[57] **CLAIM**

I claim the ornamental design for a lead carrier for supporting vanes in a vertical vane covering for architectural openings, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view looking down on a lead carrier for supporting vanes in a vertical vane covering for architectural openings.

FIG. 2 is an isometric view looking from the bottom of the lead carrier.

FIG. 3 is a top plan view of the lead carrier.

FIG. 4 is a front elevation of the lead carrier.

FIG. 5 is a bottom plan view of the lead carrier.

FIG. 6 is a left side elevation of the lead carrier with the right side elevation being a mirror image thereof.

FIG. 7 is an environmental isometric view thereof; and,

FIG. 8 is an environmental isometric view thereof.

The broken line showing of a standard carrier is for illustrative purposes only and forms no part of the claimed design.
