[57] CLAIM

The ornamental design for an exterior surface configuration
of a ventilation insert for a front bumper of an automobile,
as shown and described.

DESCRIPTION

FIG. 1 is a front view of an exterior surface configuration of
a ventilation insert for the front bumper of an automobile
according to my novel design;
FIG. 2 is a rear view of an exterior surface configuration of
a ventilation insert for the front bumper of an automobile
according to my novel design;
FIG. 3 is a top view of an exterior surface configuration of
a ventilation insert for the front bumper of an automobile
according to my novel design;
FIG. 4 is a bottom view of an exterior surface configuration
of a ventilation insert for the front bumper of an automobile
according to my novel design;
FIG. 5 is a perspective view from the front left of an exterior
surface configuration of a ventilation insert for the front
bumper of an automobile according to my novel design;
FIG. 6 is a perspective view from the rear right of an exterior
surface configuration of a ventilation insert for the front
bumper of an automobile according to my novel design; and,
FIG. 7 is a left side view of an exterior surface configuration
of a ventilation insert for the front bumper of an automobile
according to my novel design.

The broken lines shown in all drawing views are for illus-
trative purposes only and form no part of the claimed design.
The dash line showing depicts environment and is not part
of the claimed design.
