[57] CLAIM

We claim the ornamental design for a multipurpose utility station for use at e.g. a petrol station, providing e.g. supplies of air, oil, screen washer fluid, coolant as well as washing facilities, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view from above and one side of the multipurpose utility station embodying my new ornamental design.

FIG. 2 is front perspective view from above and one side in an alternative position of the multipurpose utility station.

FIG. 3 is front perspective view from above and other side of the multipurpose utility station.

FIG. 4 is front perspective view from above and other side in the alternative position of the multipurpose utility station.

FIG. 5 is rear perspective view from above and one side of the multipurpose utility station. and,

FIG. 6 is rear perspective view from above and other side of the multipurpose utility station.
