[57] CLAIM

The ornamental design for a front control panel for a countertop video amusement device, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a front control panel for a counter top video amusement device showing my new design;

FIG. 2 is a fragmentary front elevational view thereof;

FIG. 3 is a fragmentary top plan view thereof;

FIG. 4 is a fragmentary left side elevational view thereof; and,

FIG. 5 is a fragmentary right side elevational view thereof.

FIGS. 2–5 are drawn in an enlarged scale. The broken line showing of a video device is for illustrative purpose only and forms no part of the claim. The bottom is plain and unornamented.
