Primary Examiner—Robin V. Taylor

[57] **CLAIM**

The ornamental design for a boom assembly of heated emulsion tank, as shown and described.

DESCRIPTION

FIG. **1** is a right side and end perspective view of a boom assembly of heated emulsion tank showing my new design;
FIG. **2** is a right side elevational view thereof;
FIG. **3** is a left end view thereof; and,
FIG. **4** is left side elevational view thereof.
The broken lines showing in FIGS. **2–4** is for illustrative purposes only and forms no part of the claimed design.
