### [57] CLAIM

The ornamental design for a “swing training golf ball for training a plurality of swings”, as shown and described.

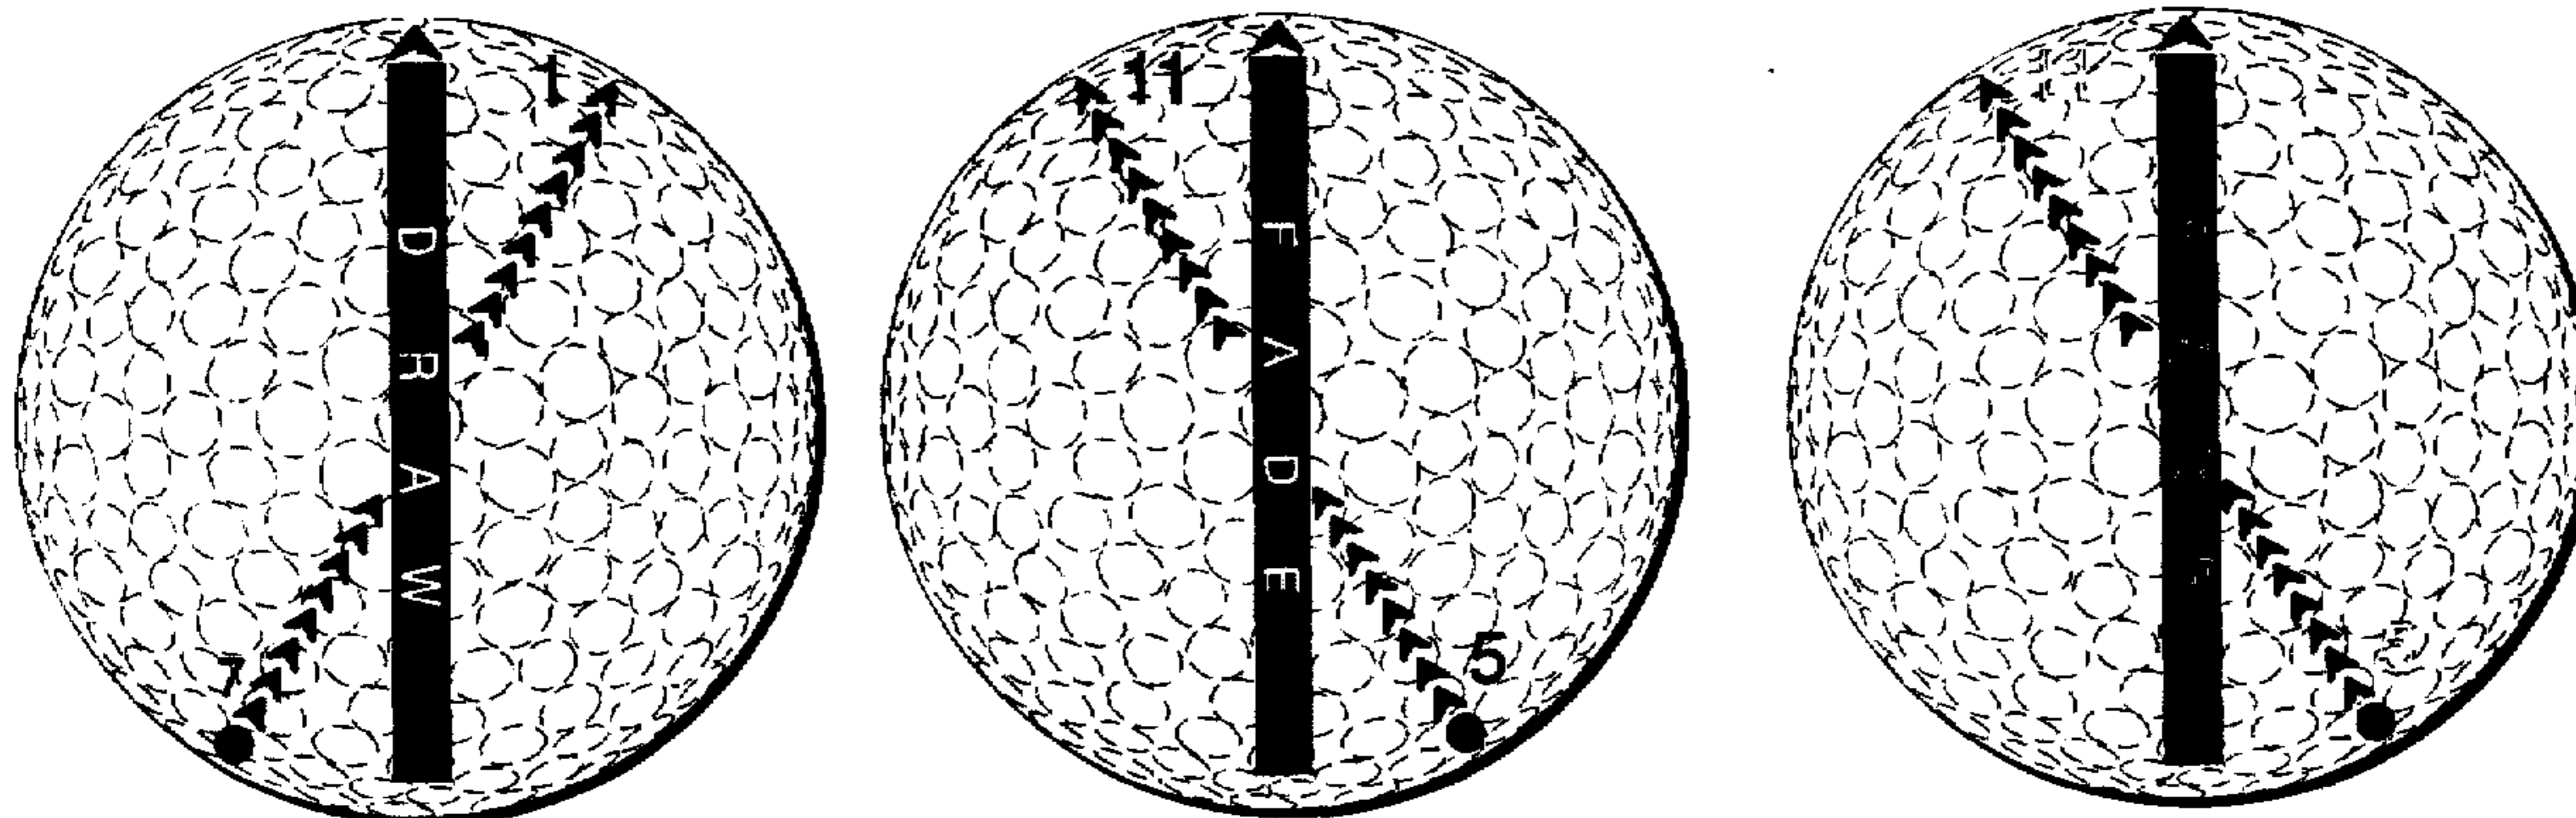

