[57] **CLAIM**

We claim the ornamental design for a portion of a motorcycle gearshift lever cover, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a gear shift lever cover embodying the present invention and mounted onto a motorcycle.

FIG. 2 is an enlarged perspective view of the design shown in FIG. 1; and,

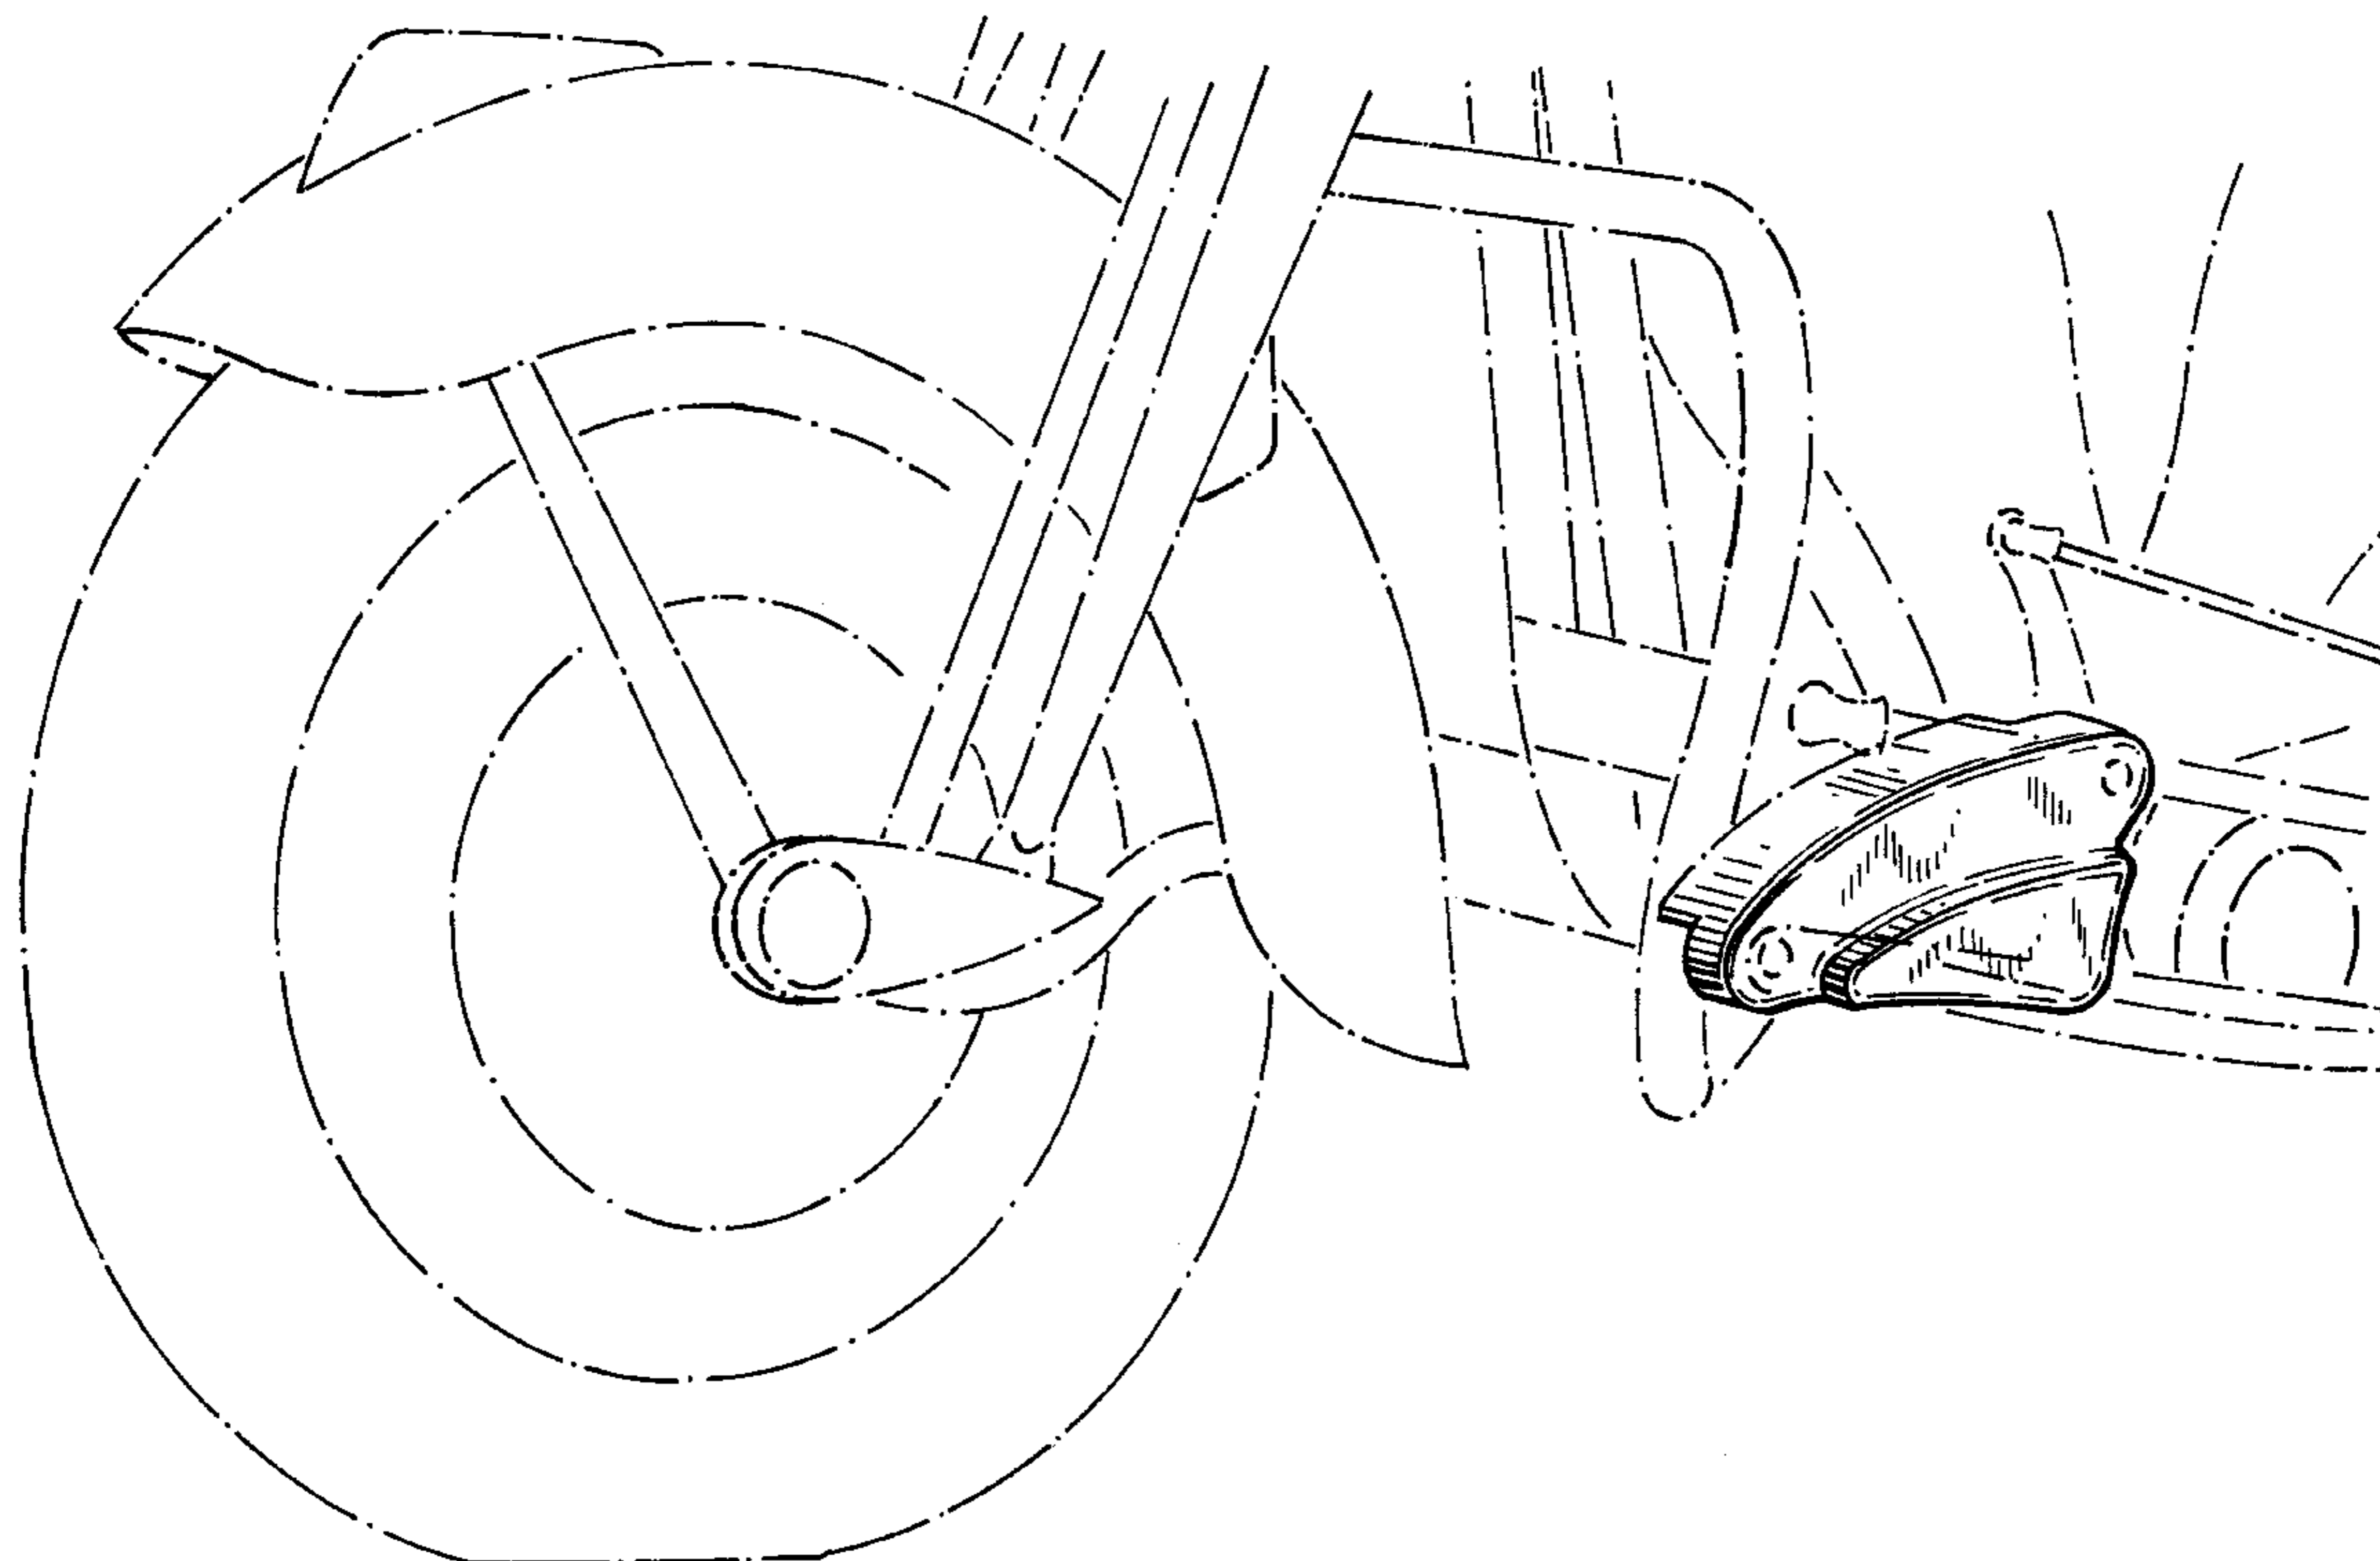

FIG. 3 is a side view of the design shown in FIG. 1.

