[57] **CLAIM**

The ornamental design for a concrete block and brick, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a concrete block and brick showing my new design; The broken lines showing adjacent concrete blocks and bricks are for illustrative purposes only and form no part of the new design as claimed.

FIG. **2** is a top elevational view of the concrete block and brick;

FIG. **3** is a bottom elevational view of the concrete block and brick;

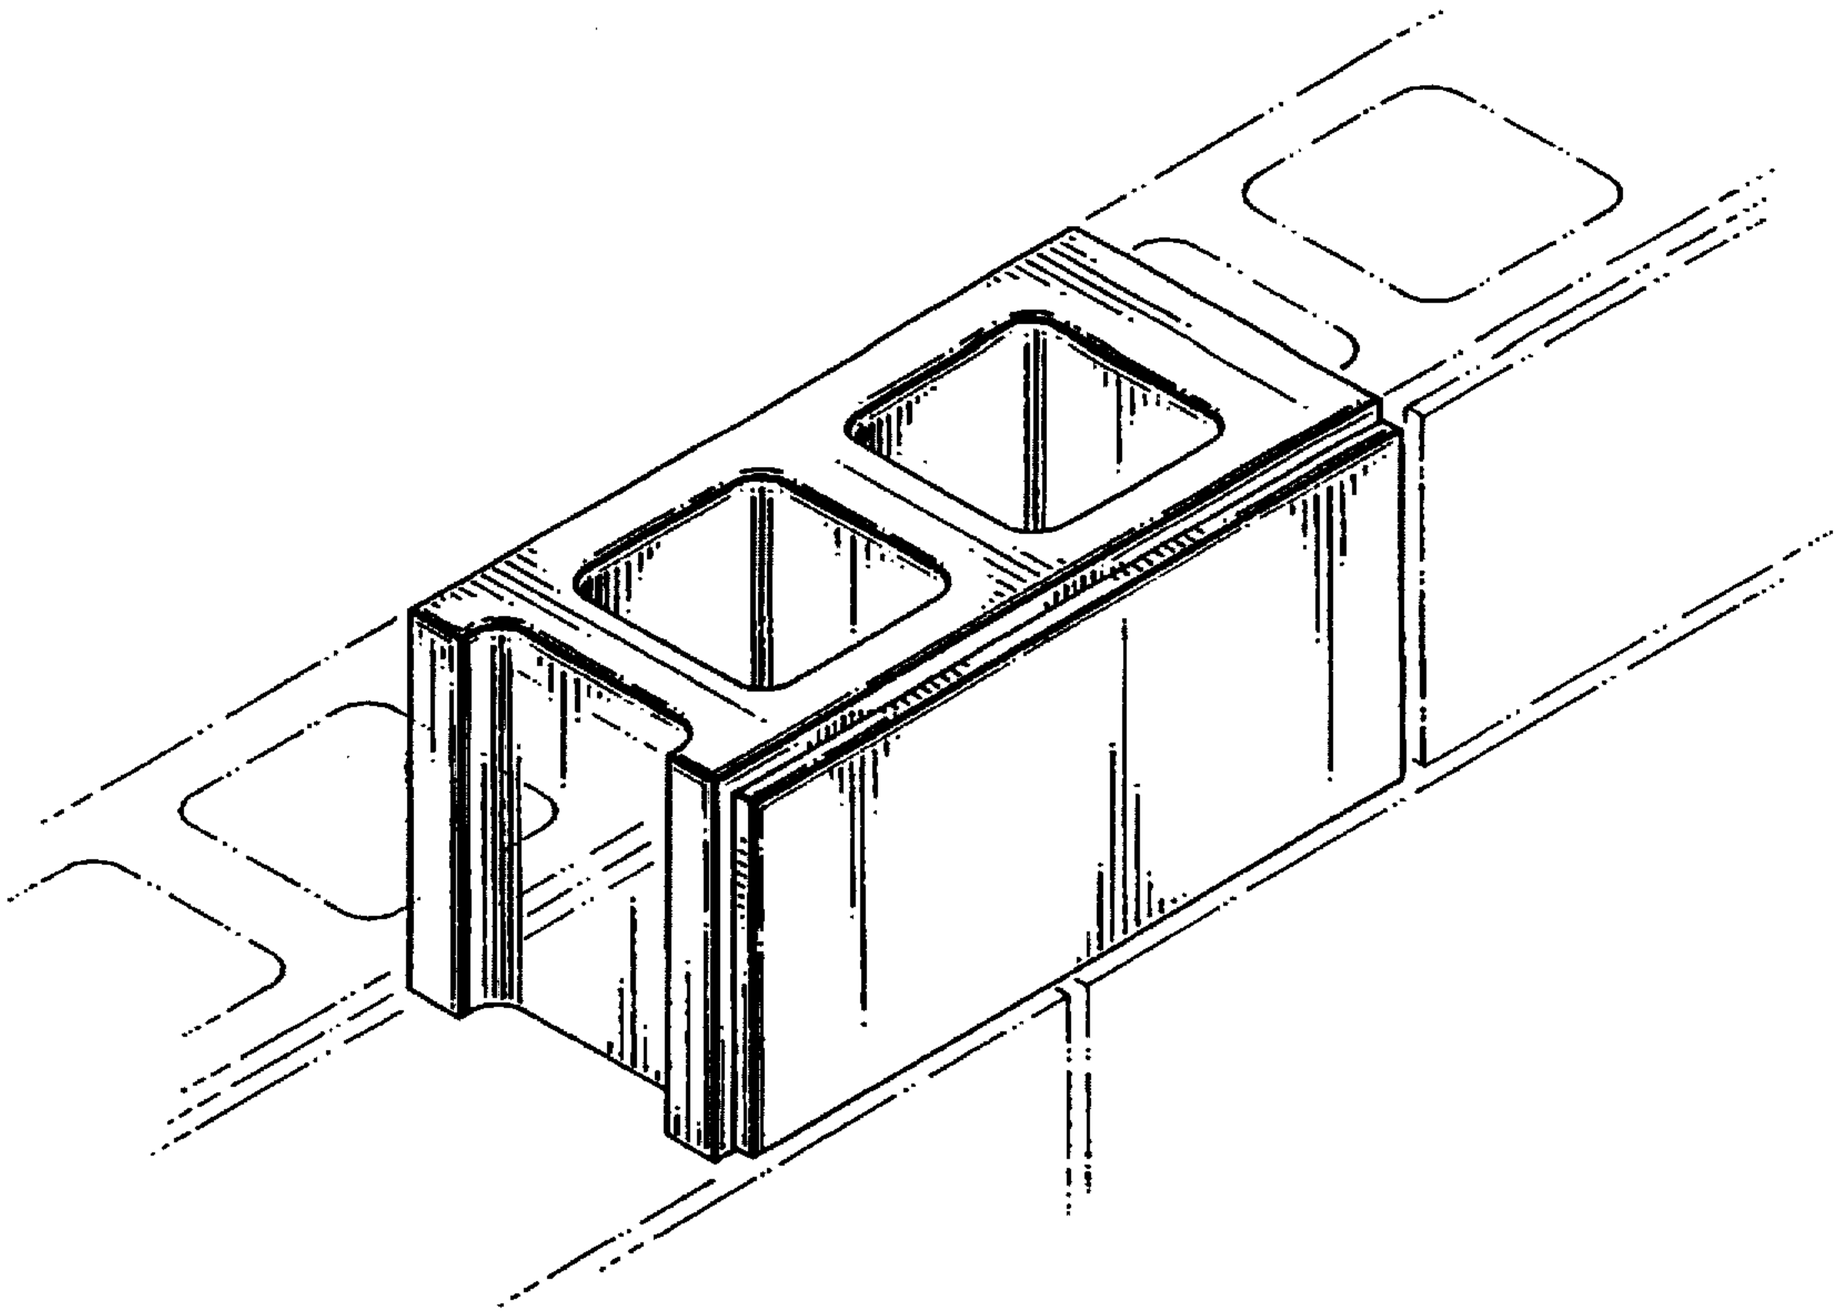

FIG. **4** is a front elevational view of the concrete block and brick;

FIG. **5** is a rear elevational view of the concrete block and brick;

FIG. **6** is an end view of the concrete block and brick; and,

FIG. **7** is an opposite end view from FIG. **6** of the concrete block and brick.
