[57] CLAIM

The ornamental design for a set of interlocking sharpening stones, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a set of interlocking sharpening stones showing my new design;

FIG. 2 is a right side elevational view thereof with the left side being identical;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof;

FIG. 5 is a front elevational view of one of the sharpening stones shown in FIGS. 1-4;

FIG. 6 is a right side elevational view thereof with the left side being identical; and,

FIG. 7 is a bottom plan view thereof of a modified form of stone.

The top, front and side views of the modified embodiment of the stones are identical to the corresponding FIGS. 3, 5 and 6 views.
