[57] CLAIM

The ornamental design for a set of traffic signal lenses, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a set of traffic signal lenses, showing my new designs.

FIG. 2 is a rear view thereof;

FIG. 3 is an elevational view, identical for both the top & bottom edges thereof;

FIG. 4 is an elevational view, identical for both the right & left side edges thereof; and,

FIG. 5 is a vertically oriented front view thereof, with the broken line showing for illustrative purposes only and forming no part of the claimed design, and with the conventional patterns on the claimed design representing the colors red, yellow and green.
