[57] CLAIM

The ornamental design for a support frame for a mechanical wedge grip, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view for a support frame for a mechanical wedge grip showing our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a side elevational view, the other side being a mirror image;

FIG. 5 is a front elevational view thereof; and,

FIG. 6 is a rear elevational view thereof.
