[57] **CLAIM**

The ornamental design for a squirrel shield for a telephone pole, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a squirrel shield for a telephone pole showing our new design;

FIG. 2 is a left side view of the squirrel shield, the right side view being a mirror image thereof;

FIG. 3 is a top view of the squirrel shield;

FIG. 4 is a rear view of the squirrel shield;

FIG. 5 is a front view of the squirrel shield; and,

FIG. 6 is a bottom view thereof.

The broken lines in FIG. 1 are for purposes of illustration only and form no part of the claimed design.
