[57] CLAIM

The ornamental design for a nose clip for a filtering face mask, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a nose clip for a filtering face mask showing the new design.
FIG. 2 is a front elevational view thereof.
FIG. 3 is a top elevational view thereof.
FIG. 4 is a left side elevational view thereof. The right side is a mirror image of the left side.
FIG. 5 is a bottom elevational view thereof; and,
FIG. 6 is a perspective view thereof, on a reduced scale illustrating the nose clip for a filtering face mask on a filtering face mask, which is shown on a human head, both being in broken lines for purposes of illustration only and forming no part of the claimed design.