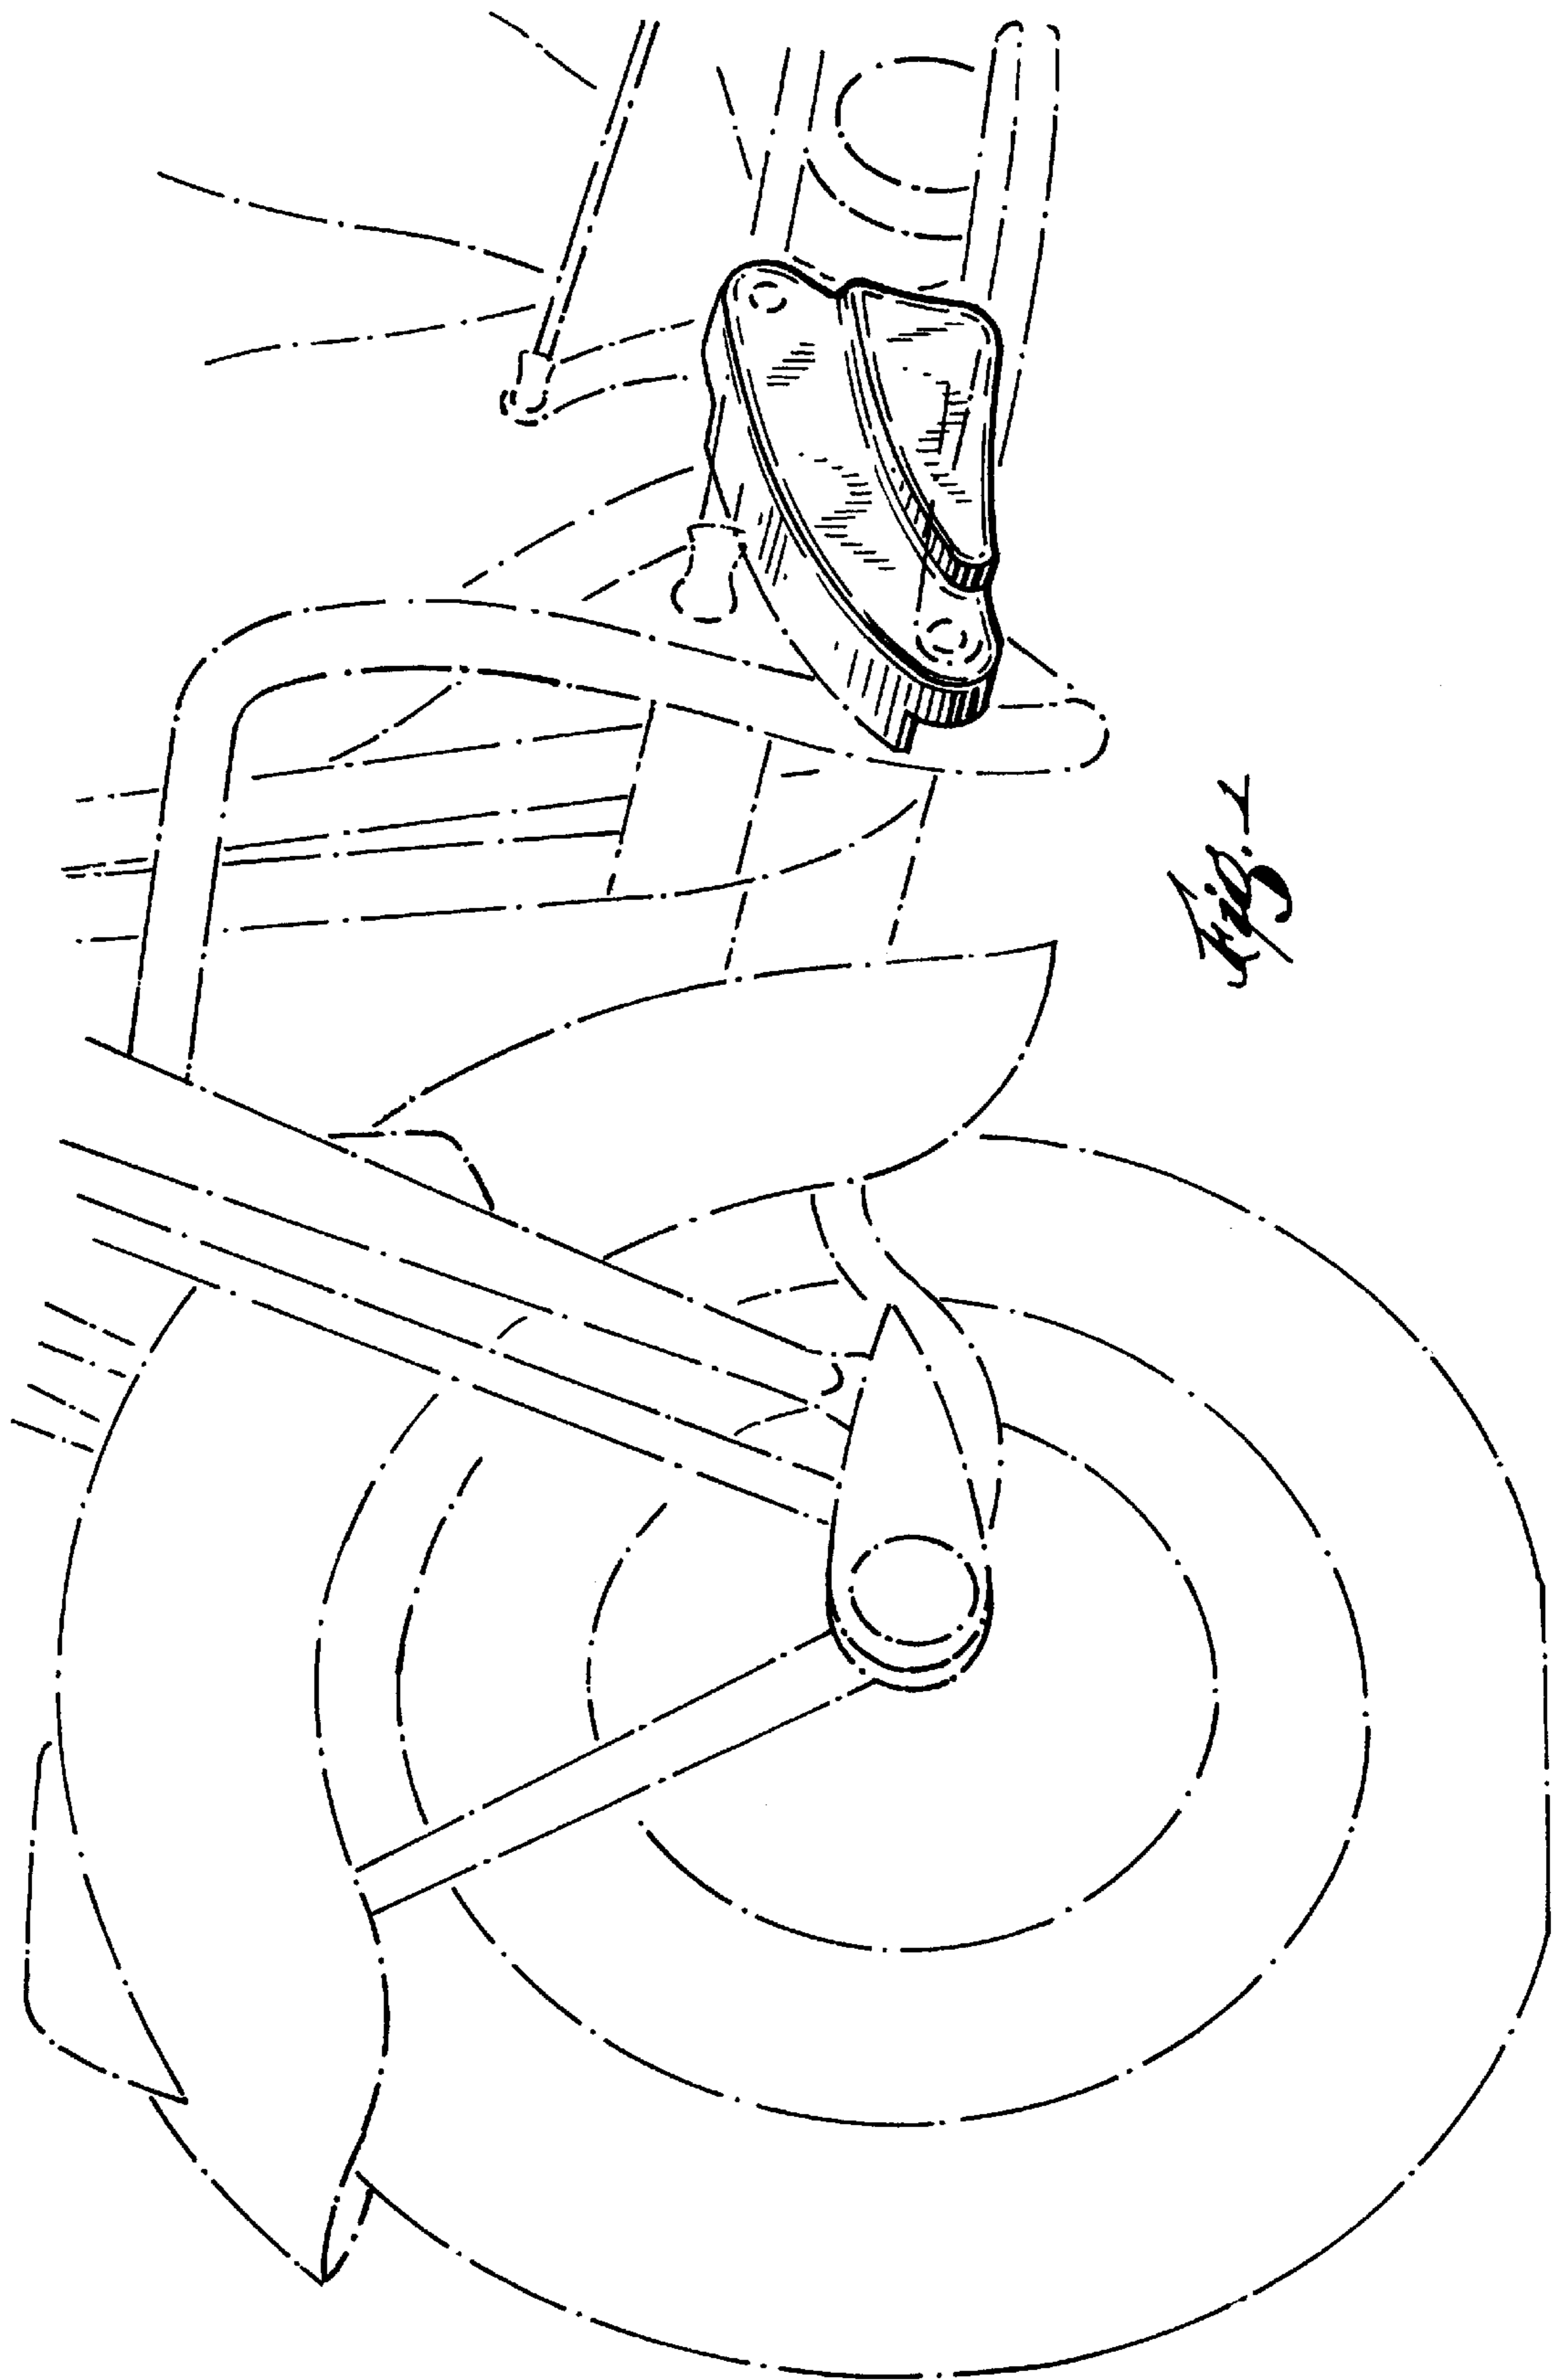

The broken lines shown in FIG. 1 are for illustrative purposes only and form no part of the claimed design.

The design sought to be patented is not visible in the top, bottom, front and rear views. Accordingly, these views have been omitted.

The side view of the cover opposite FIG. 3 is not visible in its normal or intended use.
