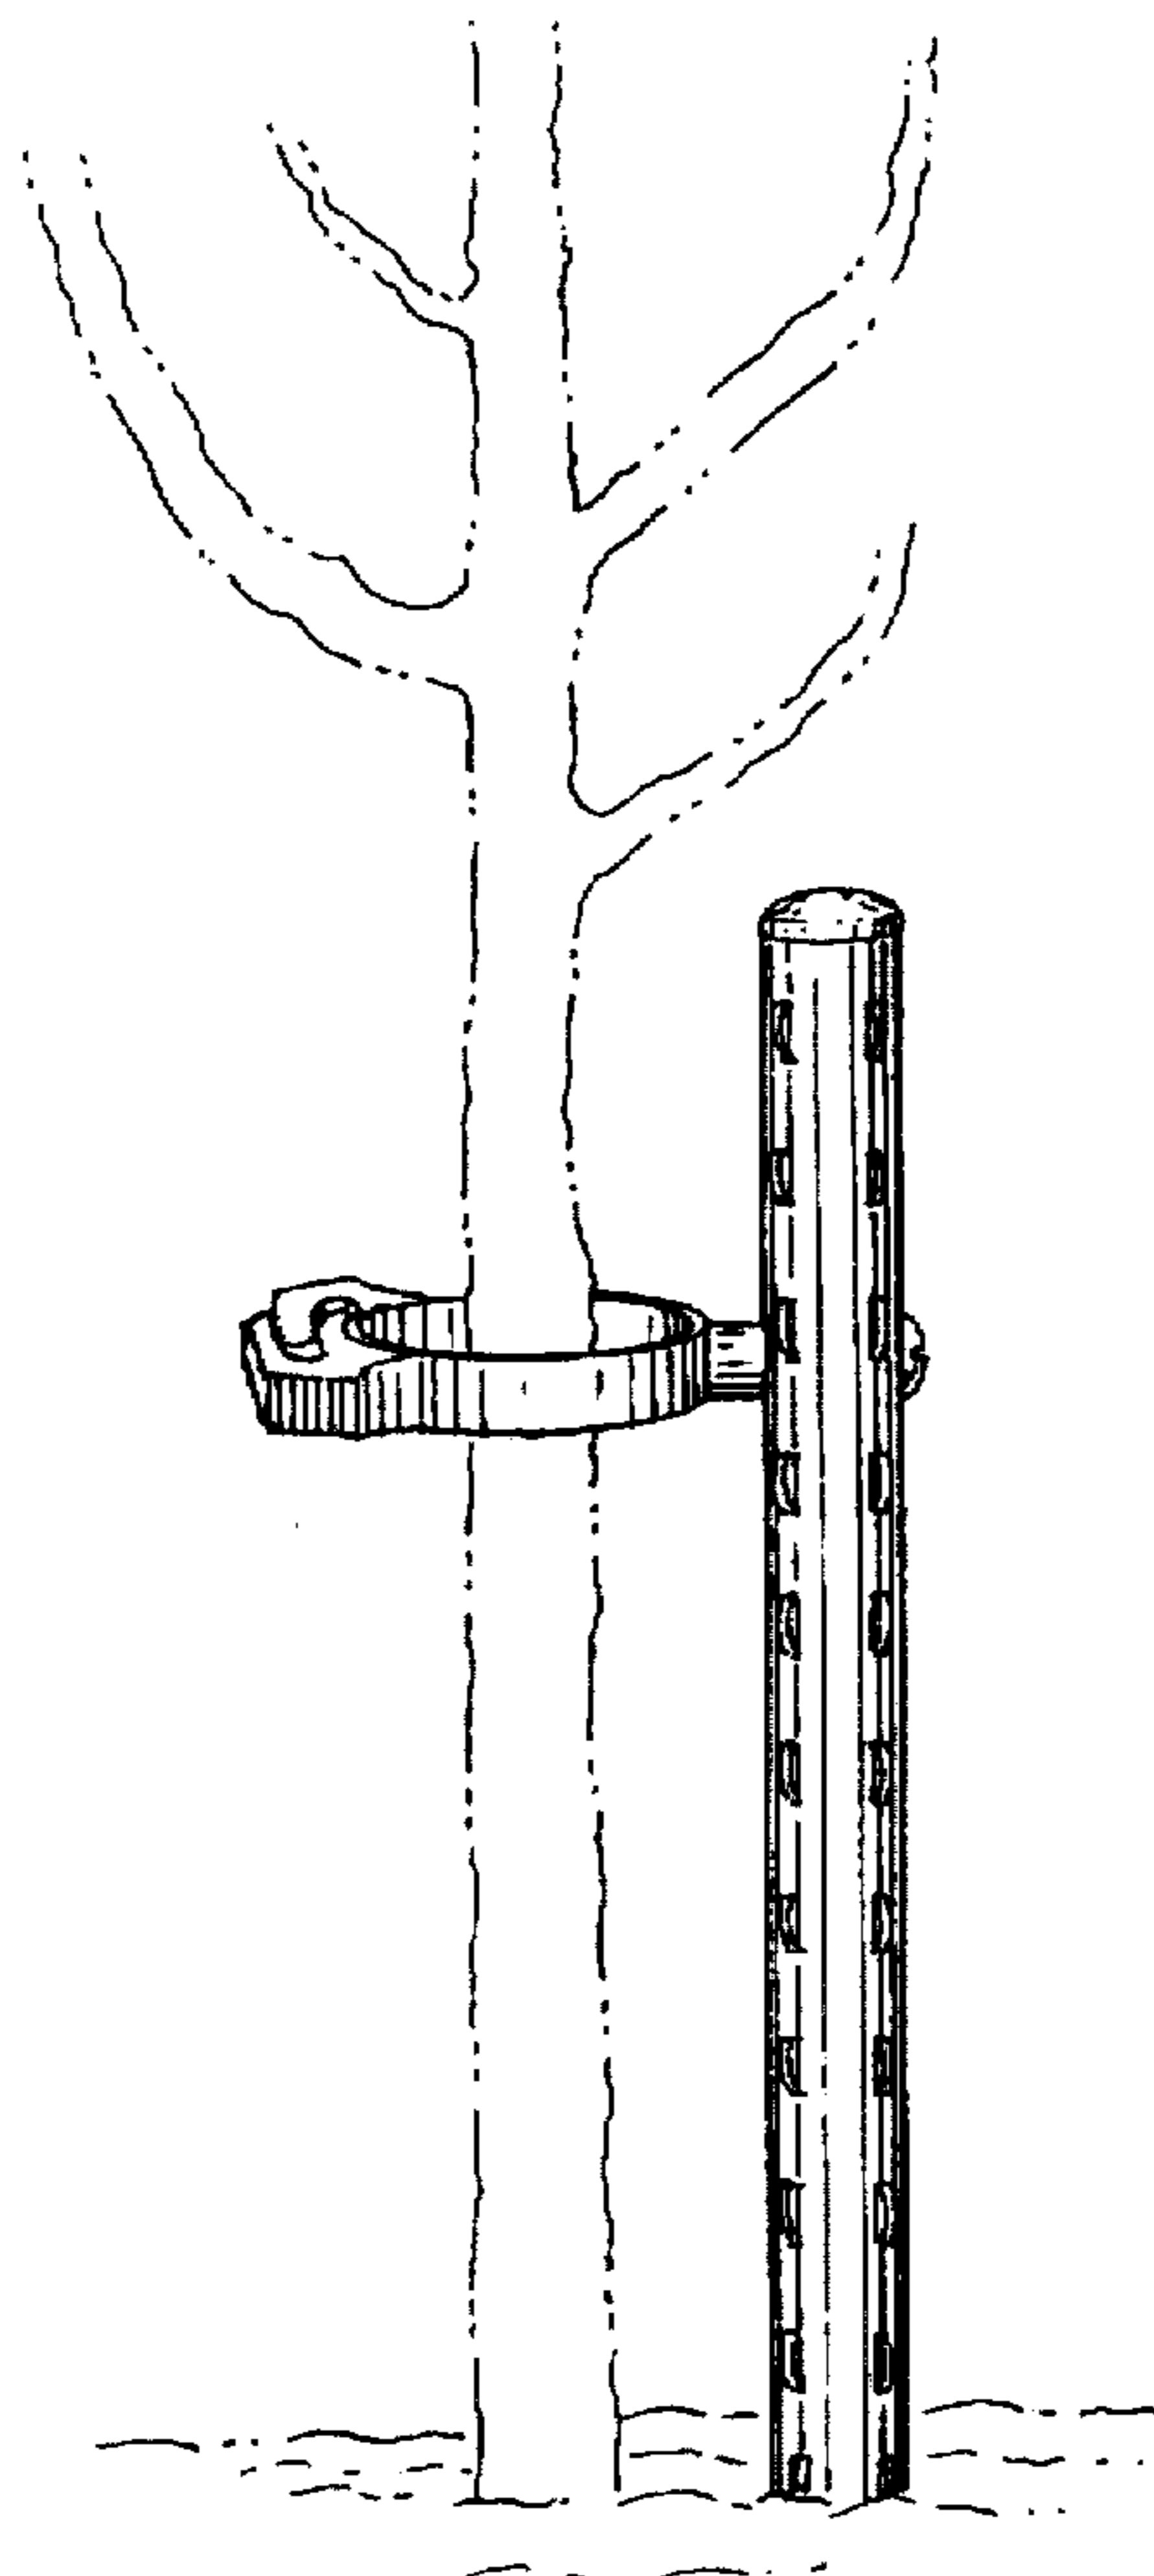

FIG. 5 is a top plan view of the support stake of the present invention; and,

FIG. 6 is a bottom plan view of the support stake of the present invention.

The broken line showing of a partial tree and earth is for illustrative purposes only and forms no part of the claimed design.

The stake portion of the claimed design is shown broken away to indicate indeterminate length.
