[57] **CLAIM**

The ornamental design for intubating malleable fiberoptic laryngoscope, as shown and described.

**DESCRIPTION**

FIG. 1 is a three-quarters perspective view of an intubating malleable fiberoptic laryngoscope showing my new design, where the malleable stylet is in a straight position; FIG. 2 is a front end elevational view thereof; FIG. 3 is a back end elevational view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a bottom plan view thereof; FIG. 6 is a left side elevational view thereof; FIG. 7 is a right side elevational view thereof; and, FIG. 8 is a three-quarters perspective view of an intubating malleable fiberoptic laryngoscope showing my new design, where the malleable stylet is in a curved position.
