[57] **CLAIM**

The ornamental design for an exterior facing surface configuration of a grill part for an automobile, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an exterior facing surface configuration of a grill part for an automobile according to my novel design;

FIG. 2 is a top view of an exterior facing surface configuration of a grill part for an automobile according to my novel design;

FIG. 3 is a side view from the right of an exterior facing surface configuration of a grill part for an automobile according to my novel design;

FIG. 4 is a side view from the left of an exterior facing surface configuration of a grill part for an automobile according to my novel design;

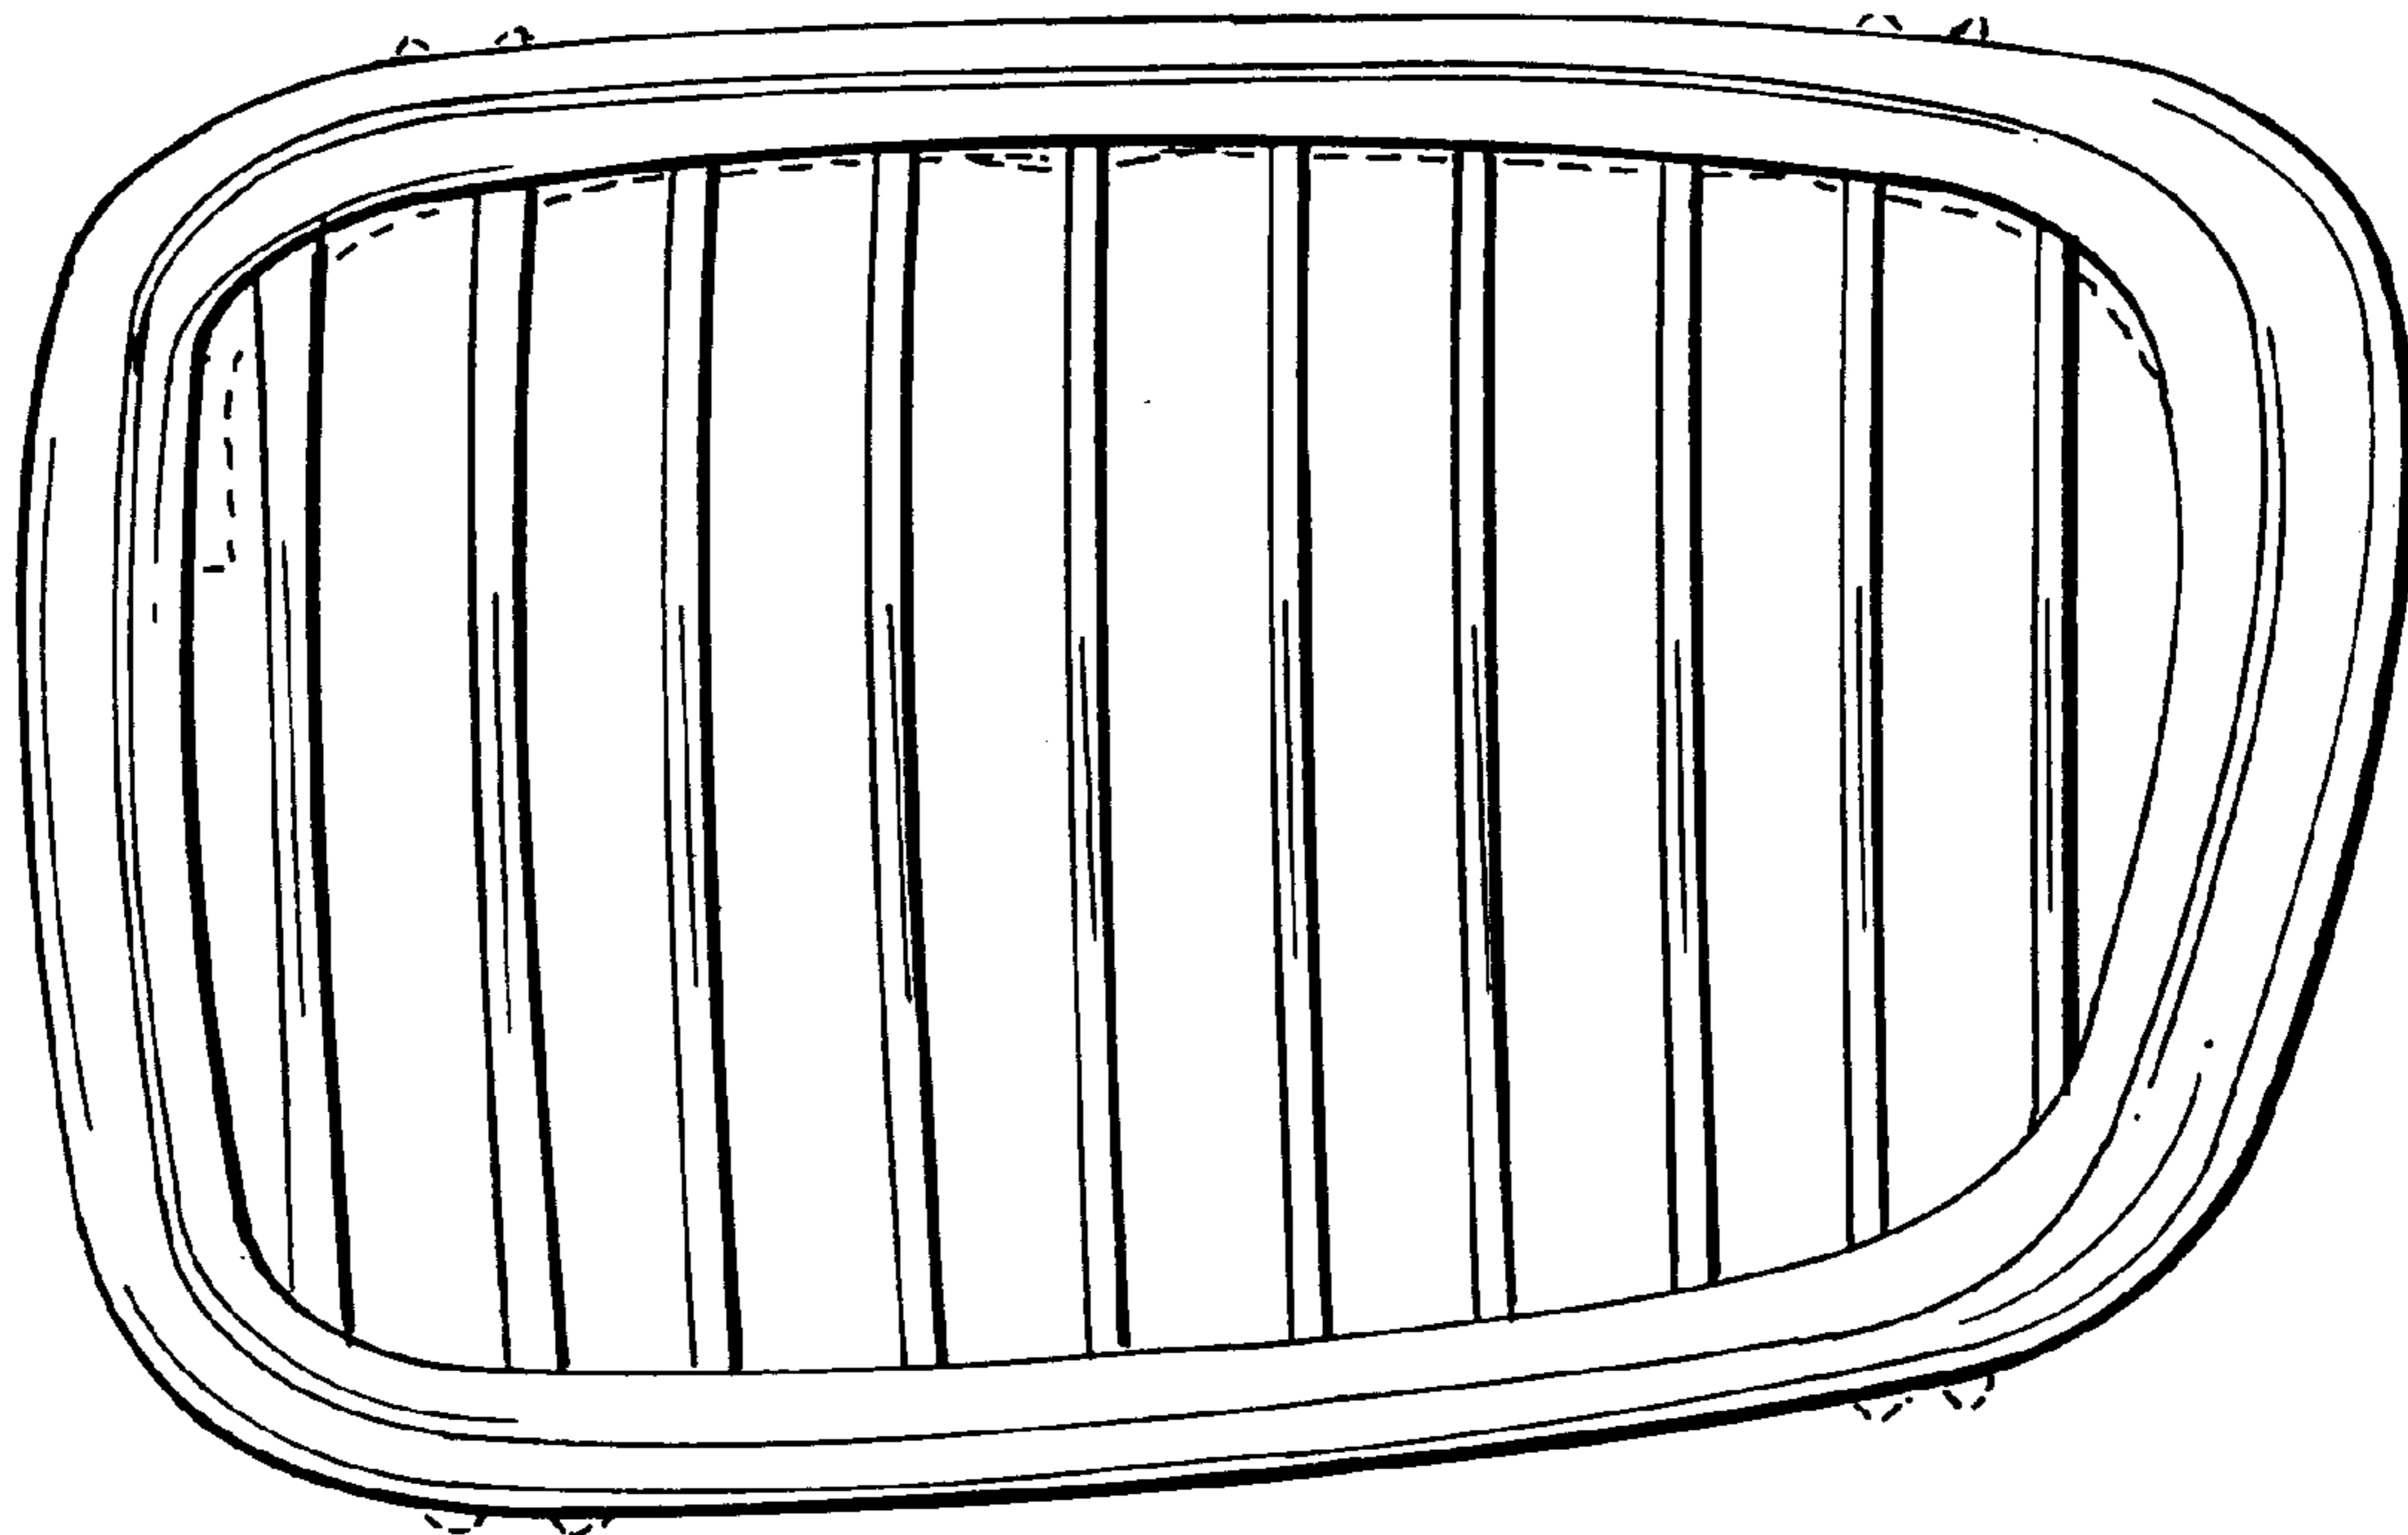

FIG. 5 is a bottom view of an exterior facing surface configuration of a grill part for an automobile according to my novel design;

FIG. 6 is a perspective view from the top right of an exterior facing surface configuration of a grill part for an automobile according to my novel design, which is a mirror image of the side view from the right; and,

FIG. 7 is a perspective view from the top left of an exterior facing surface configuration of a grill part for an automobile according to my novel design.

The broken lines shown in all drawing views are for illustrative purposes only and form no part of the claimed design.
