[57] CLAIM

The ornamental design for a carrier for fishing rod and reel, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a carrier for fishing rod and reel showing my new design in an open state; FIG. 2 is a front elevational view, with the rear elevational view being a mirror image thereof; FIG. 3 is a right side elevational view thereof; FIG. 4 is a left side elevational view thereof; and, FIG. 5 is a top plan view, shown in a closed state. The bottom of the design is plain an unornamented.
