[57] **CLAIM**

The ornamental design for a fiberoptic cable suspension bracket, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a fiberoptic cable suspension bracket with the broken line showing of a fiberoptic cable being for illustrative purposes and forming no part of the claimed design;

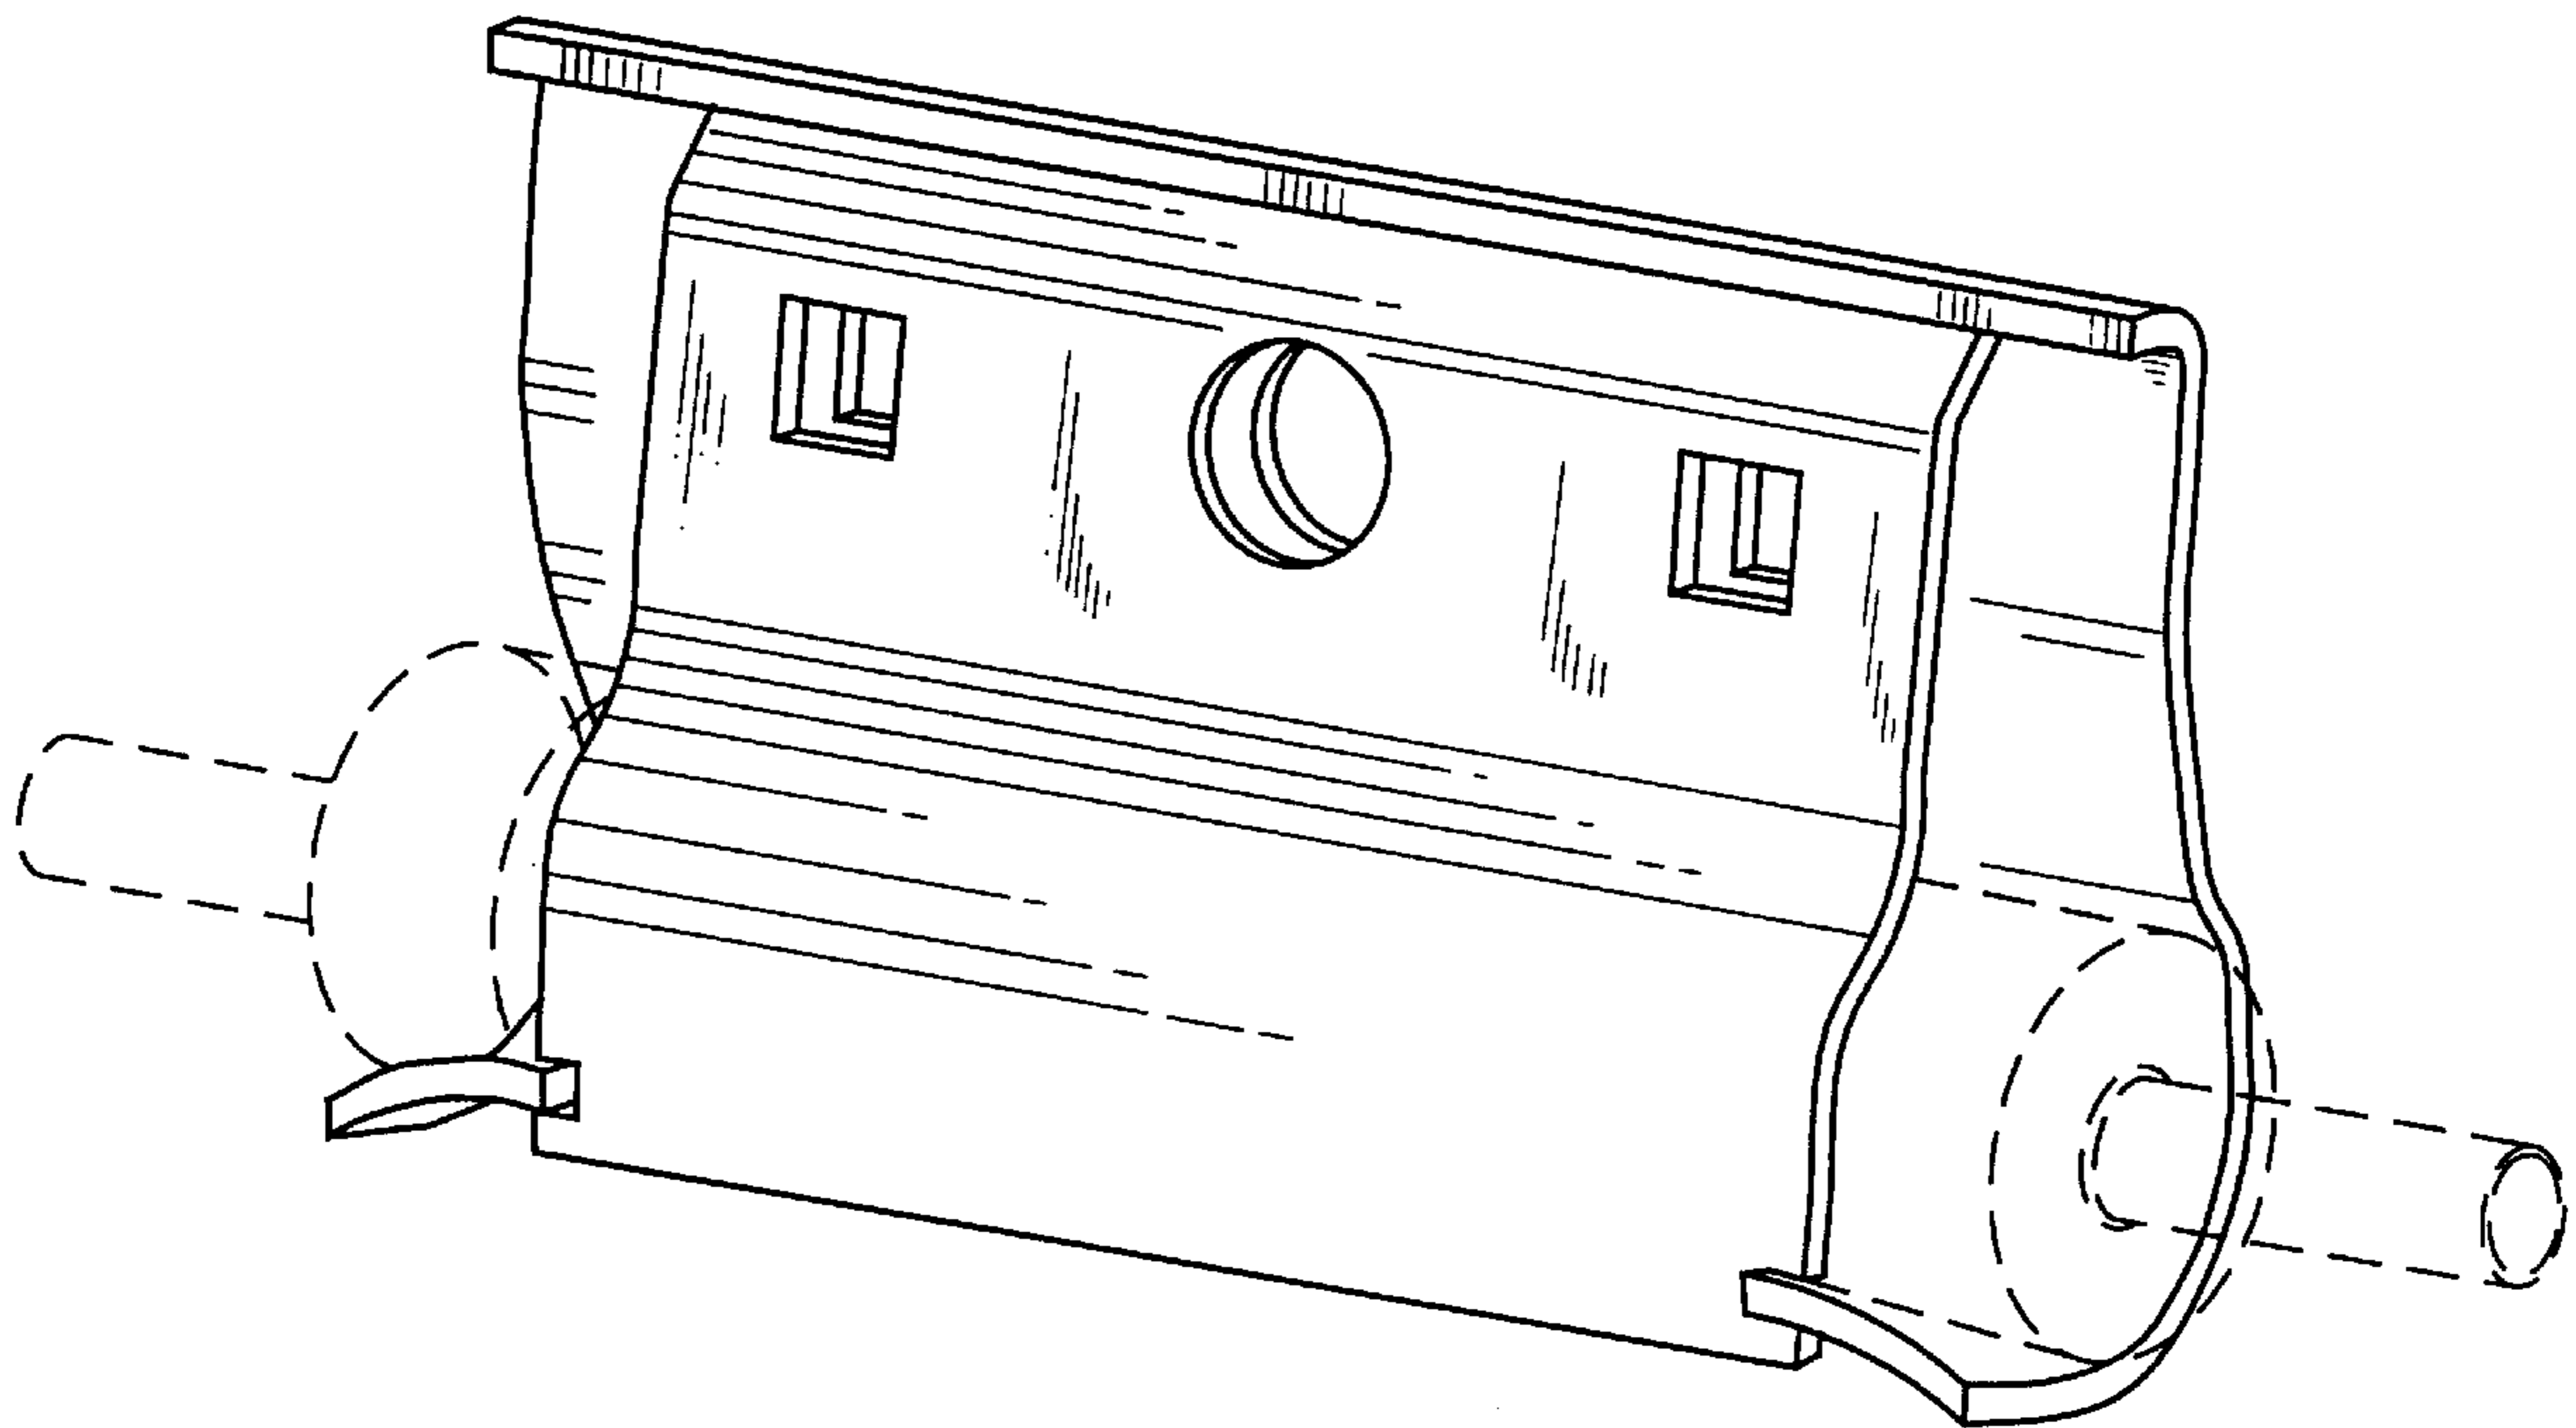

FIG. 2 is a side elevational view of the suspension bracket. FIG. 3 is an opposing side elevational view of the suspension bracket.

FIG. 4 is a first end elevational view of the suspension bracket.

FIG. 5 is a second end elevational view of the suspension bracket; and,

FIG. 6 is a plan view of the suspension bracket.
