FIG. 1 is a front elevational view of a colored organizer contact record leaf showing our new design; and, FIG. 2 is a rear elevational view thereof.

1 Claim, 2 Drawing Sheets

The form is titled "Contact Record" and is divided into several sections. At the top, the title "Contact Record" is centered. Below the title, there are two main columns for contact information. The left column contains labels for "Company", "Address", "Contact", and "Title", with horizontal lines for input. The right column contains a telephone icon, a "Fax" label, and another horizontal line. Below these sections is a large grid area. The grid has three columns: the first is labeled "Date & Type of Contact", the second is labeled "Topic", and the third is labeled "Response". The grid consists of approximately 20 rows and 20 columns of small squares, providing space for detailed notes and tracking of responses.
