[57] **CLAIM**

I claim the ornamental design for a portion of an axle adjuster, as shown and described.

DESCRIPTION

FIG. 1 is a side view of my design applied to a portion of an axle adjuster mounted on a motorcycle frame near a rear axle of the motorcycle.

FIG. 2 is a perspective view of the design shown in FIG. 1.

FIG. 3 is a end view of the design shown in FIG. 1.

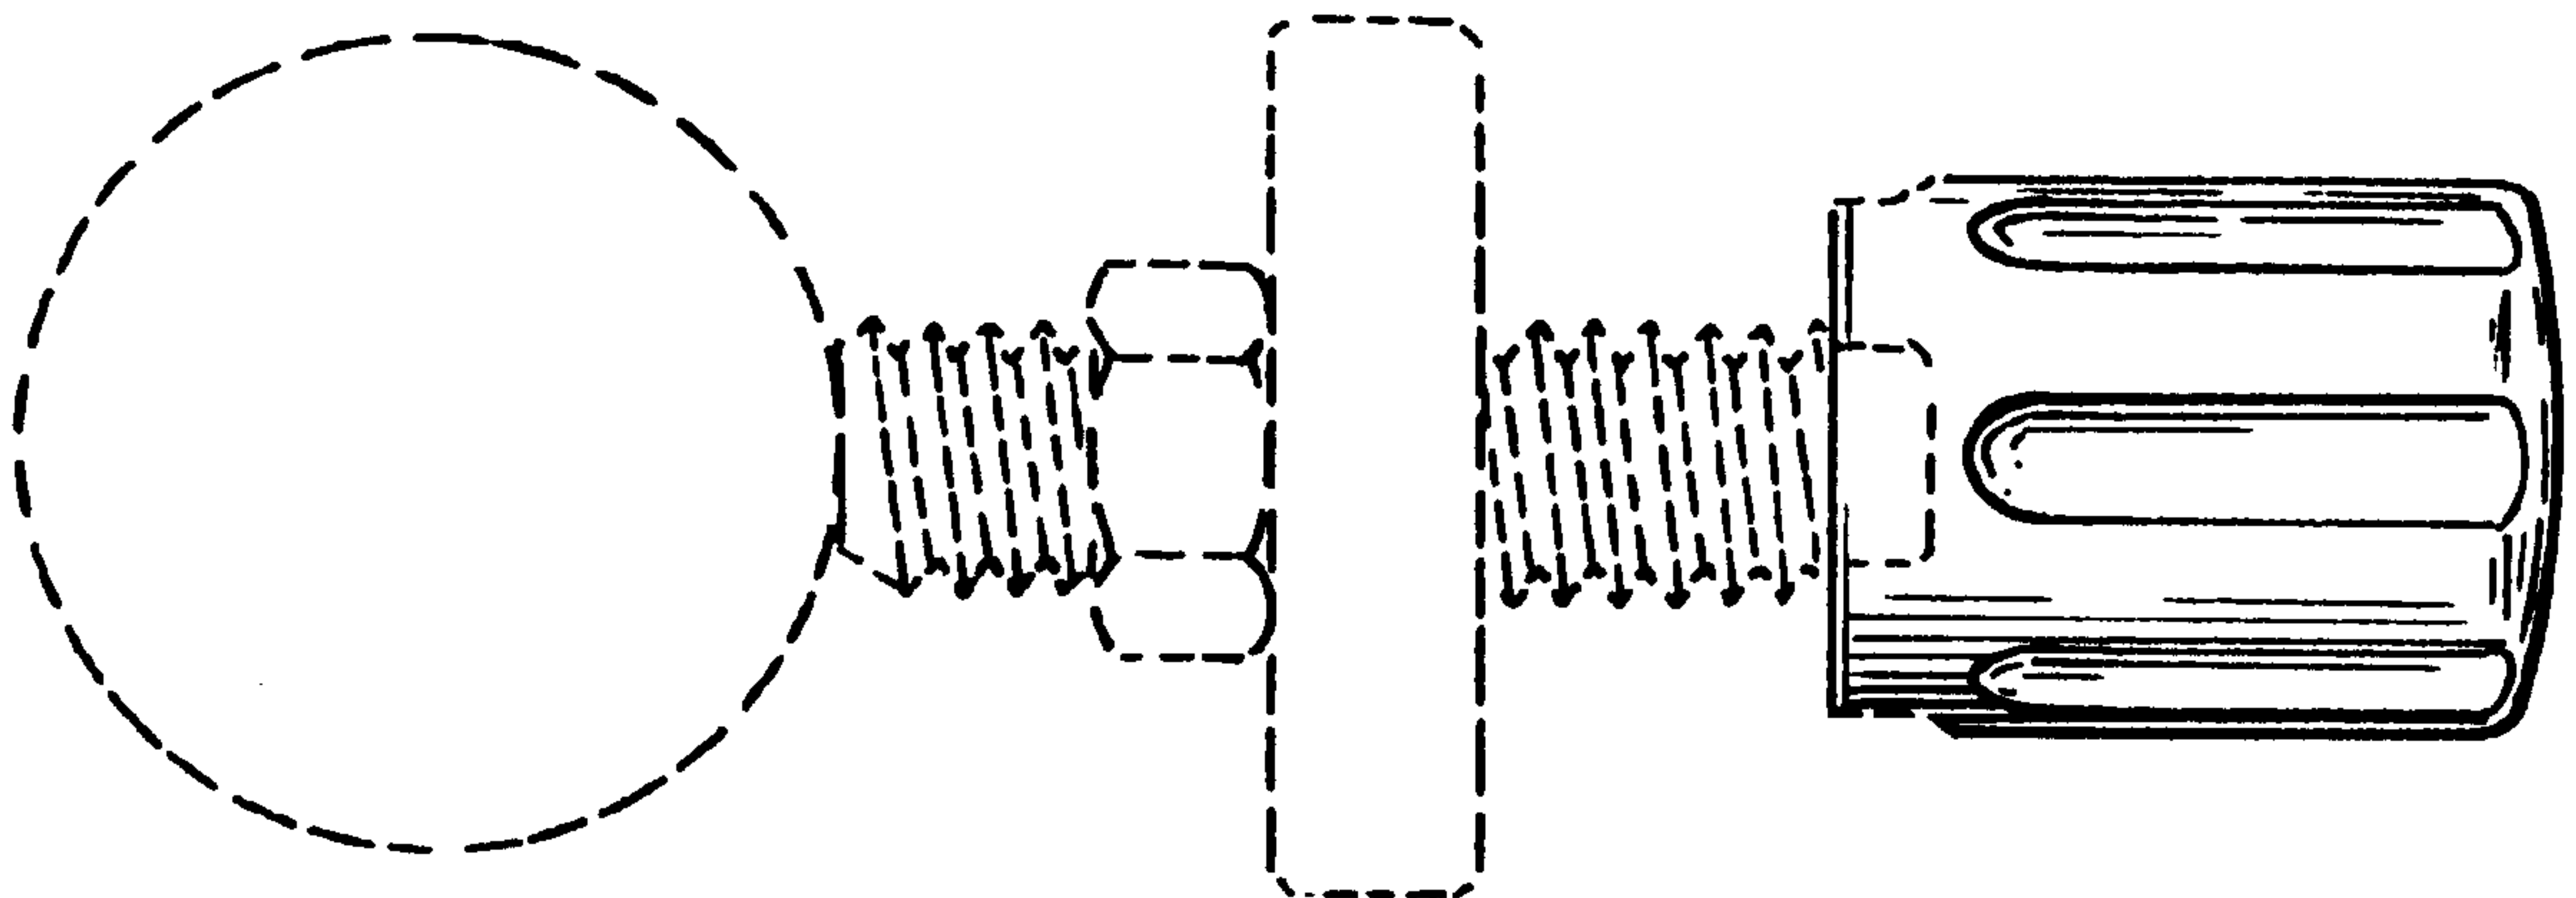

FIG. 4 is an side view of the design shown in FIG. 1; and, FIG. 5 is an side view of the design shown in FIG. 1 with the adjuster rotated 30° from the view of FIG. 4.

The broken lines shown in FIG. 1 are for illustrative purposes only and form no part of the claimed design.

The side views opposite FIGS. 4 and 5 are mirror images of FIGS. 4 and 5, respectively.

The end view of the design opposite FIG. 3 is not visible in its normal or intended use.
