[57] CLAIM

The ornamental design for a heating, ventilating, and air conditioning register, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the top of a heating, ventilating, and air conditioning register with its vanes closed, showing my new design;
 FIG. 2 is a top plan view with said vanes closed;
 FIG. 3 is a right end elevational view;
 FIG. 4 is a left end elevational view;
 FIG. 5 is a first side elevational view, the opposite side being a mirror image thereof;
 FIG. 6 is an elevational view of said opposite side with said vanes open, said first side being a mirror image thereof;
 FIG. 7 is a perspective view of the top of said heating, ventilating, and air conditioning register with said vanes partially open;
 FIG. 8 is a top plan view with said vanes open;
 FIG. 9 is a bottom plan view showing said vanes open; and,
 FIG. 10 is an end view similar to that of FIG. 4 with said vanes open.