### DESCRIPTION

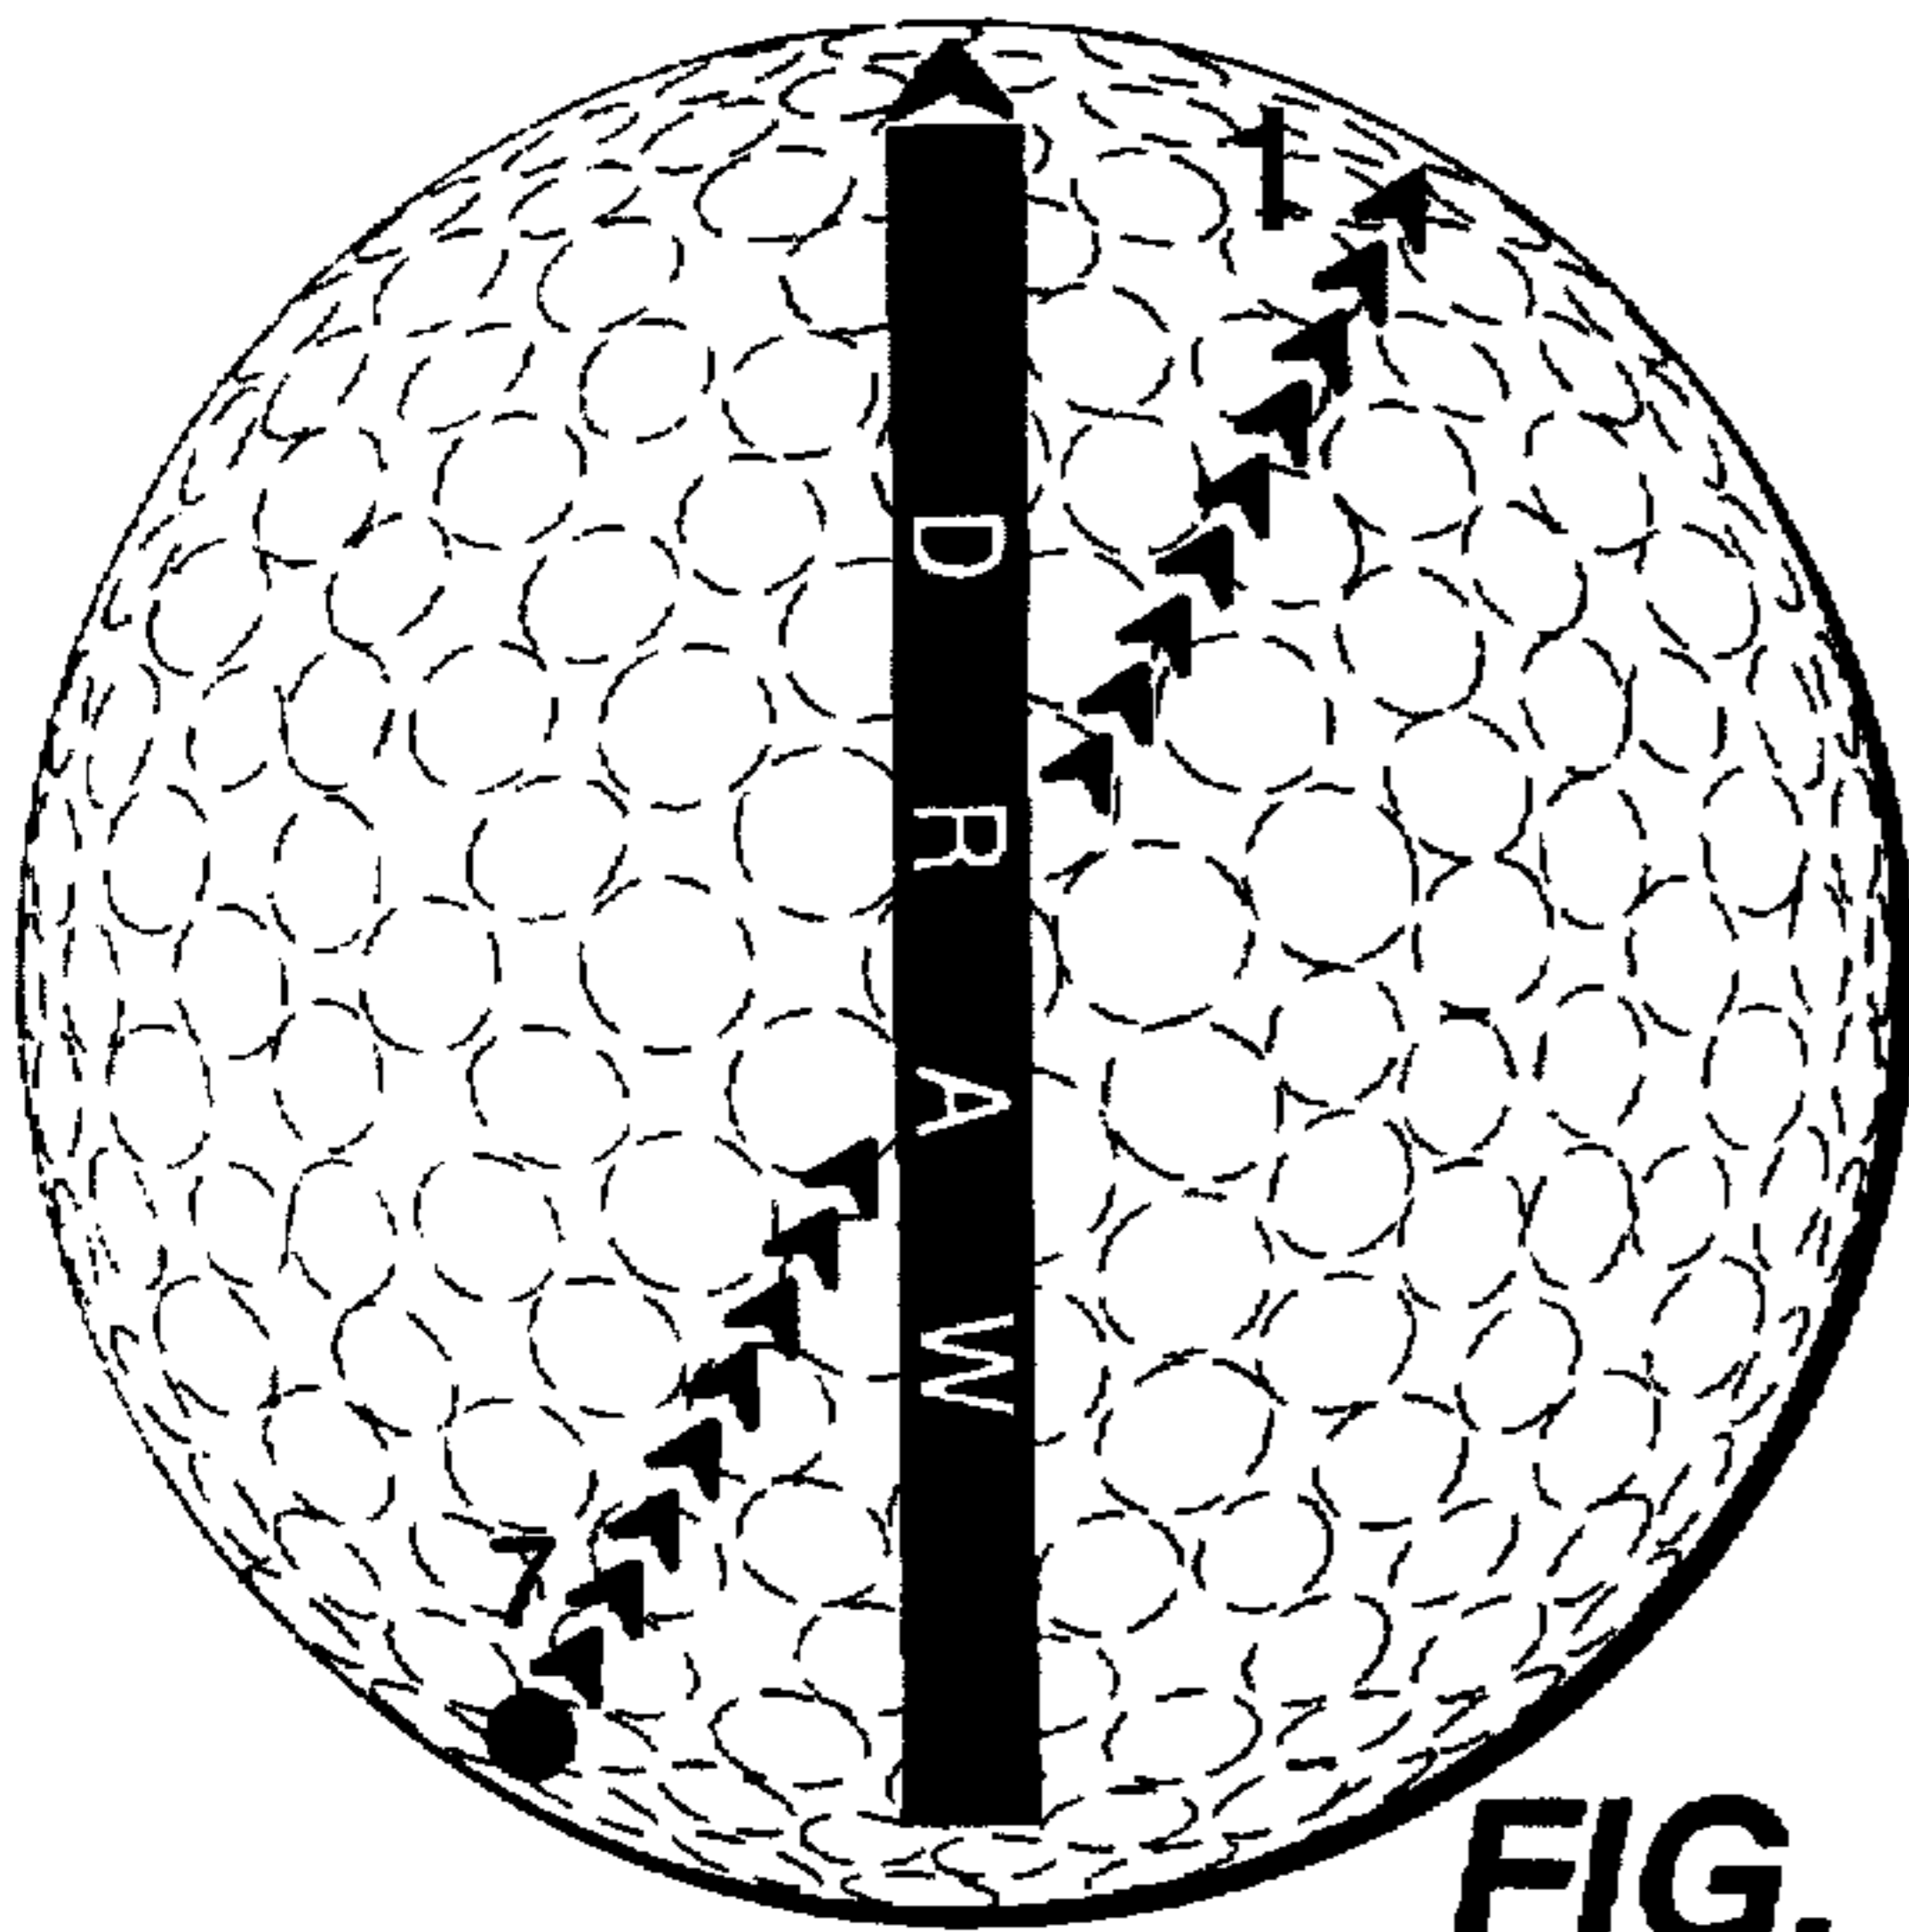

FIG. 1 is a front view of a swing training golf ball for training a plurality of swings