The athletic shoe design depicted in FIGS. 1 through 6 will be understood to be the right shoe of a pair of athletic shoes, with the left shoe of the pair being essentially a mirror image of the depicted right shoe. The broken line showing of the jumping basketball player in FIGS. 1 through 3 and signature in FIG. 3 are for illustrative purposes only and form no part of the claimed design.

The partial rendering of the texture on surfaces of the design is for ease of illustration. It is understood that the texture continues throughout the surfaces on which it is only partially shown.
