[57] **CLAIM**

The ornamental design for surface portions of folded multi-purpose tool, as shown and described.

**DESCRIPTION**

The FIGURE is a plan view of surface portions of folded multi-purpose tool showing our new design, it being understood that said surfaces are flat.  
The broken lines in the FIGURE are shown for environmental purposes only and form no part of the claimed design. The dotted lines shown in the FIGURE represent the peripheries of the claimed design and form no part thereof.