showing my new design; FIG. 2 is a rear view thereof;

FIG. 3 is a front view of a swing training golf ball for training a plurality of swings showing my new design, in accordance with a second embodiment of the present invention, shown with representative letters and numbers represented by broken lines to indicate that these numbers and letters are not a part of this embodiment of the invention; FIG. 4 is a rear view of the alternate embodiment of FIG. 3; FIG. 5 is a front view of a swing training golf ball for training a plurality of swings showing my new design, in accordance with a third embodiment of the present invention shown with representative letters are not a part of this embodiment of the invention; and,

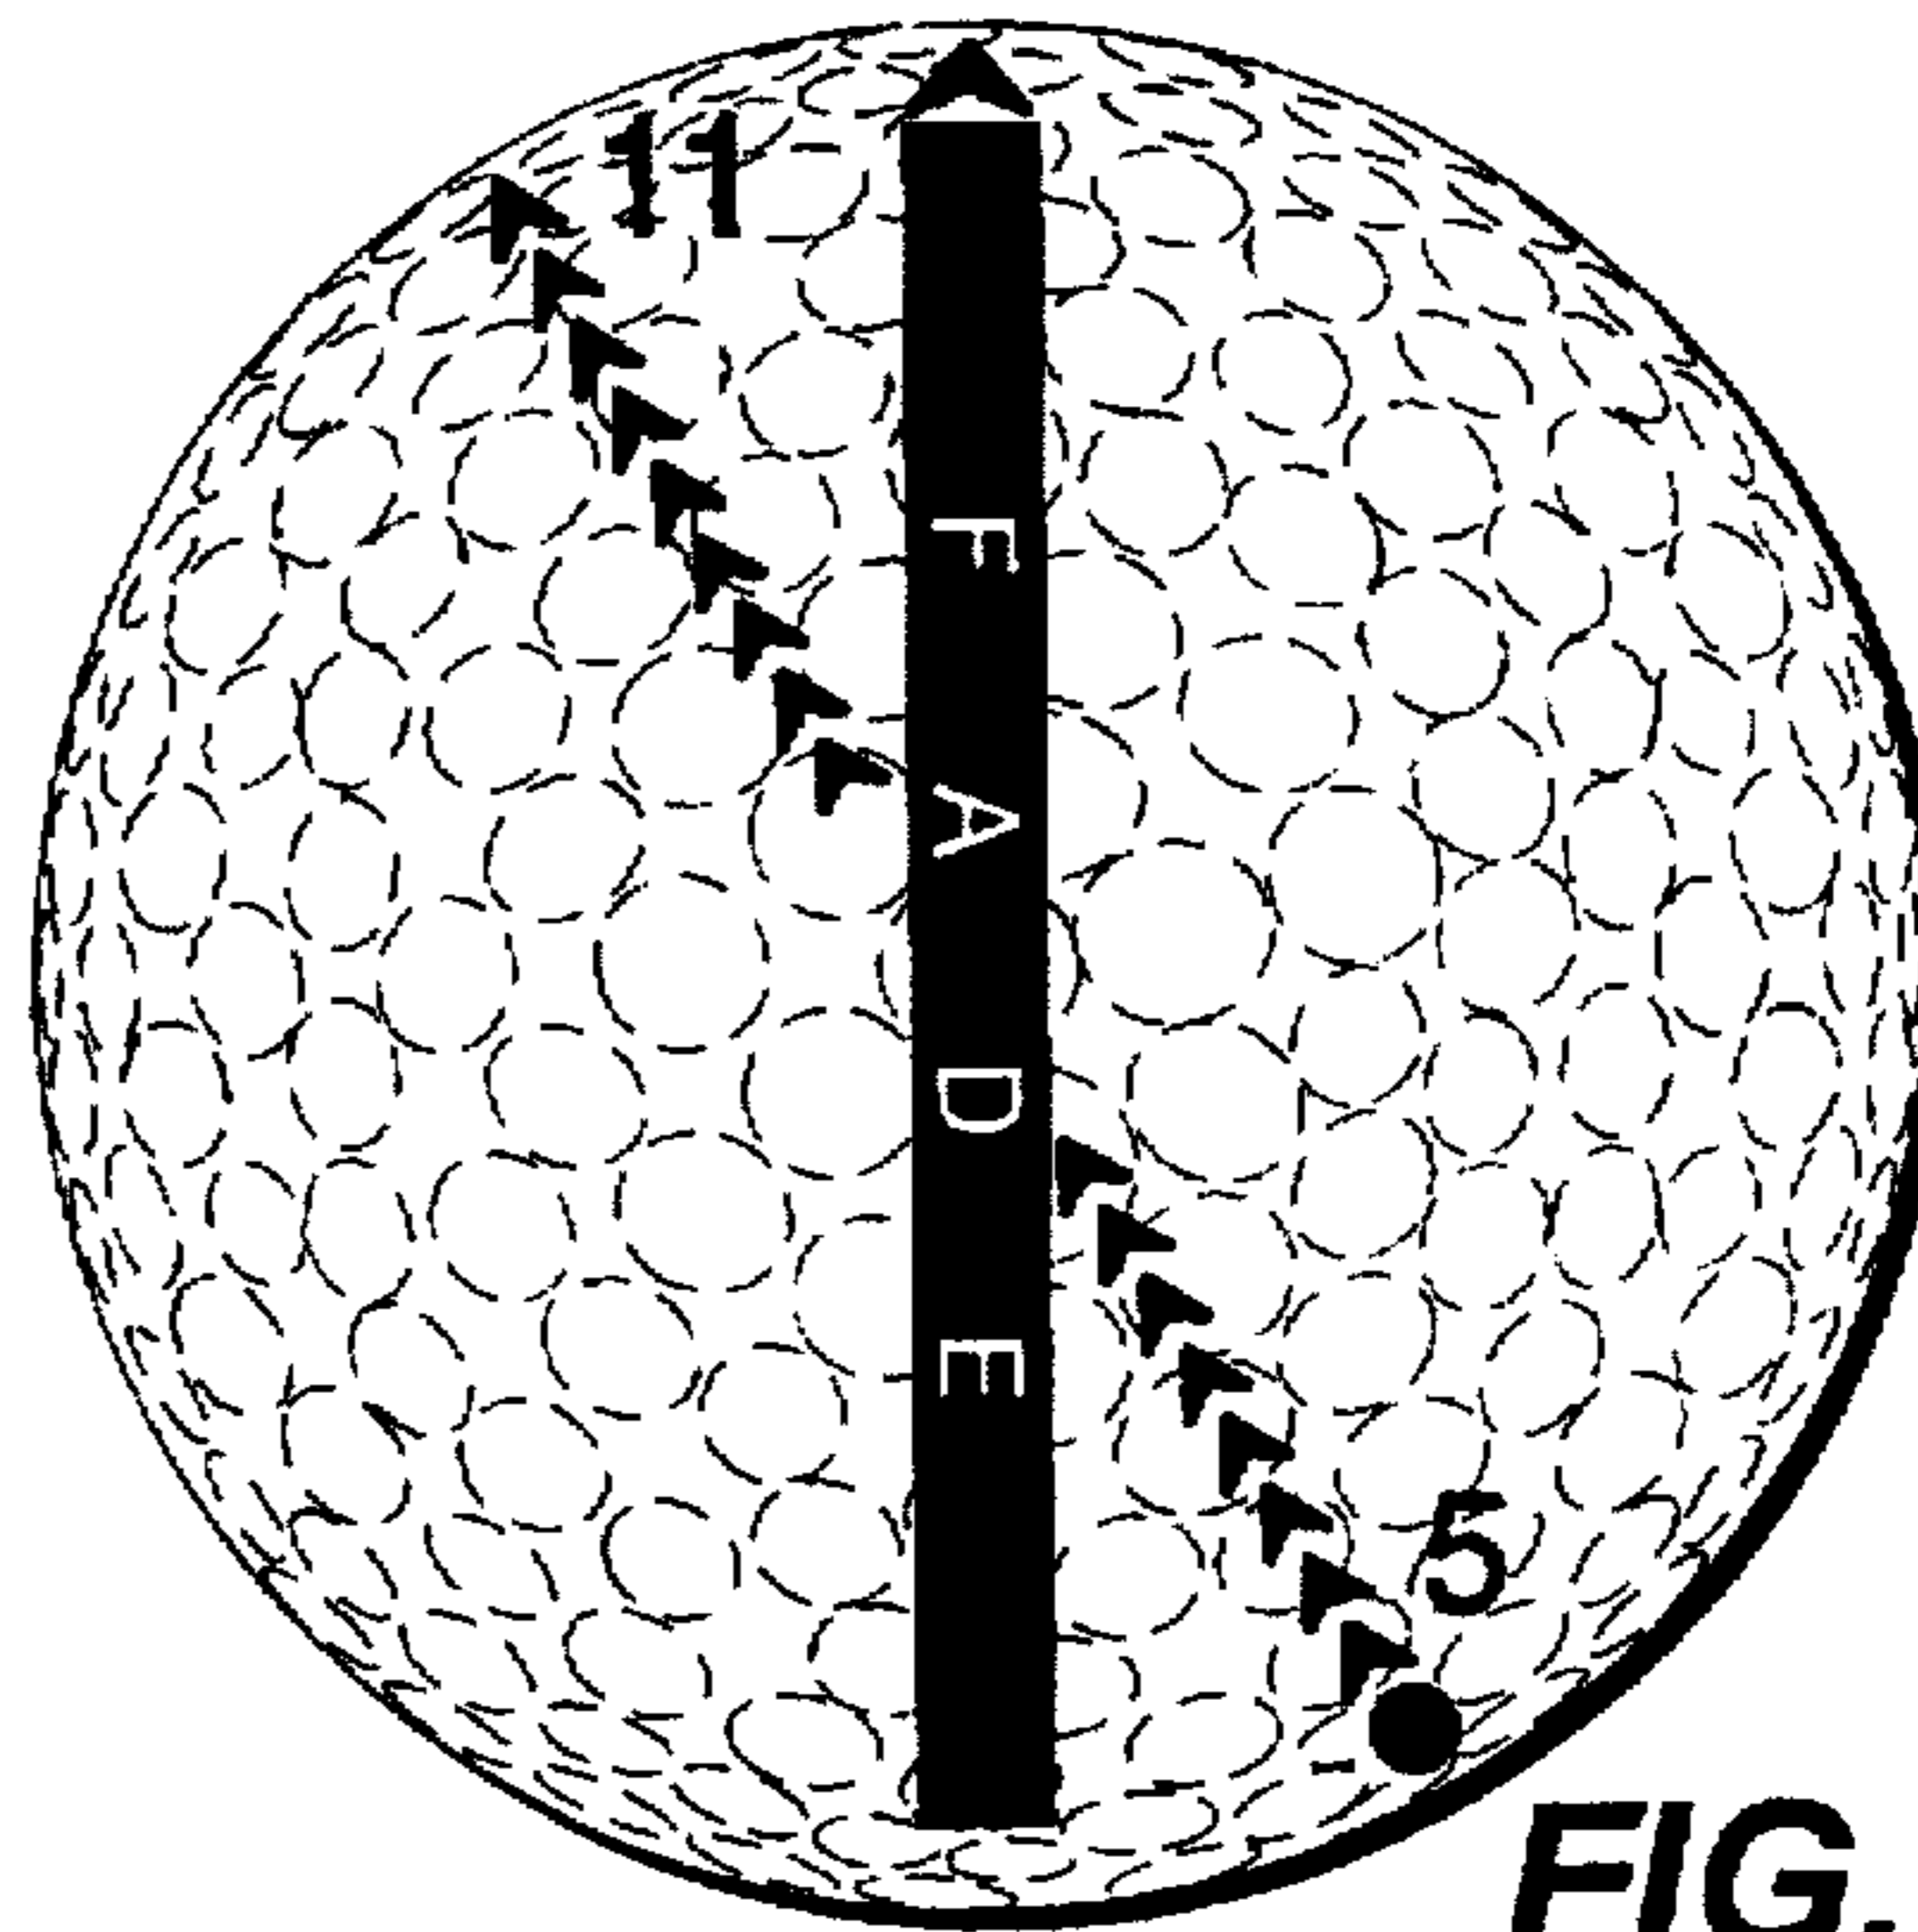

FIG. 6 is a rear view of the alternate embodiment of FIG. 5. The broken line showing of golf ball dimples in FIGS. 1-6 is for illustrative purposes only and forms no part of the claimed design.
