[57] **CLAIM**

The ornamental design for a “handset key array and display”, as shown and described.

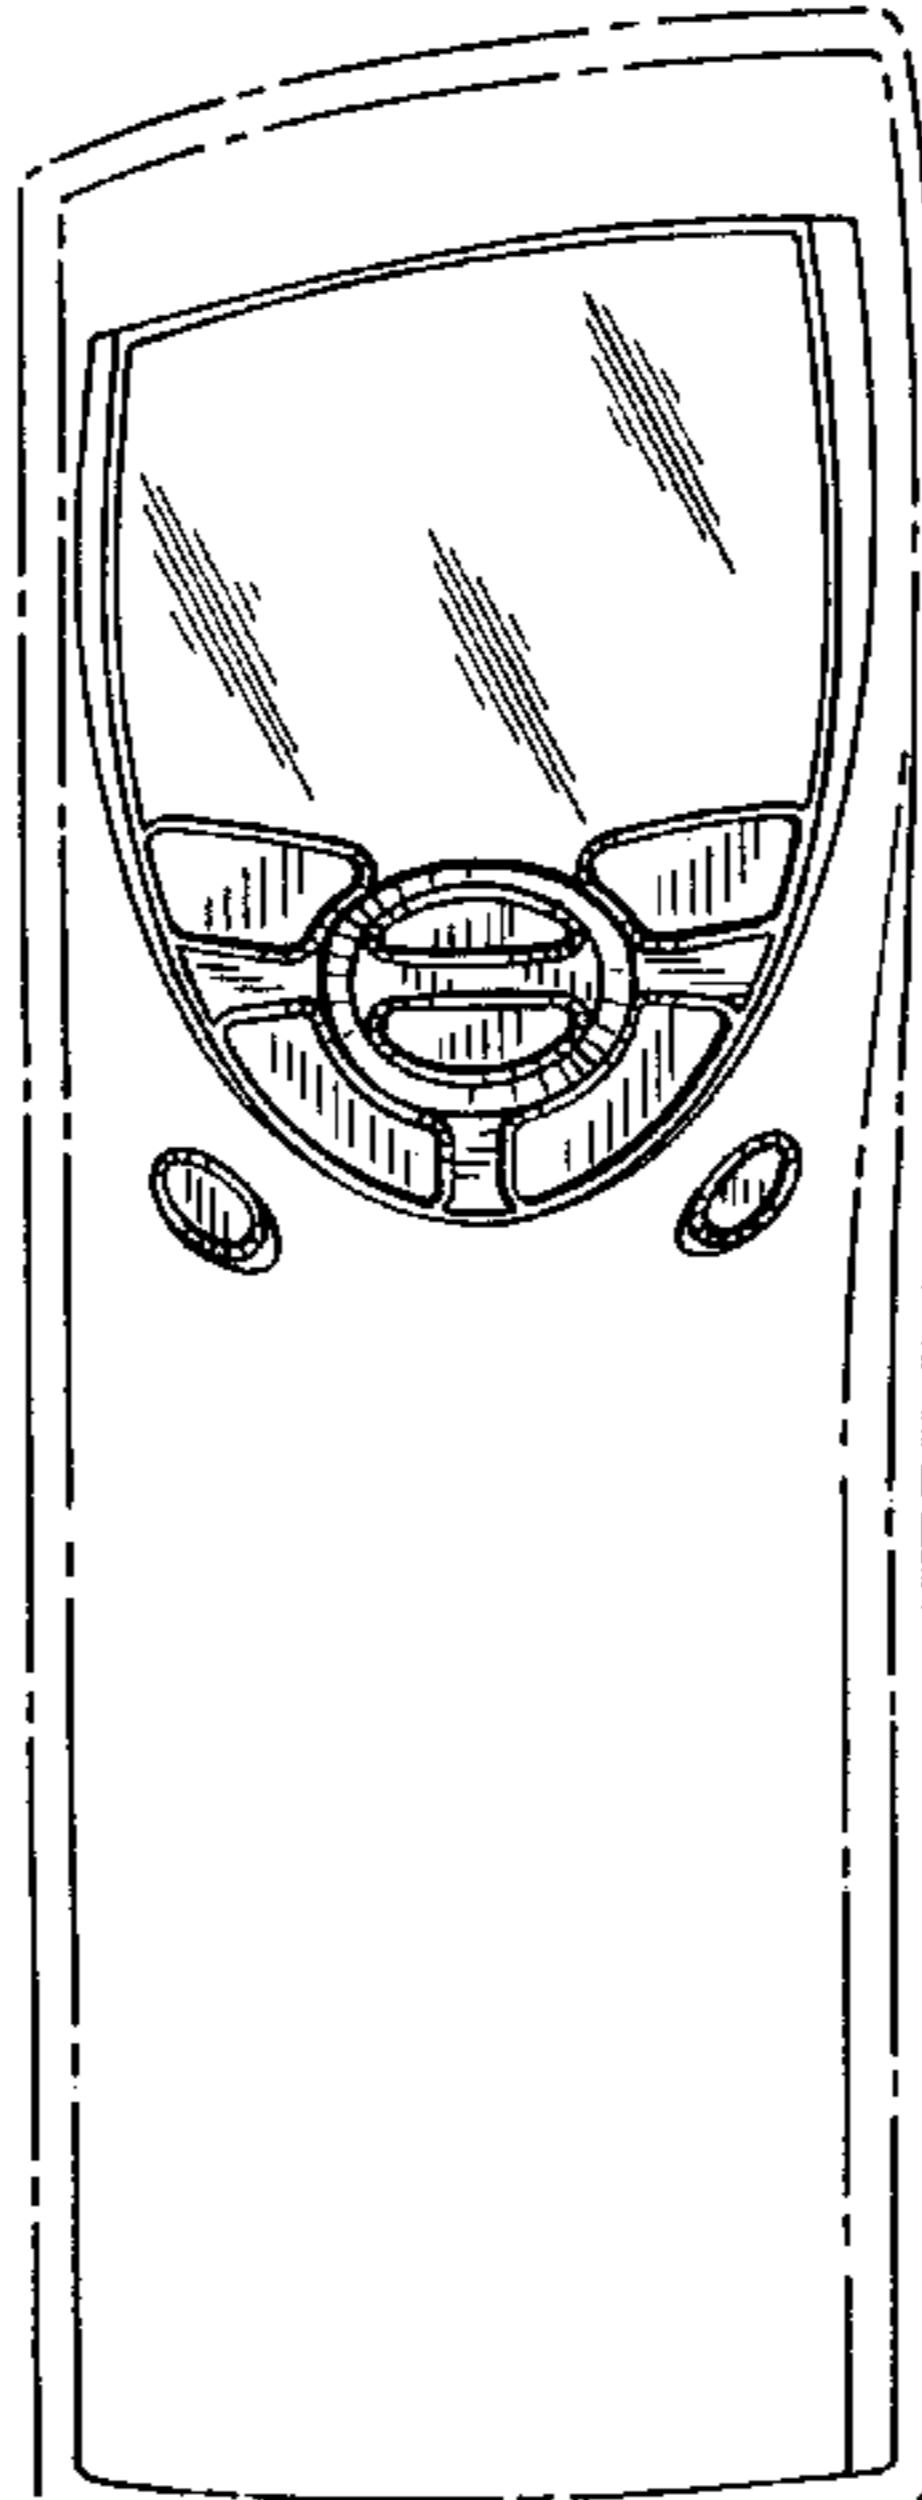

DESCRIPTION

FIG. 1 is a front elevational view of a handset key array and display showing our new design;

FIG. 2 is a front, right side and bottom perspective view thereof; and,

FIG. 3 is a front, left side and top perspective view thereof. The dotted lines showing the outline of a portable electronic radio frequency communication device is for illustration purposes only and forms no part of the claimed invention.
