[57] **CLAIM**

The ornamental design for a lamp shade, as shown and described.

**DESCRIPTION**

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Patent and Trademark Office upon request and payment of the necessary fee.

FIG. 1 is a photographic drawing of a left side elevational view of the lamp shade according to my new design (the connecting cable or arm not being part of the invention).

FIG. 2 is a perspective view as seen from above the left side of the lamp shade (the connecting cable or arm not being part of the invention).

FIG. 3 is a front elevational view of the lamp shade (the straight arm extending below the lamp shade not being part of the invention).

FIG. 4 is a perspective view as seen from below the front of the lamp shade (the straight arm extending below the lamp shade not being part of the invention).

FIG. 5 is a top plan view thereof (the connecting cable or arm not being part of the invention); and,

FIG. 6 is a bottom plan view thereof (the connecting cable or arm and the socket connection and writing not being part of the invention).
