[57] **CLAIM**

The ornamental design for an enclosure for a removable cartridge drive, disk drive, or hard disk drive, as shown and described.

DESCRIPTION

FIG. 1 is a top front and left side perspective view of an enclosure for a removable cartridge drive, disk drive, or hard disk drive showing our new design wherein the bottom view is not a part of the claimed design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a right side elevational view thereof; and,

FIG. 5 is a rear elevational view thereof.

The disk door, control buttons and lights in FIGS. 1 and 2 and the connectors and plugs in FIG. 5 are shown in broken lines for illustrative purposes only and form no part of the claimed design.
