[57] **CLAIM**

The ornamental design for an exterior facing surface configuration of a front bumper for an automobile, as shown and described.

DESCRIPTION

FIG. 1 is a front view of an exterior facing surface configuration of a front bumper for an automobile according to my novel design;

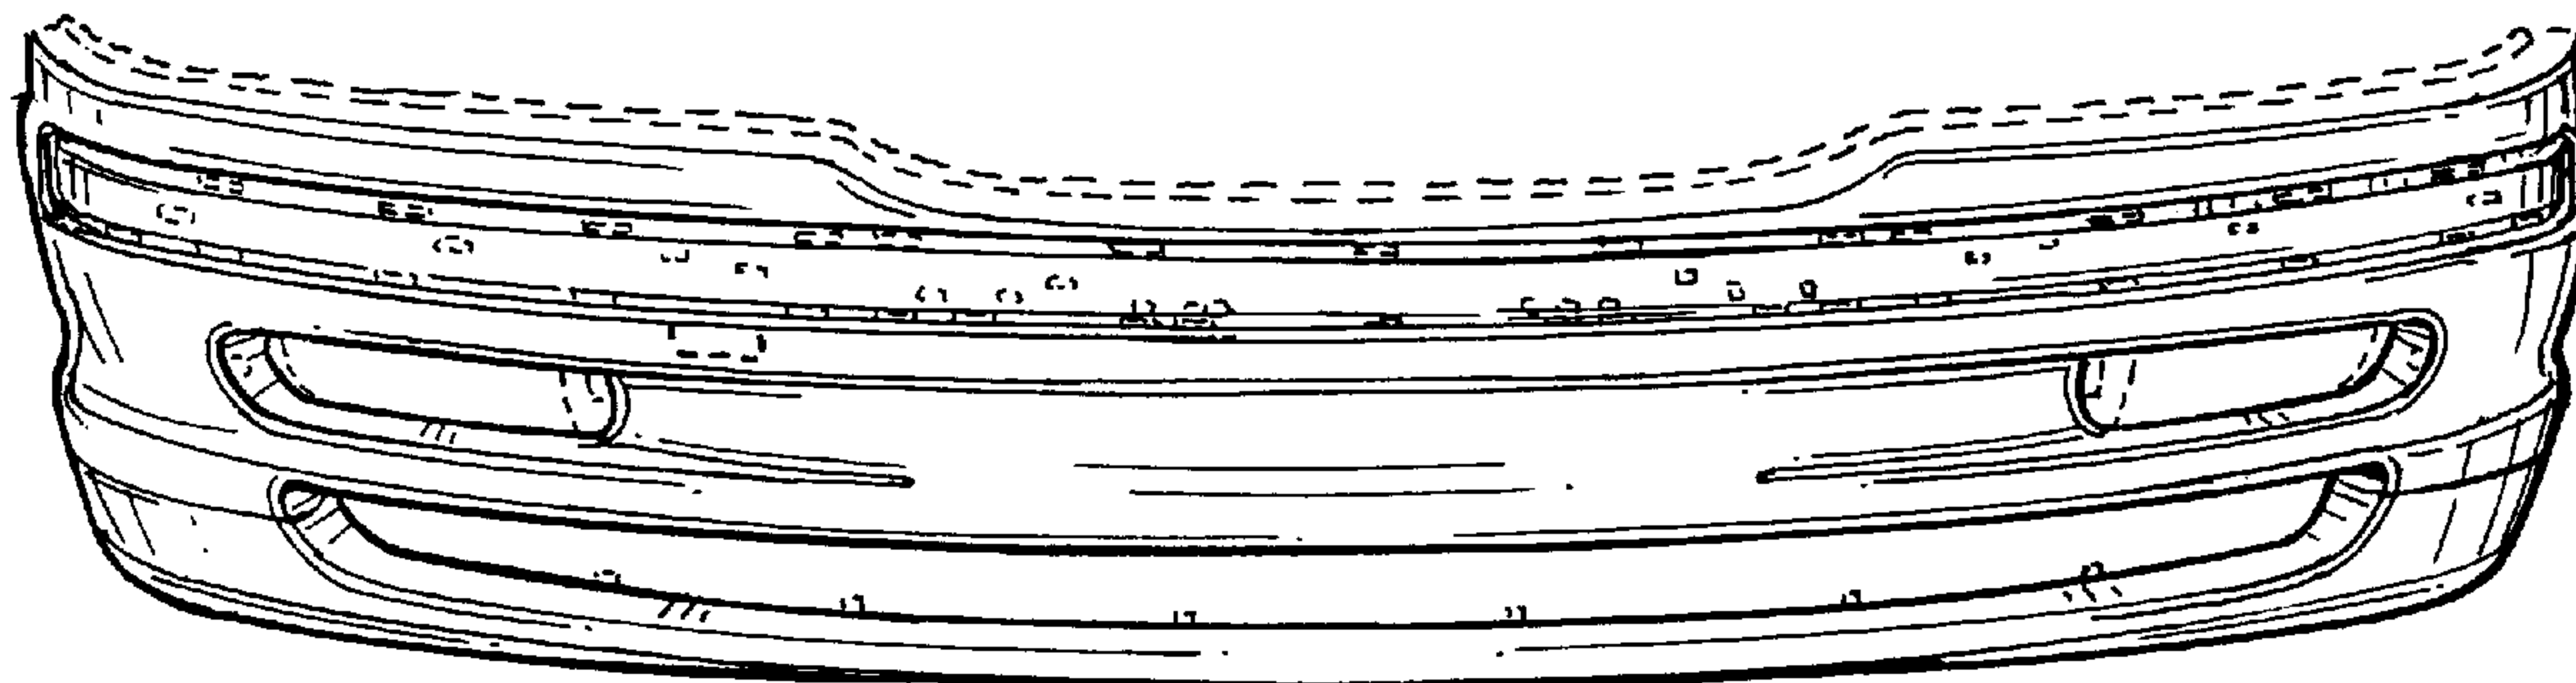

FIG. 2 is a bottom view of an exterior facing surface configuration of a front bumper for an automobile according to my novel design;

FIG. 3 is a top view of an exterior facing surface configuration of a front bumper for an automobile according to my novel design;

FIG. 4 is a side view from the left of an exterior facing surface configuration of a front bumper for an automobile according to my novel design, which is mirror image of the side view from the right; and,

FIG. 5 is a perspective view from the front left of an exterior facing configuration of a front bumper for an automobile according to my novel design.
