[57] CLAIM

The ornamental design for a trash receptacle, as shown and described.

DESCRIPTION

FIG. 1 is a diagrammatic perspective view of the trash receptacle in full lines with garbage shown in broken lines representing environmental association matter being for illustrative purposes only and forming no part of the claimed invention.

FIG. 2 is a right side elevational view thereof, the left side, front and rear elevational views being mirror images of the right side view.

FIG. 3 is a top plan view thereof; and,

FIG. 4 is a bottom plan view thereof.
